

LOCAL MATTERS.

FRIDAY EVENING, JUNE 19.

For this section light rains, slightly warm, & clear winds.

IMPROVEMENTS AT THE HIGH SCHOOL.—The large improvements at the Episcopal High School begun several weeks ago will be finished in time for the opening of the school in September. They will put the school abreast of the best in physical comfort, as it has been among the best in intellectual improvement. No less than 21 Episcopal High School boys, during Mr. Blackford's time, have become ministers, and of the teachers seven have been ordained. A movement was set on foot some weeks ago among the old boys of the school since 1870 and a call issued for funds to erect upon the school grounds, as a memorial to Col. Horton by his former pupils, a cottage as a residence for his family. Encuz, including contributions from many not old boys, has been raised to assure the success of the plan. It is expected that the cottage will be ready for occupation before the opening of next season.—Southern Churchman.

ADDITIONS TO THE CAVALRY BARRACKS.—The additions to the cavalry barracks at Fort Myer, in this county, have been completed, making room for a considerable increase in the number of troops stationed there. One additional troop has already been ordered there and will arrive before the end of June. The troop selected is troop H, of the eighth cavalry, commanded by Capt. S. W. Fountain, and is presently stationed at Fort Keese, Montana. It is possible that before long another troop may be ordered there, making a full battalion. The troops are present stationed at Fort Myer are I, the seventh and K of the ninth. The only other regular troops in the neighborhood of Washington are batteries of the third artillery stationed at Washington barracks.

MASONIC.—Andrew Jackson Lodge No. 129, A. F. & A. M., elected the following officers last night to serve the ensuing year: Joseph E. Cox, W. M.; W. E. Whittlessey, R. M.; H. K. Field, J. W.; Geo. F. Steiner, Treasurer (2nd time); James E. Alexander, Secretary (2nd time). The following appointments were then made: S. Frank Field, D.; Charles Deidel, J. D.; S. K. Field and Charles L. Fisher, Stewards; Jas. Gray, Tyler. The presentation of a life membership certificate in the Masonic Home Association of Virginia to E. W. F. A. Reed was made by the lodge through Mr. J. E. Alexander in an appropriate speech, which was heartily responded to by Mr. Reed.

CHILDREN CARED FOR.—Seven little children, the oldest 11 and the youngest 3 years of age, of James Wilson, who was a few days ago sent to the work house, were yesterday sent to an orphan asylum in Washington, where they will be cared for. The other child, a baby less than two years old, was taken by a relative in this city. The mother of these children died in great want a few weeks since and the father, as stated above, was recently sent to the work house for being drunk and abusing his children. Through the kindness of friends and a letter from Mayor Downham the little ones were secured a home in the asylum.

POLICE REPORT.—Last night was rainy and mild with two prisoners and one lodger at the station house.

The Mayor this morning disposed of the following cases: Albert Green, colored, for an assault on Jesse Simms, also colored, was fined \$2.00.

Martha Lewis, colored, for disorderly conduct, was fined \$1.00 or given 10 days in jail.

Jas. Harris, colored, charged with stealing a pair of shoes, was discharged for want of evidence.

INDUSTRIAL NOTES.—A handsome new stationary engine arrived here yesterday and was to-day put in position at the pickle works on Union street, which are soon to be put in operation by Mr. Murdaugh, of Fredericksburg.

The new engine which is to run the machinery of the wire mill manufacturing on Union street, near King, will be gotten in position by to-morrow night. This machinery will soon be in full operation and will employ twenty hands.

LETTER CARRIER APPOINTED.—Mr. Geo. Keegan, son of the late Patrick Keegan, has been appointed letter carrier in place of Mr. Charles Howard, who has recently resigned. Mr. Alvin Powell, who has been filling the position for the past few weeks, will continue as substitute letter carrier. The appointment of Mr. Keegan has not been favorably received by a number of republicans, who say hereafter they will vote the democratic ticket.

DEATH OF A YOUNG LADY.—Miss Maggie Lynn, youngest daughter of Mr. Sarah F. Lynn, died last Friday morning of abscess of the lungs. She was in the twenty-fourth year of her age. Her remains, accompanied by relatives, were carried to Alexandria, and interred beside those of her father who resided there during his life. Her funeral took place early Saturday morning.—Culpeper Exponent.

A FESTIVAL AND LAWN PARTY for the benefit of the railroad reading rooms was held last night and will be continued to-night. All hope for its success, as the object is to purchase a piano to make the rooms as attractive as possible. Refreshments of all kinds have been furnished by the ladies.

