

MEDICINAL.

My Poor Back!

That "poor back" is held responsible for more than its share of the sufferings of mankind. If your dog bites a man who kicks it, do you blame the dog? On the same principle the kidneys utter their protest against nervousness, impure blood, and resulting constipation. These force their system of the poisons which are the cause of back aches; the kidneys are diseased. "Not yet," but they will be purified, and the constipation of kidney troubles, and Paine's Celery Compound removes them quickly. effect, it also strengthens the weak curing all diseases of the nerves and kidneys. If your hopes of cure have not been realized, try Paine's Celery Compound; it gives perfect health to all who complain of "their poor backs." Price \$1.00.

UNGALLANT HISTORY.—The Wesleyan Christian Advocate, of Mason, Ga., says women are going to have the ballot, and evidently seems to think the golden age will come when woman rules. Well, Cleopatra was a woman, and so was Lucretia Borgia, and so was Catherine de Medici, and so was Bloody Mary, and so was her sister Elizabeth, and so was that little tiger cat Mary Queen of Scots, and so was Catherine of Russia, and so was Herodias, and so was the horde who, with red badges on, paraded the streets of Atlanta at the last election, and so were the harridans who led the mob of sans culottes in Paris in the Revolution, and so have been many of the worst of the world, and unless we can be sure that only women of sound sense shall preach, and of pure lives shall vote, I think we had better abide where we are.—Rev. Geo. C. Smith.

A FEATHERED MUGWUMP.—Mr. Henry C. Hamilton, one of the most truthful men in Georgia, tells of a great curiosity which Bob Kinyon, an old negro man, is now raising on Mr. Hamilton's place in Dalton. The object may be described as a fowl mugwump. It is half duck and half chicken, its father being a duck and its mother a hen.

The mugwump is about the size of a frying-pan chicken. Its age was just six months Sunday, and it is of the feminine gender. The head and breast are built like a hen, and the back, tail, and legs are formed like those of a duck. But, strange to say, the creature is not web-footed.

The fowl mugwump cackles like a hen and in walking waddles like a duck.—Atlanta Constitution.

A POINT IN MANNERS.—Learn to be a man of your word. One of the most disheartening of all things is to be associated in an undertaking with a person whose word is not to be depended upon—and there are plenty of them in this wide world, people whose promise is as slender a tissue as a spider's web. Let your given word be as a hempen cord, a chain of wrought steel, that will bear the heaviest sort of strain. It will go far in making a man of you—and a real man is the noblest work of God; not a lump of moist putty, molded and shaped by the last influence met with that was calculated to make an impression; but a man of forceful, energized, self-reliant and reliable character—a positive quantity that can be calculated upon.

Many persons have been led into doing something foolish or wrong by the fear of what others would think if they should refuse to do it. Be brave enough to do anything you know you ought to do, and heed not what people think. Only they think opinion is not worth anything for you believe the worse of you for doing another way to be right. And yet there is a well to ask of looking at this question: "What will people think of us if we are responsible for our in-thing?" or we are "responsible for our in-thing?" or we are "responsible for our in-thing?"
