AN INTERESTING RELIC.—There was exhibited in this office to-day by Mr. Edgar Warfield, ex-Adjutant of R. E. Lee Camp, an interesting relic in the shape of the flag presented to the Alexandria Riflemen on the 22nd of February, 1861. The occasion was probably the most interesting ever experienced in Alexandria, there having been more interest manifested in the celebration of Washington's birthday that year than on any recurrence before or after. The reason is apparent—the clouds of war were gathering and Alexandria was up in arms, while military companies from other places in the State were here.

The first companies turned out in force and there was a general suspension of business. The flag was presented to the Riflemen by the late F. L. Smith, esq., in a most appropriate speech, and was received on behalf of the company by Capt. Morton Myrte in a few fitting remarks. The flag is five feet long and four wide, is made of silk, tastefully bound with gold fringe. The staff was made from the tree under which the Culpeper Minute Men assembled in 1776. On the top of the staff was a massive cord tassel of blue and gold. On one side of the flag is the coat of arms of the State with a wreath representing tobacco, corn and wheat, the three Virginia staples—intertwined and supporting two scrolls, on the upper one being the name of the State, and on the lower "Sic semper tyrannis." On the reverse the ground work is of lemon-colored silk, which bears the following: "Presented to the Alexandria Riflemen by the Ladies of Alexandria, February 22, 1861." The painting on the flag was executed by Mr. Albin Hurd.

When the federal troops occupied this city on the morning of May 24, 1861, in the hurry in which the Alexandria troops departed the flag was left in the arms of the Riflemen at the corner of King and Columbus streets. Soon thereafter some ladies entered the hall and secured the flag, and subsequently it was taken, hidden under the skirts of one of them, into the Confederate lines and turned over to the Riflemen. In the meantime the Alexandria companies had been formed into a regiment, so the flag was not used in battle but was kept by different members of the company. At the close of the war it was taken to the home of one of the men in one of the upper counties of the State and finally found its way to the home of a gentleman in the Valley, who exhibited it as a relic. There it was seen by a former Alexandria lady, who, after many trials, secured the flag and has now sent it to this city.

The GAZETTE of February 23rd, 1861, gives a most interesting account of the flag presentation and celebration of the 22nd in this city. The Loudoun Guards were entertained here that day and there was a grand parade, followed by a mass meeting at Liberty Hall, where speeches were made by Capt. K. Kemper and Dr. Harold Snowden. This file of the GAZETTE is now at this office, so that those who are interested in the matter may have an opportunity of reading the account published at the time.

A CORRECTION.—The statement published on Saturday to the effect that Harry Rice, proprietor of a saloon on the northwest corner of Princess and Fairfax streets, was before the Mayor that morning charged with keeping a disorderly house and with using insolent language toward an officer in the discharge of his duty, was incorrect, and did Mr. Rice an injustice. He was not before the Mayor on any charge but was present only as a witness in the case of a woman who had been arrested on the charge of disorderly conduct. During the trial it developed that a war of words had taken place between Mr. Rice and the officer who entered his place to make an arrest, Mr. E. believing that the officer was too dictatorial in his manner toward him. Mr. Rice states that he endeavors to keep order in and about his premises and was much hurt at a report being published that he was charged with keeping a disorderly house. He has never been arrested on any charge.

POLICE COURT.—Mayor G. L. Simpson presiding.—The following cases have been disposed of since yesterday: Wm. Gardner, colored, arrested by Officer Young for conducting a business without a license, forfeited \$3. Samuel Mills, arrested by Officer Young for drunken and disorderly conduct, was fined \$2.50. James Tims, colored, arrested by Officers Ticer and Davis for assaulting and beating George Chichester and Arthur Mankin, was fined \$5. Arthur Mankin, arrested by Officers Arrington and Davis for assaulting and beating Thomas Mann, was fined \$5. Walter Poey, Robert Poey and Charles Norris were to-day arrested on a warrant issued by Mrs. Norris charged with disorderly conduct. Another young man living in the same neighborhood was arrested on the same charge.

NIGHT REPORT.—Last night was clear and cool. One lodger was at the station house.

ARM AMPUTATED.—The condition of George Cleveland, who was shot by Mr. F. W. Brawner on Friday morning, is still regarded as critical. Mr. John Cleveland, of Washington, father of the wounded man, spent yesterday with his son at the infirmary. The young man reiterates that he knows nothing of the circumstances leading up to the shooting, and acknowledges that he had been drinking heavily. From an examination made of the wound Saturday night it was found that the ball did not penetrate the lung. The bullet only grazed the right lung, severed an artery, plowed into the right arm and resulted in indications of blood poisoning. It was decided to amputate the arm, and shortly before noon yesterday the member was removed at the shoulder. The operation was performed by Dr. Slaughter, assisted by Drs. Howard, Smith, Purvis, Miller and McGuire.

A NEGRO BURGLAR.—The family of Mr. Wm. Simpson, residing on Alfred street, between Gibbon and Franklin, were badly frightened last night by the discovery of a burglar in one of their bedrooms. Mr. Simpson was absent from home at the time, and Mrs. Simpson, who is in ill-health, had retired. The lady was startled by the screams of her little girl, and on hurrying into the adjoining room saw a burly negro jump through a rear window. The screams of the family attracted assistance, and a thorough search of the neighborhood was made, but the burglar escaped. The child stated that she was awakened by the negro taking hold of her. The police are endeavoring to find the negro, although they have but little to go on.

The Corporation Court adjourned to-day until the September term.

