Stops the Cough and Works Off the Cold. Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure, No Pay. 25 cents.

Pepsin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat.

DEATH OF AN ALEXANDRIA LADY.—Mrs. Mary E. Cole, mother of Lieutenant Charles M. Cole, of the Central police district of Baltimore, died yesterday in that city, and was 82 years old. She was the widow of James I. Cole, who died in 1871. During the civil war an incident took place in Mrs. Cole's life which was never made public until after her death. Her husband was keeper of the jail here in which a lot of Confederate soldiers were locked up. A company of Union soldiers were about to take possession of the jail, when Mrs. Cole got out of her bedroom window and, by climbing over a shed, unlocked the rear door of the jail and let the prisoners out. It was never known how the prisoners escaped. Mr. and Mrs. Cole were afterward driven from the keeper's house out into the snow, and Lieutenant Cole was carried from the house wrapped in blankets, as he was suffering with measles. Five sons and one daughter survive Mrs. Cole. She also leaves 29 grandchildren and 7 great-grandchildren.

BODY FOUND.—The body of a female infant was found shortly before noon yesterday between First and Second streets, near the old canal, on the common, by Robert Poindexter, colored. He immediately notified police headquarters, and Policemen Ferguson and Wilkinson were despatched to the spot designated and found the body. They were unable to tell whether the child was white or colored, it being covered with mud and frozen. The police had the remains conveyed to the police station and they were later removed to Demaine's undertaking establishment. Y. stoday afternoon Coroner Purvis and Dr. Hugh McGuire made an examination of the body and decided that it was a white girl child and had met death by strangulation and was probably about five days old. Coroner Purvis held an inquest over the remains at Demaine's undertaking establishment this evening and after hearing Dr. McGuire's evidence adjourned till Thursday morning at 10 o'clock.

COUNTY COURT.—Judge J. M. Love presiding.—A special grand jury was summoned for the purpose of indicting Walter Turner, colored, who is charged with an alleged criminal assault upon a colored girl named Green. The alleged offense was committed in the county several weeks ago.

The grand jury brought in two indictments against Turner, one for rape and the other for robbery from the person. Mr. A. S. Doniphan was foreman of the jury.

The assessment against the Addison Heights property was sustained by the court.

CORPORATION COURT.—Judge J. K. M. Norton presiding.—John Henry Jones, colored, vs. Mrs. Mattie Morris, suit to recover amount of reward offered by defendant for the recovery of lost money; jury and verdict for defendant, who proved that the difference between the amount of money she lost and the amount returned to her was greater than the amount of the reward she offered—\$500.

CHURCH REPORT.—Rev. H. J. Cutler, pastor of St. Mary's Church, read his annual report to the congregation in a church at the 10:30 o'clock service yesterday. The report showed the total receipts during the year to be nearly \$5,000. It also showed that the debt of the church had been reduced over \$1,000.

WILL REPORT TONIGHT.—The committee appointed at the recent meeting of business men held at the rooms of the Business Men's League, to devise a way of improving the city and selecting councilmen will report tonight at another meeting to be held in these rooms. The meeting will be private.

THE EIGHT NEWSPAPERS.—It is the opinion of Mr. George P. Howell that the reason some advertising does not prove effective is because it is placed in newspapers (and at rates) that give no more than one-eighth of the value that might be had by placing the same advertising in the newspapers. If you have the right advertisement and will put it in the right newspapers your advertising will pay.

Ry., recently erected a short distance north of the present stop known as "Spring Park," will be open for public use. Fire at Falls Church Friday destroyed the little two-room cottage which was the home

of Mr. Deeble, aged 92 years, and his three daughters, and as a result an estimable Virginia family is left shelterless at a time when the severest of winter is close at hand.

Mr. Wm. M. Beardon, Jr., met with quite a painful accident on Saturday evening, having had one of his fingers broken. He was engaged at the Armour building, west of this city, directing the unloading of a car of ice when a run fell upon his hand breaking his finger.

Ben Scrivener got into a fight on Saturday night at the corner of King and Pitt streets with Henry Harris and Tom Blenheim, both colored. He fell or was knocked down and sprained his ankle so badly that he had to be taken home on a stretcher. His assailants have been arrested.

A slight fire in the Willard Hotel, Washington, early yesterday morning caused great confusion among the guests. No one was injured, in spite of the general panic that prevailed, and the damage amounted to about \$3,000. The blaze originated in and was confined to a small room on the first floor.

The explosion of an oil stove in the house of Mr. Frank McLester, on Henry street, near Duke, shortly after 6 o'clock Saturday evening, brought out the entire fire department. They did not go into service until the fire was almost extinguished. While repairing the king pin of the Columbia engine was broken, but Engineer Wood repaired the damage that night.

On Saturday last while Tom Blair, the sexton of St. Mary's Church, was attending to his duties in that edifice a large and handsome lamp near the altar, by the breaking of one of its suspending pulleys, fell upon the head of its faithful conservator, who received an ugly wound of the scalp from the broken glass. Dr. German with several stitches repaired the injury. Parts of a fracture of the skull have been removed and the patient is again on duty and the destroyed lamp will be replaced.

Mrs. Bettie Petty, wife of Engineer J. Frank Petty, residing at No. 529 south Lee street, was painfully burned on Saturday evening. Mrs. Petty was in the act of kindling a fire, which was almost out, and poured coal oil on the embers. In an instant the flames shot upward and almost enveloped her. After some little difficulty the flames were smothered and medical assistance was summoned. An examination showed that Mrs. Petty was seriously burned about the face, hands and arms.

A Prominent Chicago Woman Speaks. Prof. Roxa Tyler, of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by Richard Gibson, druggist.

When threatened by pneumonia or any other lung trouble, prompt relief is necessary, as it is dangerous to delay. We would suggest that One Minute Cough Cure be taken as soon as indications of having taken cold are noticed. It cures quickly and its early use prevents consumption.
