DRY GOODS. OFFICE OF WOODWARD & LOTHROP, CORNER 11th and F STREETS N. W., WASHINGTON, D. C.

Thanksgiving Day is, as every one knows, a national holiday. The President of the United States has proclaimed Thursday, November 27, as the day for general thanksgiving—custom has made it a day for "Family Reunions" and the entertainment of friends as well—the day when we put forth our best efforts to this end, when the "old" is laid aside for the time being and the "new" called forth for the day's service—on this day the table must be arrayed in new and spotless linen. The cloth should be of pure white Damask of pretty design, with napkins, tray cloth, and finger bowl doilies to match. Plain or tinted china and crystal glass may be used, and to give finish and effectiveness a Japanese vase or bowl of white chrysanthemums or other flowers should be placed in the center of the table.

Linens for Thanksgiving Day—Apropos of this occasion we append the following from which you make your selections:

Fine quality Pattern Damask Cloths with 1 dozen napkins to match. 2x2 1/2 yards and 1 dozen napkins, \$8, \$9, and \$11 set. 2x3 yards and 1 dozen napkins, \$10, \$13, and \$17.50 set. 2 1/2 x 2 1/2 yards and 1 dozen napkins, \$12, \$15, and \$18 set. 2 1/2 x 3 yards and 1 dozen napkins, \$13 and upwards. 2 1/2 x 3 1/2 yards and 1 dozen napkins, \$20, \$24, and \$25 set.

These Damasks are of a beautiful Satin finish, with a variety of new patterns artistically designed, and include John S. Brown & Son's famous Belfast Linens and other reputable makes.

Goods delivered in Alexandria.

MEDICINAL. NOTHING SUCCEEDS LIKE SUCCESS. The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPROSY to the simplest disease known to the human system. The scientific men of today claim and prove that every disease is CAUSED BY MICROBES, AND Radam's Microbe Killer Extirminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter what the disease, whether a simple case of Malarial Fever or a combination of diseases, we cure them all at the same time, as we treat all diseases.

Asthma, Consumption, Catarrh, Bronchitis, Rheumatism, Kidney and Liver Disease, Chills and Fever, Female Troubles in all its forms, and, in fact, every Disease known to the Human System.

BEWARE OF FRAUDULENT IMITATIONS! See that our Trade-Mark (same as above) appears on each jug. Send for book "History of the Microbe Killer," given away by E. S. LEADBEATER & BRO., Agents, Alexandria, Virginia.
