

LOCAL INTELLIGENCE.

Sun rises to-morrow at 7:17; sun sets at 5:11. High water 11:26 a. m. and 10:11 p. m.

WEATHER PROBABILITIES.—For this week: threatening weather and probably heavy rains; warmer to-morrow morning; weather generally increasing in force. The weather will clear by Tuesday evening. Severe gales are likely to occur on the Virginia and North Carolina coasts to-night and to-morrow.

PRISON COURT.—Mayor Strauss presiding.—The following cases were disposed of this morning: Sidney Johnson, colored, arrested by Constable Knoxville, of the county, for tampering with the brake of a car on the Washington Southern Railway, was fined \$10 or given sixty days on the chain gang.

Wm. Smith and Albert Jones, arrested by Officers Ferguson and Smith for being drunk and disorderly, forfeited their collateral.

Mollie Galloway, colored, from Washington, arrested by Officers Ferguson and Smith, charged with disorderly conduct, was ordered out of the city.

A white man, arrested by the same officers charged with assaulting the Galloway woman, was fined \$2.50.

George King and Futs Olden, colored, arrested by Officers Ferguson and Smith for an assault on a saloon keeper, were fined \$15 each. Ten dollars additional was put on King for contempt of court. They will both go on the chain gang.

Howard Skelton, colored, arrested by Officer Griffin for gambling, was held, he being a member of the chain gang.

Rebecca Quill, colored, arrested by Officers Bettis and Young, for disorderly conduct, was fined \$1.

Nellie Quill, colored, arrested on the same charge, had her case continued.

Eight white boys, charged with gambling, were fined \$1 each.

In the case of Wm. Thomas, arrested by Officer Smith, charged with selling liquor on Sunday, the Mayor reserved his decision.

Night Report.—Last night was clear and cold. Two prisoners and twenty lodgers were at the station house.

TAMPERING WITH A BRAKE.—A colored individual named Sidney Johnson, who lives near the Episcopal Theological Seminary, boarded the ten o'clock local train from Washington to this city on Saturday night. He was drunk and soon made his presence known by becoming an annoyance to the other passengers. When the train reached this city he remained aboard.

It is customary when all the passengers have vacated the cars to run the train up the track. The engine is then cut off and run ahead, in order that the coaches may make a "flying switch" by coming in on the eastern track. After the locomotive had left the cars Johnson, in a spirit of mischievousness, put the brake of one of the coaches down and brought the train to a standstill. The conductor took him in custody and turned him over to an officer. This morning Mayor Strauss fined the accused \$10.

DEATH OF MRS. DOUGLASS MITCHELL. Mrs. Gertrude Carter Mitchell, wife of Mr. Douglas Mitchell, youngest daughter of Mr. Westwood Carter, formerly of Virginia, and sister of Mr. O. F. Carter, of this city, died at Colorado Springs, Colorado, on Sunday, the 19th inst. The deceased, who had undergone a severe surgical operation, had been sick for about three months. Mrs. Mitchell, who was 32 years of age, had been married about seven years, and leaves a daughter between four and five years of age. The deceased came of one of the oldest families in the State. She was a niece of the late General Turner Ashby, of Confederate fame. She was a lady of genial and affectionate disposition and was naturally beloved by all who knew her.

SENT TO JAIL.—Mr. Louis A. Cuviller, of this city, appeared in court in Washington Saturday and informed Judge Miller that he did not wish to pay the fine which had been imposed upon him by the court for "capping" or soliciting clients. Judge Miller told Mr. Cuviller that he had acted in a very unbecoming manner, having promised him several times during the week that he would pay the fine and in each case failing to do so. He had hoped Cuviller would take the sentence in the spirit in which it had been imposed. He was ordered into the custody of the marshal and taken to jail. Dick the driver, said that he had no front seats for Mr. Cuviller to ride on and that he must go inside with the other prisoners, which he did.

THE GRACE CHURCH MISSION.—Yesterday at Grace Church the first mission service was held at 2:30 p. m. for men only. The attendance was very large. The addresses were interesting and instructive and were listened to with close attention. At 4:15 p. m. three children were baptized. Then followed the children's service, lasting until 5:30 p. m. Mr. Reynolds has a happy faculty for interesting children, and when they were asked if they wanted to come next week they all with one accord held up their hands. Evening prayer was said at 7:30 with a sermon by the missionary. At this service and also at the children's service the church was crowded.

PERSONAL.—Councillman P. R. Evans, who has been quite sick for the past week is getting better.

Mr. and Mrs. E. C. Dunn have returned from their wedding trip.

Mr. G. W. D. Ramsay, who has been spending the summer with his daughter, Mrs. Compston, at Salem, has returned to his home in this city.

Rev. Carl Grammer, one of the professors at the Theological Seminary, has declined a call to the rectory of St. Paul's Church in this city.

Cards are out for the marriage of Mr. Thomas W. Robinson and Miss Fannie Johnston, which is to take place on the 5th proximo.

Miss Roberta Stuart has returned from a visit to her brother, Dr. R. H. Stuart, of Westmoreland county.

JEFFERSON PHILLIPS.—In the Corporation Court on Wednesday next Mr. S. G. Brent will ask the court to direct the City Sergeant to have Jefferson Phillips confined in the upper story of the city jail. Phillips, who is under sentence of eight years in the penitentiary for the killing of G. S. Smith, but whose case is now before the Court of Appeals, has a room in the upper story of the jail where he spends the day but at night is confined in a cell on the first floor. His counsel says his health is being affected by this cell confinement and will ask for a change.

