FRIDAY EVENING, MARCH 21.

FORGOT SIX MILLIONS IN BONDS - At the death bed of William B. Astor, father of John Jacob, after everything pertaining to the enormous personal estate was supposed to be arranged, the dying man suddenly said: "John, what did we do with that six million of registered United States 4's?" "We have forgotten them, father," replied the son. "What would we better do with them, John?" "I think, father, they'd better be given to the girls" - his sisters. "That's a good idea, John. Hurry a man to Washington specially, and have them transferred before I die."

CURE FOR PNEUMONIA. - Pneumonia can be cured if the person will apply promptly over his lungs a poultice or draft made of mustard and flax seed meal, keeping quiet and warm in bed. Prompt action is of vital importance. Mustard is an old-fashioned cure, and its healing virtues can hardly be over-estimated.
