CALLED AGAIN.—At a meeting of the vestry of Christ Church, Alexandria, on Monday last, that congregation, through its vestry, again called the Rev. Berryman Green, of St. James church, to the rectory of that church. A delegation from that vestry came to Leesburg on Thursday last and presented the call and conferred with the vestry of St. James church. Mr. Green has this call under consideration, but it is understood that he will accept it, and soon become the rector of that church, much to the regret of his congregation here and our community.—Leesburg Washingtonian.

Mr. Green is one of the most promising young ministers in the diocese of Virginia and the congregation of Christ Church will be most fortunate should he decide to become their rector.

LATE.—Rev. Mr. Green this evening telegraphed to a friend in this city saying that he has accepted the call to Christ Church.

FINED FIFTEEN DOLLARS.—An individual known as Red Martin, who desired to attend the boxing match in this city last night, attempted to borrow a sufficient sum of money for that purpose from a man named James Coleman, in the county, a short distance from this city and within the prescribed one-mile jurisdiction. His negotiations failed and he assaulted Coleman, cutting his head severely. Martin, after attending the match, became drunk and knocked for admittance at a house kept by Annie Brantman. He was told he could not enter, when he broke in the door and went into the house. The woman sent for a policeman and Officer Atkinson responded. He found Martin and put him under arrest, when the latter became abusive and defiant. When brought to the station house Martin was confronted by Coleman, who had applied for a warrant for his arrest. This morning when brought into the Police Court he pleaded guilty to both charges and was fined \$5 for the offense charged by the woman and \$10 for that urged by Coleman. The latter and Martin are employed at Alexander's Island.

POLICE COURT.—The following cases were disposed of this morning: Red Martin, arrested by Officer Atkinson for defacing property and for assault, was fined \$15.

Two men, arrested by Constable Webster charged with disorderly conduct in a public hall, were fined \$5 each.

Wm. Bright, arrested by Officers Deane and Wilkinson as a suspicious character, was sent to the chain gang for ninety days as a vagrant.

Wm. Douglas, colored, arrested by Officer Ferguson for drunkenness, was fined \$1.

Amos Robinson, a colored boy, arrested by Officer Atkinson for assaulting Arthur Brent, also colored, was fined \$1.

Night Report.—Last night was cloudy and cool. Five prisoners and thirteen lodgers were at the station house.

SENT TO THE CHAIN GANG.—About one o'clock this morning Officers Wilkinson and Deane while patrolling the Third ward heard a noise as if made by some one endeavoring to break into a house. They proceeded in the direction from which the sound came when they saw some one run. The fugitive was pursued and caught and he was identified as a sixteen-year-old youth by the name of William Bright, who is one of several brothers who have given the police trouble for three or four years by pilfering about the city.

A SALE was held at Indian Head yesterday of steel armor plate and shot which had been used in tests at the proving grounds at that place. About 500 tons of battered and broken steel plate was purchased by agents of the Carnegie works for \$11.50 per ton. The shot and shell were purchased by Philadelphia parties for 30 cents per 100 pounds.

THE MARKET to-day was well supplied with everything in season. There was an abundance of poultry, country pork, and lambs, butter, eggs, etc. Prices were about the same as those of last Saturday.

Mr. James W. Smithers, yardmaster of the Southern Railway, in this city, was painfully injured last night while at work in the yard. He was getting off the platform of a car when he slipped and fell to the ground. He was picked up and carried to his home on south Alfred street where he received proper attention.

THE EPISCOPAL HIGH SCHOOL.—At a meeting of the trustees of the Episcopal High School held in St. Paul's vestry room in this city on Wednesday last a resolution was unanimously adopted that the school be continued for the year of next July. The terms of the offer were changed from those heretofore allowed, but Mr. Blackford was to remain as principal. The interest of the trustees in the management of the school was increased, and improvements in the grounds and buildings were provided for.

A committee, composed of Bishop Peterkin, Judge Theodore S. Garnett, and Mr. Joseph Bryan, were appointed to confer with Mr. Blackford, who was in the city, and after full consideration Mr. Blackford accepted the terms of the agreement, and will continue as principal for the full term. He will have the full support of the trustees, and the prospects of the school seem to be more favorable than ever.—Rich Times.

The following officers were elected to serve without compensation for one year: John T. Chancey, president; T. B. Harrison, vice president; Frank Ourand, recording secretary; John B. Hammond, treasurer. A number of members were enrolled and a constitution and by-laws were adopted and ordered printed.

PRIZE FIGHTS.—Two "bouts," as they are called, came off last night at Henry's Theatre. The first was a four-round bout between two local colored lads, Turner Jackson and Jerry Sims. No decision was given in this. The "attraction" was a fifteen-round go-between "Jack" Daly, of Wilmington, and "Jimmy" Lynch, of Brooklyn. Daly knocked Lynch out in fifteen rounds and then the fight was stopped by the police. The fight was a brutal one and Lynch was badly cut and bled freely.

MEETING OF COUNCIL.—The committee on streets met last night for the purpose of considering the ordinance to allow the Home Telephone Company to erect poles and place wires in this city. The committee so far perfected the ordinance as to enable them to submit it to a meeting of the City Council, which will be held on Monday night next. The meeting has been called by the Mayor at the request of five members, who have petitioned him to do so.

ASKED TO BE LOCKED UP.—William Douglas, colored, who has just finished a term on the chain gang for drunken and disorderly conduct, became intoxicated again last night and told the officer in charge he had been arrested on the street and ordered to the police station to be locked up. He was accommodated and this morning was fined \$1. Douglas is an old Alexandrian, and has been working in the shipyards here for the last forty years.