COUNTY LEVY.—The county supervisors met to-day, with all the members present, and fixed the county levy as follows: For county purposes, 35 cents on the \$100 of property; for road purposes—Jefferson district, 25 cents; Arlington district, 50 cents, and Washington district, 50 cents on the \$100 worth of property; for school purposes—Jefferson district, 30 cents; Arlington district, 40 cents, and Washington district, 25 cents on the \$100 worth of property; for new courthouse purposes—3 cents on the \$100 worth of property and 50 cents upon every male citizen over 21 years of age. The board then audited some accounts and adjourned till next Monday.

RAILROAD MISSION NOTES.—A most interesting service was held in this city yesterday afternoon in the auditorium of the Reading Rooms by Rev. L. I. McDougle. Mrs. W. H. McCuen, of Grace Church choir, very beautifully rendered a solo, which was much enjoyed by the large crowd present. Revs. O. D. Seward and J. E. Thacker were present and assisted in the services. To-night at 7:45 o'clock Mr. J. T. Smith will conduct the service in the Reading Rooms, and another large crowd is expected.

DECREES.—Before the Corporation Court adjourned on Saturday evening until the September term the following decrees were entered: Phineas Janney et al. vs. S. H. Janney et al.; S. G. Brent appointed guardian ad litem of Mahlon Janney, an infant defendant in this case, and case referred to commissioner for report. E. E. Murray vs. Florence Myers, report of Commissioner Kemper confirmed and final decree.

SUIT.—Mr. C. W. O'Meara to-day entered suit against the Southern Railway Company for \$10,000 damages for personal injuries resulting in the loss of his right arm. On August 22nd last Mr. O'Meara, while cleaning his machine in the company's shops in this city, got his hand caught in the machinery and his arm was so badly crushed that amputation was necessary. He claims that the accident resulted from the negligence of his superiors in the shops and brings suit to recover damages.

DEATH OF AN OLD CITIZEN.—Mr. Charles Shirley, one of the oldest residents of this city, died at his home, on Royal street, near King, shortly after 2 o'clock this morning in the 81st year of his age. The deceased had been blind for some time. Mr. Shirley for many years held a government clerkship in Washington. He was at one time during the war a member of the City Council of this city.

LOCAL BREVITIES.

A fight occurred near the Stone bridge Saturday afternoon between two white and one colored man, which resulted in the arrest of the parties. The schooner Lydia M. Deming, now lying at Reed's wharf with a cargo of ice, was libeled this afternoon by Deputy Marshal Glover for wages due the mate.

Some excitement was caused on south Lee street late yesterday evening by the report that a mad dog was in that neighborhood. There was a general housing of children, but the excitement soon subsided.

Wm. Cook, colored, an old and respected resident of this city, has become deranged and was to-day taken to the station house and from there to jail, where he will be confined until he can be sent to an asylum.

Twelve carrier pigeons were brought from Washington on the 3:30 o'clock ferry boat yesterday afternoon and liberated just before the boat landed in this city. The birds immediately took flight toward Washington.

Mr. W. F. Burdick, of Onancock, Va., will deliver an address on one of the most interesting topics of the day at the Methodist Protestant church this evening at 8 o'clock. The public is invited and a pleasant evening is promised. There will be no admission fee charged but everybody will be welcome.

About 12:30 o'clock Saturday night Mr. W. D. Grillbriker, of West End, was arrested by the watchman of the glass works in that neighborhood, who told him that a number of tramps were at those works and threatened to take possession. Mr. Grillbriker hastily summoned a number of villagers and proceeded to the neighborhood of the glass works where eight tramps were found drunk enough to be in an ugly mood. The tramps, however, seeing that the villagers meant business, left the premises when they were ordered off. The people of West End are thinking of having a special officer appointed to that neighborhood.

The Lieutenant of the Police on Tuesday night, after considerable whistle blowing, finally succeeded in finding the two officers who were supposed to be patrolling the First ward beat. They were, it is said, at an engine house—one reclining on a bench and the other taking it easy in a sitting chair. They were both reported to the Mayor.

The lower end of Prince street was thrown into a state of excitement about 12:30 o'clock to-day by a row among neighbors. The language used was more forcible than elegant and the charges made were very cringing. The row resulted in a warrant being sworn out against three of the parties for abusive language. Mrs. Julia Abbott died on Saturday night at the residence of her daughter, Mrs. H. M. Laupheimer, on Royal street, aged eighty-one years. She leaves several sons and daughters who live in Washington and Baltimore. During her residence in this city she made a large circle of acquaintances. Alick Howard, a well-known and generally respected colored man, who had been in the employ of Mr. J. M. Hill for the past twenty-five years, died at his home on north Patrick street at an early hour yesterday morning of Bright's disease. He leaves a widow and several children. George Oberon, colored, was arrested in the county yesterday for an assault on Emma Granderson, also colored. He was fined and put under bond by Justice Stevens to keep the peace, and failing to give the bond was sent to the jail in this city. This morning he secured his bond and was released. Mr. J. R. Eshaynes was to-day given the contract by Capt. Chas. Entwistle for the brick work of a large store and dwelling to be built at the corner of Oronoco and Columbus streets. The churches were only fairly well attended yesterday, as so many people are out of town. The services were conducted according to the announcements on Saturday. A resident of the First ward while in a boat at the Dyke yesterday was upset, and his wife, fearing he would be drowned, hurriedly dove into the water to save him. Ellen Hensen, colored, was arrested this morning by Officer Ticer charged with stealing a handsome diamond earring from the residence of Mr. A. W. Arm strong. Messrs. J. A. Diemel & Co. have sold their drug store at the corner of King and Alfred streets to Mr. Richard Gilson, who will in the future conduct the business there. The weather yesterday was quite warm, though a late breeze tempered the rays of the sun. The day was a quiet one and but few strangers were in the city. A horse belonging to Mr. Bernheimer ran away on King street, near Columbus, this morning, and badly damaged the buggy to which it was attached.
