A fire had been kindled in the old Reform Club room on Fairfax street, the chimney of which connects with the flue in Mr. Watkins' warehouse, and when the fire got under way sparks fell down the chimney into the fireplace of the latter building. MONETARY AND COMMERCIAL.

NEW YORK, Sept. 10.—The stock market was somewhat irregular this morning on a very moderate business, the changes from Saturday's final figures extending to 3/8 per cent. either way. The market was still quite irregular in the early trading but generally strong at first, and fractional advances were established in many stocks. The upward movement was of short duration, however, and most of the gains were lost. There was a better tone toward the end of the hour, but the feverishness still remained, and at 11 o'clock the market was irregular and unsettled generally at fractions better than the opening figures. Money easy at 2.

ASSOCIATED PRESS DISPATCHES.

Proceedings of Congress.

WASHINGTON, D. C., Sept. 10. SENATE.

Among the executive documents presented was one from the War Department stating that, in order to furnish (before the close of the fifteenth Congress) certain information called for by the Senate, it will require the services of 18 additional clerks at a cost of \$10,800. Referred to the Committee on Claims.

The House amendments to the Senate bill to pension the widow of General Kilpatrick (reducing the amount from \$100 to \$75 a month) were non concurred in and a committee of conference ordered.

The resolution heretofore offered by Mr. Vest on the subject of a campaign work of an employee of the Senate was taken up and Mr. Plumb moved to lay the resolution on the table.

A discussion followed, which was interrupted; when the conference report on the fortifications bill was presented and agreed to. The discussion was then resumed.

The Chinese bill was then taken up and referred to the Committee on Foreign Relations.

The conference report on the army appropriation bill was presented and agreed to.

HOUSE. Mr. Sayers, of Texas, presented the conference report on the fortifications appropriation bill, and it was adopted.

Mr. Blount, of Georgia, from the Committee on Postoffices and Post Roads, reported a bill authorizing the Postmaster General to advertise for and purchase improved mail locks and keys. He requested immediate consideration for the bill, which was accorded, and the bill was passed.

Under the call of States a number of bills were introduced and referred, among them one to provide for an inland waterway between New York and Florida.

The House subsequently resumed the consideration of the conference report on the sundry civil appropriation bill.

The Trouble with Indians.

BISMARCK, Dak., Sept. 10.—The report that the commissioners now at the lower agencies will soon return to Standing Rock to treat with the Indians for the opening of the reservation has aroused no small amount of excitement among the opposing reds. While it is believed that many of the young Indians may sign, if the proper pressure is brought to bear, it is known that Sitting Bull, Gall, Bear, and Big Head are as bitterly opposed to the plan as ever. The publish report that Sitting Bull had signed the treaty was shown him and he flew into a rage, accusing the man who started the report of all manner of villainies.

Immigrants Detained.

NEW YORK, Sept. 10.—Patrick Kilbride with his wife and seven children landed at Castle Garden to-day from the steamer City of Richmond. Kilbride said he had come to work as a weaver at Mount Holly, N. J., having been engaged by the Superintendent of a mill at Wakefield, Eng., who had paid his passage to this country. His children are all capable of working as weavers, and they, too, were promised work. The family were detained until collector Magone decides whether their immigration is a violation of the contract labor law.

The Maine Election.

PORTLAND, Me., Sept. 10.—The election is proceeding quietly. There are indications of a heavy vote. Probably the republicans will carry the city by a small increase over their usual majority. It looks now as if the majority would reach 600 or 800.

CALAIS, Me., Sept. 10.—Republicans estimate 300 majority for Governor. Both sides have been reserving their strength and it will be a warm contest from now until four o'clock. The leaders on both sides claim it will be one of the heaviest votes ever polled.

Fires.

SAN FRANCISCO, Sept. 10.—A fire yesterday afternoon, which began in a sash factory on Main street, destroyed three blocks of buildings. The heat was so intense that several persons succumbed and had to be borne to places of safety. A number of narrow escapes from death are recorded. Loss \$1,000,000.

Suicide.

TRENTON, N. J., Sept. 10.—Wm. P. Emory, of Flemington, N. J., was found drowned at 4 o'clock this morning in a drainage pool near his barn. Every indication points to suicide, which is supposed to have been caused by sorrow over the death of his wife, which occurred a year ago.

Fratricide.

NEW YORK, Sept. 10.—Miles Flynn, 62 years old, and his 19 year old son John got into a drunken quarrel yesterday. John stabbed his father in the arm. An artery was cut and the wounded man lost so much blood that he died in the hospital to-day. The son is under arrest.

Accidentally Shot.

BLOOMINGTON, Ill., Sept. 10.—Mrs. Dr. Waters, one of the most prominent women of this city, was instantly killed yesterday by an accident. Her adopted son, a boy of 16, was cleaning a revolver. The weapon was discharged and the bullet lodged in Mrs. Waters' brain.

Prairie Fires.

HELENA, Mont., Sept. 10.—Parties who have just arrived here from upper Teton county, report disastrous prairie fires in that section. Ranges have been burned off for an area of 60 miles, and the fire has assumed such dimensions as to baffl all attempts to keep it under control.

From Afghanistan.

Arrests.

Earthquake Shocks.

ATHENS, Sept. 10.—Two earthquake-shocks have occurred at Vostizza, on the Corinthian Gulf, doing great damage. Troops have been dispatched with a supply of tents for the homeless and provisions for the destitute.

Death of a Millionaire.

WILKESBARRE, Penn., Sept. 10.—John Henry Swoyer, a well known millionaire coal operator, died at his residence here this morning, aged 56 years.

Renominated.

CHICAGO, Sept. 10.—Congressman Wm. E. Mason was renominated by the republicans of the 31 District this morning.

Daniel Bennett, a noted broker in Wall street, New York, was found lying probably mortally wounded in bed at his home in Jersey City, early yesterday morning. His son, who was the last to enter the house the night before, is sure he locked the front doors, though in the morning they were found open. The assault is very similar to the fatal attack on Benjamin Nathan on the morning of July 30, 1870, and the fact that the chief of police alluded to the close resemblance between the two cases indicates that he has an opinion, but has not secured sufficient evidence to warrant an arrest.

DRY GOODS.

MANY GOODS GREATLY REDUCED.

We have finished our annual stock-taking, and following our usual custom have made great reductions in a large quantity of goods. Choice Patterns in French Satines Reduced from 35 to 25c. Plain, Fancy and Seersucker Gingham Reduced from 12 1-2c to 10c. Plain, Fancy and Seersucker Gingham Reduced from 10c to 8c. In Crinkle Seersuckers the reduction is still greater. 36-in. Wide Batiste from 12 1-2c to 10c. Such an opportunity to buy a first-class Silk Umbrella or Fancy Parasol for so much less than real value is seldom offered. We are determined to close out this stock if prices will do it. Large lot of Children's Cotton and Thread Hose Are being sold for less than it cost to manufacture them. Turkish Bath Towels, good size, at 12 1/2c. The Carpet Department is the place to find bargains. ALL REMNANTS OF CARPETS are being sold at marvelously low figures, and the same is true of REMNANTS OF MATTING. Here is a chance for a real, genuine, money-making bargain, and it is not confined to remnants, for the reduction extends to whole pieces of Tapestry Brussels and White and Colored Mattings that must be gotten out of the way of Fall Goods. ONE PRICE.
