RATHER PREMATURE.—Last night during services in the Methodist Episcopal Church South some plastering fell, and Rev. Mr. Regester, who was equal to the occasion, remarked, in substance, that had the plastering remained until this morning it would have been helped in its descent by the workmen who would then be engaged in remodeling the church. This morning the work of metamorphosing the edifice began according to the plans which have been heretofore published, and it will be pushed rapidly to completion.

The furniture of the church is being removed to the old Presbyterian Church building, on south Fairfax street, where services will be held by the M. E. Church congregation while their church is being remodeled.

Beaudet, the missing cashier of the Exchange Bank, Athens, Ga., and Mr. Guy Hodgson arrived here yesterday and went to Franconia where is buried the body of the man who committed suicide last Thursday. These gentlemen had the body disinterred and after a careful examination decided that it was not the body of Beaudet. As stated on Saturday it has been ascertained that the suicide was Sidney Walker, of Savannah, who had formerly been a clerk in the Georgia and Alabama Railroad office. It is understood that his friends will carry the remains to Georgia for burial at his home.

THE CHURCHES.—The churches were only fairly well attended yesterday, a number of persons being out of the city. Rev. B. L. Ancell preached in the morning in Christ Church, Rev. J. J. Campbell in St. Paul's Church, and Rev. Harris Thomas in Grace Church. These three gentlemen were last week ordained deacons at the Theological Seminary, near this city. Rev. No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It will make a good-looking, charming woman of a run-down invalid. Only 50 cents at E. S. Leadbeater & Son's Drug Store.

Bad management keeps more people in poor circumstances than any other one cause. To be successful one must look ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbors getting rich while he is getting poorer. For sale by J. H. Janney, Druggist, 701 King st.

What is Kolo Dyspepsia Cure? It is the newly discovered remedy, the most effective preparation ever devised for aiding the digestion and assimilation of food, and restoring the deranged digestive organs to a natural condition. It is a discovery surpassing anything yet known to the medical profession. Edgar Warfield, jr., corner King and Pitt streets.
