MONDAY EVENING, JULY 30.

REJECTED THE CROWN.—A dispatch from Berlin says: "The interview between Emperor William and King Christian of Denmark has a special importance, as associated with the settlement of a family question connected with the Bulgarian throne. The Czar appears to have given his assent to the creation of a Bulgarian monarch, with either Prince Waldemar, the youngest son of King Christian, or the Duke of Cumberland on the throne. The Duke of Cumberland has decisively rejected the offer, which was made to him through Prince Bismarck. In his note refusing to accept the Crown, he declares that the proposal is an insult to him as the legitimate King of Hanover, and expresses the hope that he is destined to see the King of Prussia induced to his proper level. King Christian of Denmark advises Prince Waldemar to accept the throne of Bulgaria if the contest between the European powers is perfect. King George of Greece, the brother of Prince Waldemar, opposes his candidature. Important events are certain to take place if Greece and Bulgaria come into conflict.

TROUBLESOME TRAMPS.—A dispatch from Wilmington, Del., says: "The local authorities are having considerable trouble with the numerous tramps who are on their way down the peninsula to pick peaches. A dozen or more are arrested daily, and Friday night about fifty were bagged. The railroads are annoyed by the depredations committed by the vagrants, while the farmers are also complaining of numerous thefts. On account of the State not having a penitentiary the "plucks" are rarely committed for more than twenty-four hours. They defy the railroad authorities to arrest them, knowing that if they are arrested and convicted they will be given free board at the expense of the county without having to work.

ADVICE TO MOTHERS. Mrs. WINSLOW'S SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhoea, griping in the bowels and wind-colic. By giving health to the child it rests the mother. Price 25 cents a bottle.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise. The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds. Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for. A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days. The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR. There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the SECRETARY, Room 40 Le Droit Building, WASHINGTON, D. C.

SPECIAL ATTENTION GIVEN TO ALL ORDERS WITHOUT THE CITY.

The GAZETTE, chronologically, is in its eighty-ninth year of its existence and is not only the oldest paper in the State, but, with very few exceptions, in the country. Notwithstanding the fullness of its years, it has kept, and will continue to keep abreast of the times in all that pertains to a newspaper, furnishing its readers daily with a perfect mirror of passing events, domestic and foreign. Its facilities for obtaining news as they increase are taken advantage of and used for the benefit of its readers, who are thus kept thoroughly posted as to all that is of interest politically, socially, financially and commercially. Special attention is given to matters concerning the State and its welfare, while its local columns contain all that is of the slightest interest to Alexandria. Its regular correspondence from Washington and Richmond are features of peculiar interest, as attested by the eagerness with which they are read and copied by other papers, while its editorial department, conducted with reference to the best interests of the city, State and country, will continue to advocate what is believed to be right, just, honest and patriotic. With a view to the interests of merchants, farmers, and all interested, its commercial columns are carefully edited and its market reports are acknowledged by all to be faithful and accurate. Through all this section of the State and in all parts of the country where Virginians have located, there will be found the GAZETTE generally, and thus as an advertising medium it has few equals outside the large cities. In the household, counting room and workshop, it is an ever welcome visitor, acceptable alike to old and young, the grave and the gay.