SUDDEN DEATH.—Joseph Bryant, son of George Bryant, a well-known colored carpenter of this city, dropped dead this morning while walking across his yard on Gibson street, between Washington and Columbia. He had been sick for a long time.

A Girl Fiend

There is a girl in jail at Newburg, N. Y. If all the charges against her are true, she is the incarnation of viciousness and depravity. She is under arrest for horse stealing, but will also be charged with arson and murder. Within three months she is said to have married an old farmer, burned down his house, mill and barn, roasted his weak minded son to death in one of her fires, and wound up by running off with a Newburg livery team and surrey and trading them for other horses and a wagon in the Shawangunk Mountains. The girl was arrested in Newburg Wednesday night on a charge of grand larceny on complaint of a liveryman, and she then gave the name of Jennie Williamson. The complainant charged that the girl had stolen a fine team of horses and a carriage that she had hired of him on Thursday morning. When arrested she was near a gypsy camp and had only a spavined team of horses and an old buckboard wagon with her.

GOLD ORE DISAPPEARS.—The Russian government appears to have abandoned all hope of discovering the fate of Capt. Alexandre Maximovitch Osereky, who in 1890 left Irkutsk, Siberia, in command of a military guard which was to have escorted to St. Petersburg a transport train laden with gold ore from the Siberian mines. Since then absolutely nothing has been heard of officer, man or train. They seem to have completely disappeared as though the crust of the earth had opened, drawn them in and closed above them. Still as couriers leave St. Petersburg they invariably carry with them copies of a ukase published in the official Monitor, which reminds Russian subjects of the facts in this strange case, and calls upon them to exercise themselves in assisting the government to solve the mystery. The value of the ore under convey amount to several million roubles.

THE YOUNG MAN FAINTED.—While a young man and young lady of Abbeville, Ga., were gathering plums the young lady stepped on the head of a black snake. Her first intimation of the situation was the presence of the snake's coil around her ankle. She shrieked and swooned. The young man flew to the rescue, but the reptile was moving slowly away when the excited youth assailed him. The snake showed fight, and striking with his full force fastened his fangs in the man's waistband. The horror of his predicament overcame him, and fainting, he in turn fell to the ground. The young lady was first to recover, and when her brain returned to consciousness the snake had disappeared.

It is said that some of the democratic politicians of Cincinnati who are opposed to Governor Campbell will try to secure the nomination of Mr. M. E. Ingham, President of the C. & O. R., for Governor of that State.

MONETARY AND COMMERCIAL.

Business has been rather slow during the week, as is usual just before harvest. In monetary affairs there is nothing of especial interest to note and rates for money remain unchanged. In New York yesterday money on call was easy, ranging from 2 to 2 1/2, last loan at 2, and closing offered at 2. Prime mercantile paper 5 1/4. In Baltimore money was steady, but did not work close, and business men were accommodated by the banks at 6 per cent. Call loans were moderately easy, and it is stated that there has been little occasion for lenders to give their clients short notice. State securities were firm, and there were sales of \$11,000 Virginia new 3s at 65, and \$4,000 do, ten for 33. There is little change in local shares.

NEW YORK, June 19.—The stock market was still narrower this morning. The list was almost entirely neglected and continued entirely devoid of feature throughout. The opening was dull and steady, and late in the hour a heavy tone was developed and small fractions were lost. At 11 o'clock the market was dull and heavy, generally at a shade below the opening figures.

BALTIMORE, June 19.—Virginia consols—do 10-40s 33 bid; do 3s 65.

Table of Wholesale Prices of Produce in Alexandria. Columns include item name and price per unit.

Flour is quiet and steady at unchanged prices. The wheat markets are very irregular, alternately strong and weak, every "strong" showing "in the weak" a loss of 1/2c per bushel on the entire list of futures; sales of spot wheats ranged today at from 90 to 105; only choice samples sell at extreme quotations, other sorts being hard to dispose of. Corn is rather more active at an advance of 2-3. Rye is firmer at 70c. Eggs are scarce at 15c. Butter, Potatoes, Chickens, Veal Calves, Lambs, Vegetables and produce of all kinds are in very good demand. Wheat Bran and other millfeed are higher. Hay and Straw are dull. But little Cottonseed Meal and Hominy Chop are sold at this season of the year.

The Effect Was Magical. I suffered from cancer on my lip that defied the skill of the best physicians of the State. I had it burned out, but the operation only made it worse, causing it to spread over more surface and eat deeper in. I finally used Swift's Specific (S. S. This was over four years ago, and I have not had a return of the cancer. I will cheerfully answer any inquiries in regard to my case. ENOS YOUNG, Bradford, Ohio.