ANOTHER JAIL BIRD IN TROUBLE.—Howard Skelton, colored, whose term on the chain-gang will expire on the 10th of next January, was arrested yesterday afternoon by Officer Griffin for gambling in Yates's garden. A pack of cards and the "pot," (some small change) was also captured. When brought before the Mayor this morning Skelton denied that he was gambling and said he had been let out of jail in order that he might go to his home and get some clothes. He was held until an examination could be made into his case.

THE BIBLE IN THE PUBLIC SCHOOLS. Their is a movement on foot in this city among some persons to have the Bible in the public schools brought before the School Board. Those who favor the feature say it is done in some other cities in the State, and they are anxious to have the scriptures read in the public schools here. The arguments pro and con which have been urged for the past quarter of a century are again brought forward by the champions of both sides.

A TRAMP last night knocked at the door of the residence of Mr. Jas. Dove, on south Fairfax street, when Mrs. Dove responded. The man asked Mrs. D. if her husband was at home and on being told that he was not, attempted to force his way into the house. Mrs. Dove, who was much alarmed, gave the man a violent push, which caused him to fall from the steps, and then she screamed and slammed the door. The tramp in the meantime ran off, but not before he had caused much excitement in the vicinity.

REAR-END COLLISION.—About eleven o'clock yesterday morning the second section of freight train No. 43 (south-bound) on the Virginia Midland Railway ran into the first section near Profit's station, a short distance this side of Charlottesville. The caboose of the first section was demolished, and catching on fire, was burned. Several other cars were more or less damaged. Brakeman Gooding, of Rapidan station, was painfully though not seriously hurt. The track was soon cleared.

LOCAL BREVITIES.

All the churches were well attended yesterday.

The steamer George Law is on the ways at the shipyard for repairs.

The stockholders of the Ebbitt House Hotel Company of Washington met here to-day and elected officers.

It is reported that the Alexandria Assembly will suspend their semi-monthly dances for the present.

Mr. Charles Goodrich, who lost \$190 on the road from Washington to this city on Friday night last, has heard nothing of the money.

The concert to be given at the Opera House to-morrow night by the Washington Concert Company promises to be an interesting affair.

An unfounded rumor was in circulation to-day to the effect that the Washington "slasher" had invaded this city and damaged the furniture in the residence of one of the Alexandria ministers.

In the Corporation Court on Wednesday the suit of City Sergeant Smith against the city to recover the amount of money paid for fuel furnished the jail for the past ten or twelve years will be heard.

Mr. C. A. Strangmann has purchased from the Alexandria Real Estate Company a small lot on Wythe street, between Washington and Columbus, for \$100, and a lot adjoining from J. J. Johnson for \$300.

Virginia Methodists.—At Saturday's session of the Virginia Methodist Conference in Danville the trustees of the hall fund reported that they had not funded the Virginia bonds held by them, and therefore, had no assets to report.

The total receipts reported by the trustees was only \$100, which was ordered paid over to the joint board of finance.

Memorials to the General Conference were offered and referred, praying that districts be laid over with not more than 50 charges instead of 20, as now; also that the Virginia Conference be divided into two, to be called North Virginia and South Virginia, the James and Elizabeth rivers forming the boundary line between them. The spirit shown when this latter memorial was read indicated that a proposition to divide the conference is distasteful to a majority of the members. Another memorial proposed to make it obligatory for presiding elders to be returned to the pastorate after serving four years as elders.

The following having passed examination, were elected deacons: Chas. H. Galloway, B. M. Beckham, W. C. Smith, John B. Wind, E. F. Garner, G. H. Spooner, Asa Driscoll and S. W. Day. Deacons' orders were refused to W. J. Williams, but he was continued on trial. F. B. Glenn, at his own request, was discontinued.

The entire class, including L. L. Banks, J. B. Austin, E. Potts, A. S. J. Rice and W. E. Thompson, who had already been ordained local deacons, was brought before the hall of the conference, and the bishop delivered to them a most earnest, impressive and eloquent charge, after which the questions as provided by the discipline were asked, and then, by vote, all were received into full connection except W. C. Smith, who was continued on trial.

The call of question, "What local preachers are elected elders?" resulted in the passing and election of R. F. Beadles, Richmond; G. James, Luther T. Hitt, Joseph T. Latham, R. L. Latham, Robert E. Bentley, John R. Gill, W. A. Christian, Dr. Henry E. Johnston, Dr. Geo. W. Carter, A. L. Carron, J. K. Jolliff, R. W. Webb, J. B. Chitty, and Geo. S. Green.

The following failed to pass examination on studies, and were continued: J. W. Baker, C. H. Williams and J. A. Thomas.

H. C. Bunting also failed one examination, and, at his own request, was discontinued.

The conference brotherhood, which is a sort of preacher's benefit society, held a meeting Saturday afternoon. The secretary reported collections for the year \$483. The following officers were elected for the ensuing year: President, J. J. Lafferty; vice-president, E. M. Peterson; secretary and treasurer, G. C. Vanderalice; assistant secretary, W. P. Wright; district vice-presidents, C. W. Hunter, Richmond; R. E. Richardson, West Richmond; Lyttleton Cockrell, Rappahannock; C. D. Brooder, Charlottesville; Richard Polard, Lynchburg; James E. Schoolfield, Danville; G. B. French, Danville; L. L. Marks, Petersburg; L. M. C. Mullin, Suffolk; S. N. Brickhouse, Norfolk; F. T. Boggs, Eastern Shore.

Bishop Granberry preached yesterday morning at Main Street Methodist Episcopal Church and after the sermon he ordained the eight deacons who were elected Saturday. At night the Bishop ordained a class of elders. This service took place at Mount Vernon Church.
