MONDAY EVENING, JANUARY 7.

The Advanced Woman. She went around and asked subscriptions for the healthful, Egyptian And the Terra del Fucina. She did.

For the tribes round Athabasca. And the man of Madagascar. And the poor souls of Alaska. So she did.

She longed, she said, to buy Jelly cake and jam and pie For the Anthropophagi. So she did.

How she loved the cold Norwegian. And the poor half-malted Fijian. And the Molucca Indian. She did.

She sent tires of red tomato To the tribes beyond the equator. But her husband ate potato. So he did.

The poor, helpless, homeless thing (My voice lingers as I sing). Tied his clothes up with a string. Yes, he did.

THE CATHOLIC UNIVERSITY.—A dispatch from Rome says: "The archbishops connected with the university have presented an address to Leo XIII., in Latin, proposing to inaugurate the institution next year as a memorial of the centenary of the Catholic hierarchy in the United States."

ADVICE TO MOTHERS.

Mrs. WINSLOW'S SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children.

1889 ALEXANDRIA GAZETTE. 1889

The GAZETTE, chronologically, is in the NINETEENTH year of its existence and is now only the oldest paper in the State, but, with very few exceptions, in the country. No withstanding the fullness of its years, it is kept, and will continue to keep abreast of the times in all that pertains to a news paper, furnishing its readers daily with a perfect mirror of passing events, domestic and foreign.

The Sun

FOR 1889. And for the Democracy. THE SUN believes that the campaign for the election of a democratic Congress in 1890 and a democratic President in 1892 should begin on or about the fourth of next March. THE SUN will be on hand at the beginning and until the end of the most interesting and important political campaign of the year, doing its utmost to do so, as ever, to secure the triumph of the democratic party and the permanent supremacy of the principles held by Jefferson, Jackson and Tilden.

The great fact of the year is the return to absolute power of the common enemy of all good democrats—the political organization for whose overthrow THE SUN fought at the front for five years, the memorable years of Grant and the Fraud Hayes, and Garfield and Arthur.

It is the same old enemy that demagogues now confront, and he will be entrenched in the same strong position. It has been carried once by brave and hopeful fighting. Do you not believe with us that the thing can be done again? Wait and see!

The hope of the democracy is in the loyal efforts of a united press, cherishing no memories of past differences in non-essentials, forgetting everything but the lessons of experience, and that victory is a duty.

Probably you know THE SUN already as a newspaper that sets all the news and prints it in incomparably interesting shape; which chronicles facts as they occur and tells the truth about men and events with absolute fearlessness, making the completest and most entertaining journal published anywhere on earth; and which sells its opinions only to its subscribers and purchasers at two cents a copy on Sundays, and at one cent a copy on all other days.

Do not know THE SUN, send for it and learn what a wonderful thing it is to be in the sunshine. Daily, per month.....\$0 50 Sunday, per year.....6 00 Daily and Sunday, per year.....8 00 Daily and Sunday, per month.....1 00 Weekly Sun, on.....1 00 Address THE SUN, New York.

GOLD MINING

THE GOLD MINING COMPANY.

LOCATION—MUSIC MOUNTAINS, MORAVE COUNTY, ARIZONA. (INCORPORATED UNDER THE LAWS OF WEST VIRGINIA) CAPITAL STOCK, \$625,000. NUMBER OF SHARES, 625,000, OF \$1 EACH. FULL PAID AND NON-ASSESSABLE.

President H. W. P. NADAY. Secretary WILLIAM S. ODELL. Vice President J. Q. BARTON. Treasurer JOHN R. SHIPMAN. General Manager CHAS. W. CUNNINGHAM.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each. The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

The Gold Mining Company (location Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds. Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the SECRETARY, Room 40 Le Droit Building, Washington, D. C.
