MEDICINAL.

YOUR BODIES ARE TEMPLES

You believe that statement. But you only realize in part the obligations implied by it. Do you keep that temple of the body clean? If not, the defilement attaches to every service of the temple. Disease of the stomach and other organs of digestion and nutrition, affects the mind as well as the body. The dull mind, the stomach, stimulates the flow of the juices necessary to digestion and increases the blood supply in quality and quantity. The "Discovery" is strictly a temperance medicine and contains no alcohol or whisky, neither opium, cocaine, nor other narcotic.

"I had suffered from indigestion and only those who have suffered from it know what it really is," writes Mrs. M. J. Fagan, of 203 East Genesee Street, Syracuse, N. Y. "I had severe attacks of headache and dizziness with cold hands and feet; everything I ate distressed me, bowels were constipated and I was growing very thin and nervous. I cannot half express the bad feelings I had when I commenced taking Dr. Pierce's Golden Medical Discovery. I took nine bottles of the 'Discovery' and commenced feeling better with the first bottle and kept on improving. Now I am so greatly interested in health my friends often speak of it."

Alleviates inflammation. Heals and protects the membrane. Restores the sense of taste and smell. No mercury. No injurious drugs. Regular size, 50 cents; Family Size, \$1.00 at Druggists, or by mail. ELY BROTHERS, 56 Warren Street, New York.

FOR OVER FIFTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have in twenty years."—A. C. Clark, son of Riggs of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs.

HAS THE DUKE TWO WIVES?

The London correspondent of the Philadelphia Record says: Much interest has been excited by keen inquiries today made in all directions regarding the identity of the Mrs. Hartman, to whom, according to the Daily Mail, the King has just given the use for life of White Lodge, at Richmond, formerly the residence of the late Duchess of Teck, the mother of the Duchess of Cornwall and York.

With the exception of the Mail, all the papers preserve a significant silence but I have the strongest reasons for believing Mrs. Hartman, (1) be none other than the morganatic wife of the heir apparent.

In any case, as I happen to have special means of knowing, the truth of the Duke of Cornwall and York's relations to the lady are that she was married to her at Malta, and that she bore him several children, and I think it to be of public interest to state this for the first time in print.

Hints and rumors have been in circulation for years, accounting largely for the lukewarm regard in which the Duke was held by the English people, but the absolute truth has never been publicly divulged, so far as I know.

The lady in question is the daughter of Admiral Sir Michael Culme-Seymour. The marriage took place in Malta, when the Duke's eldest brother, Clarence, was alive, and when the present Duke, therefore, was not the heir to the throne. At that time I am informed that Miss Culme-Seymour had not wished to marry, but finally consented under pressure of her own father and after receiving consent of the present King, who was then Prince of Wales.

When Prince Clarence died the Duke of York's marriage to Princess May was determined on as an affair of state, though if the Duke had had courage to remain true to his real wife, who even then had borne him two children, he would have been the most popular man in England.

But his duty as the future King overrode personal ties, and he consented to regard his first marriage as morganatic. Most generous settlements were then made by the royal family, the late Queen contributing her share. I have absolute knowledge that in the settlement the marriage was described as morganatic and contracted with the consent of the Duke's father, then the Prince of Wales. The settlement provided a large income and also for the education of the two children already born and the one expected.

The further statement that she is a personal friend of King Edward also tallies with the fact. The lady in question has always been on most friendly terms with the most prominent members of the royal family, though the late Queen was never entirely reconciled to such a marriage, she sharing the universal English abhorrence of the very term "morganatic."

As an illustration of this I can vouch for the truth of the following:

At a dinner at a well-known political club on the eve of the marriage of the Duke of Cornwall to Princess May, the Bishop of Oxford, who was to assist at the ceremony, was present as was also a millionaire London merchant. The latter referred to rumors even then in circulation of the morganatic marriage and affirmed his own thorough disbelief in it. He finally directly challenged the Bishop to deny it, but the Bishop merely shrugged his shoulders and said: "This is an affair of state."

The merchant sprang to his feet, saying: "This, sir, is how you interpret the law and the Gospel to conform to the law of the land." He left the room at once.

Finally, I may add, the Duke has been a constant visitor on the lady, and it seems that if it is true that the King has given White Lodge to the lady in question the situation is recognized by the royal family as "partie a trois," with two women in place of the customary two men.

A Testimonial From Old England.

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." It is a great pleasure to the manufacturers of Chamberlain's Cough Remedy to publish testimonials of this character. They show that great good is being done, pain and suffering relieved and valuable lives restored to health and happiness by this remedy. It is for sale by Richard Gibson, druggist.

Trust those who have tried. I SUFFERED from catarrh of the worst kind and never hoped for cure, but Ely's Cream Balm seems to do even that.—Oscar Ostrom, 45 Warren Ave., Chicago, Ill.

I SUFFERED from catarrh; it got so bad I could not work. I used Ely's Cream Balm and am entirely well.—A. C. Clarke, 341 Shawmut Ave., Boston, Mass.

The Balm does not irritate or cause sneezing. Sold by druggists at 50 cents or mailed by Ely Brothers, 56 Warren St., New York.

Educate Your Bowels With Cascarets. Candy Cathartic, cure constipation forever. 10c, 25c. If C. C. C. fail, druggists refund money.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it.

The Action of BUFFALO LITHIA WATER

is Primarily and Mainly Exerted upon Uric Acid and the Urates. It Disintegrates and Eliminates Calculus of the Kidney or Bladder, Uric Acid, Phosphatic and Oxalic. Its Modus Operandi in Such Cases, and Special Value in All Uric Acid Poisoning.

Dr. J. W. Mallet, Professor of Chemistry, University of Virginia, extract from report of analysis of Calculi discharged by patients under the action of **BUFFALO LITHIA WATER** Spring No. 2:

"It seems on the whole probable that the action of the water is PRIMARILY and MAINLY EXERTED upon URIC ACID and the URATES, but when these constituents occur along with and as cementing matter to Phosphatic or Oxalic Calculus materials the latter may be so detached and broken down as to disintegrate the Calculus as a whole in these cases, also thus admitting of Urinary discharge."

Dr. C. H. Davis, of Meriden, Conn., reports in *New England Medical Monthly*: "Mr. R. L. Roy, of this city, consulted me about two years ago for Stone in the Bladder, from which he had been suffering for years. On my suggestion, he commenced the use of **BUFFALO LITHIA WATER**, as he was very much opposed to operative interference. After using the Water a short time, disintegration to a certain extent took place and large quantities of stone were passed. For several days in succession he passed as much as a teaspoonful of the debris, and at intervals for a considerable period he passed large quantities, and under the continued use of the Water there was a constant passage of Calculi until he was entirely relieved."

The photograph herewith is a correct representation and exact size of some of the largest specimens of Calculi discharged by Mr. Roy. A chemical and microscopical analysis showed that they are URIC ACID with a trace of Oxalate of Lime.

The theory here announced by **BUFFALO LITHIA WATER** is primarily and mainly exerted upon URIC ACID and the URATES, explains its oftentimes marvelous power both as a REMEDY and PREVENTIVE in Gout, Rheumatism, Gout, Rheumatism, and all conditions caused by excess of URIC ACID in the blood.

BUFFALO LITHIA WATER is for sale by Grocers and Druggists generally. Testimonials which defy all imputation or questions sent to any address. PROPRIETOR **BUFFALO LITHIA SPRINGS, VIRGINIA** Springs are open for guests June 15, close October 1. They are reached from all directions over the Danville Division of the Southern Railway.
