MEDICINAL.

TO BRING UP your weight in firm, sound, healthy flesh, after the "Grip," or Pneumonia ("Lung Fever"), Bilious or other Fevers, or any wasting disease; to thoroughly purify your blood, rouse your liver to healthy action, and brace up your system when you feel "run-down" or "played-out"—take Dr. Pierce's Golden Medical Discovery.

Arrington, Nelson Co., Va. Dr. R. V. Pierce: Sir—Allow me to offer my thanks to you for my good health since using your "Golden Medical Discovery." I was but the shadow of a person, so thin and bony, without one moment's ease, had suffered for years with my stomach and liver, and this spring had a very severe attack of La Grippe. I then commenced using the "Discovery," and my recovery is wonderful. I am forty-five years old, and feel as well and strong as I did when sixteen years old; my sleep is as sound as an infant's I remain.

Yours thankfully,
R. A. Giles

DEATHS IN 1894.

The following are the names of most of the Alexandrians who have died during the year which closes to-night. Only the deaths of white adults are chronicled, and the list really embraces no more than one-third of those who have paid the debt of nature during that time, colored people and children being omitted. Each name marks a gap in some household which started out in 1894 as auspiciously as many will do to-morrow. Those gone before were adding joy to family groups during last year's holiday season, but now sleep "neath the winter's snow." Sad thought, but an issue all are destined to meet and which casts a sombre shadow o'er the transient happy scenes which mark the journey from the cradle to the grave.

Women Are Martyrs

to neuralgia, headache and nervousness—many men suffer also.—Mrs. VILLA H. MAPP, White Plains, Ga. was broken down in health when she began taking

Brown's Iron Bitters

In a unsolicited letter (June 29, 1894) she writes: "About 9 or 10 years ago I was broken down in health and suffered from extreme nervousness, and severe neuralgic pains afflicted different parts of my body—sometimes the dreadful pain would be in my eyes and head, sometimes in my hand and often in my shoulders and neck. I took many remedies, but found none like Brown's Iron Bitters. I have used a few bottles every year since. I often praise it to others."

One more day of shopping, and the rush will be over. Just one word for this last day. We have wired two factories for Banquet Lamps and Tables; and they will be here MONDAY. The demand has exhausted our supply; and if our prices were not lower than other dealers, this would not have been the case. As it is in this line, so is it in all others. When you buy China and Glass you want to be sure that you are getting it good; and a regular dealer in this line knows his business and you feel safe in buying of him. Then remember that on this coming Monday you want to finish up your shopping with us. Look us over, we have bargains left yet; and you can secure them. If you have been to Washington looking round, then we especially invite you to come in and compare with our prices. You will be surprised when you do this, to find we are offering the very best as low as the Cheap-Johns offer their odds and ends.

IS YOUR BOOM COLD?

At a cost of ONE CENT an hour, a "MILLER" HEATER will make it as comfortable as you can desire. THERE IS ONLY ONE PLACE TO BUY THEM IN ALEXANDRIA.
