WEDNESDAY EVENING, AUGUST 8.

A STEER CLEARS A STORE—As a drove of steers was passing the grocery store of William Peters, at the corner of Hancock and Jefferson streets, last evening, one of them, with a mind of an inquiring turn, walked into the open door and started on a tour of investigation through the store. The place was filled with customers, who fled precipitately at the steer's approach. Those who could not reach the door crouched under the counter in an agony of fear. His bullock leisurely proceeded to inspect the cabbage pile, and, after munching on tentatively at it for a few moments, turned his attention to a basket of red peppers that lay within tempting reach. After a sniff he concluded they were edible, and, taking a good mouthful, began to chew. No sooner had he broken the skin of the red-hot vegetables than the fire began to burn, and he stamped around the store in agony, bellowing with rage and pain and threatening to demolish everything within reach. Sniffing a crate of eggs he made a plunge for them and emerged from the box with his head coated with egg yolk. After stamping around the store for a short time he escaped and joined the herd. A immense crowd had gathered around the store, and a policeman was watching the base means of ending the show when the steer rushed into the street.—Phila. Record.

Democratic Congressional Convention. At a meeting of the Democratic Committee for the Eighth District of Virginia the following resolution was adopted: That a district convention be, and the same is hereby, called to meet in the city of Alexandria on Wednesday, September 5th, at 12 o'clock noon, for the purpose of nominating a member of Congress from the 8th district of Virginia. The basis of representation shall be one delegate for every hundred votes at the election of 1885. The committee of the cities and counties of the district are requested to give notice of meetings for the selection of delegates from their respective cities and counties. Delegates are requested to be present in Alexandria at ten o'clock a. m. on the day of the convention, that the business of the same may be facilitated. HENRY HEATON, Chairman. LEONARD MARRERY, Secretary. Democratic papers of the 8th district are requested to copy this notice.

THE GOLD MINING COMPANY.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each. The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder. THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise. The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds. Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for. A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days. The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR. There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the SECRETARY, Room 40 Le Droit Building, WASHINGTON, D. C.

SUMMER GOODS.

If you are thinking of buying a Refrigerator, Water Cooler or Ice Cream Freezer, give us a call and examine the celebrated "RIDGWAY" FREEZERS and REFRIGERATORS and "PHILADELPHIA" COOLERS before making a purchase. We have these goods in all sizes and at prices within the reach of all. These goods are superior to anything of the kind on the market. To mention one point in the many of these brands: the air in the refrigerator is not only cold, but perfectly dry. The machinery about the freezer, unlike that of any other make, is entirely protected, thus preventing it from being clogged with ice or from mashing your fingers. The Cooler is made of the best materials, on scientific principles. We sold a great many of these goods in this city in the past season, and we can refer to any purchaser for a recommendation. Goods in stock now at E. J. MILLER & SON'S, 317 King street.

We have these goods in all sizes and at prices within the reach of all. These goods are superior to anything of the kind on the market. To mention one point in the many of these brands: the air in the refrigerator is not only cold, but perfectly dry. The machinery about the freezer, unlike that of any other make, is entirely protected, thus preventing it from being clogged with ice or from mashing your fingers. The Cooler is made of the best materials, on scientific principles. We sold a great many of these goods in this city in the past season, and we can refer to any purchaser for a recommendation. Goods in stock now at E. J. MILLER & SON'S, 317 King street.

The GAZETTE, chronologically, is in the eighty-ninth year of its existence and is not only the oldest paper in the State, but, with very few exceptions, in the country. Notwithstanding the fullness of its years, it has kept, and will continue to keep abreast of the times in all that pertains to a news paper, furnishing its readers daily with a perfect mirror of passing events, domestic and foreign. Its facilities for obtaining news as they increase are taken advantage of and used for the benefit of its readers, who are thus kept thoroughly posted as to all that is of interest politically, socially, financially and commercially. Special attention is given to matters concerning the State and its welfare, while its local columns contain all that is of the slightest interest to Alexandria. Its regular correspondence from Washington and Richmond are features of peculiar interest, as attested by the eagerness with which they are read and copied by other papers, while its editorial department, conducted with reference to the best interests of the city, State and country, will continue to advocate what is believed to be right, just, honest and patriotic. With a view to the interests of merchants, farmers, and all interested, its commercial columns are carefully edited and its market reports are acknowledged by all to be faithful and accurate. Through all this section of the State and in all parts of the country where Virginians have located, there will be found the GAZETTE generally, and thus as an advertising medium it has few equals outside the large cities. In the household, counting room and workshop, it is an ever welcome visitor, acceptable alike to old and young, the grave and the gay.
