MEDICINAL.

The flag under which all women should march is the banner of good health. A woman owes it to herself, her husband and children to enlist under this flag. If she does not do so she will live a life of wretchedness, and unless her husband is an exceptionally good man, he will become indifferent to her, her home will be unhappy and her children will be puny and sickly.

Health in a womanly way is almost invariably traced to weakness and disease of the female organs that are the seat of human life. No woman can enjoy good general health who is dragged down by continual pain and local weakness. Troubles of this description utterly unfit her for wifehood and motherhood. Dr. Pierce's Favorite Prescription gives health, strength, elasticity and vigor to the special organs concerned. It makes a woman strong and healthy in a womanly way. It gives the complete and permanent cure for constipation and they don't become a habit. One "Pellet" is a gentle laxative and two a mild cathartic. Druggists sell them. Nothing else is "just as good."

It is a druggist's business to give you, not to tell you, what you want.

MEDICINAL.

Does Your Back Ache?

In constant pain when on your feet?
Is that dragging, pulling sensation with you from morn till night?
Why not put the medicine exactly on the disease? Why not apply the cure right to the spot itself?
You can do it with

Dr. Ayer's Cherry Pectoral Plaster

Immediately after the Plaster is applied, you feel its warming, soothing influence. Its healing remedies quickly penetrate down deep into the inflamed tissues. Pain is quieted, soreness is relieved and strength imparted.

No plaster was ever made like it. No plaster ever acted so quickly and thoroughly. No plaster ever had such complete control over all kinds of pain.

Placed over the chest it is a powerful aid to Ayer's Cherry Pectoral; relieving congestion and drawing out all inflammation.
