MEDICINAL

NOTHING SUCCEEDS LIKE SUCCESS.

The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPROSY to the simplest disease known to the human system.

The scientific men of to-day claim and prove that every disease is

CAUSED BY MICROBES,

AND

Radam's Microbe Killer

Extirminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malarial Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases.

ASTHMA, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles in all its forms, and, in fact, every Disease known to the Human System.

Beware of Fraudulent Imitations!

See that our Trade-Mark (same as above) appears on each jug.
