MEDICINE
"If I were sick and wanted to get well, I'd find out how some one else got well who had the same sort of sickness as mine."

If your sickness is like hers, Mrs. Jacobs' story will interest you. "I was very sick indeed," writes Mrs. Mollie Jacobs, of Felton, Kent Co., Delaware, "and our family doctor said I had consumption. I thought I must die soon for I felt so awful bad. Had a bad cough, spit blood, was very short of breath, had pains in my chest and right lung, and also had dyspepsia. Before I took your 'Golden Medical Discovery' and 'Pleasant Pellets' I was so weak I could not sweep a room, and now I can do a small washing, and I feel like a new person. I believe that the Lord and your medicine have saved my life. I was sick over two years. I took 13 bottles of the 'Golden Medical Discovery,' and four vials of Dr. Pierce's Pellets."

Are you sick? Are your lungs "weak"? Have you obstinate lingering cough, with bleeding lungs, weakness and emaciation? Thousands in just your case have been cured by the use of

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.

It always helps. It almost always cures. Sick persons are invited to consult Dr. Pierce by letter absolutely without fee or charge. All correspondence is strictly private. Write and get a specialist's opinion on your case, free. Address Dr. R. V. Pierce, Littlefield, N. Y.

CATARRH Nasal Catarrh.

It is all its stages there should be eliminated. ELY'S CREAM BALM cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly. CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large size, 50c at druggists or by mail. Trial size, 10 cents by mail. ELY BROTHERS, 56 Warren street, New York.

FOR OVER FIFTY YEARS. AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

"I have been suffering from Dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly." Thus writes Mrs. C. W. Roberts, North Creek, Ark.

A TERRIBLE FIRE.

A terrible fire prevailed in Jacksonville, Fla., last night which was caused by the displacement of a bit of innocent-looking wire which accidentally got into the shredding machine of the American Fiber Company, at the corner of Davis and Union streets. The fiber factory was a wooden shell full of inflammable material, and in a few moments was a mass of flames. The wind which was already blowing strong from the southwest, seemed to be possessed with a sudden fury, and soon was carrying destructive embers all through the doomed city, the fairest portion of which lay right in the wake of the wind.

The fire leaped across Davis street and took a course right through a section where block after block of frame buildings, mostly occupied by negroes, had been erected. Here is where the fire department lost control, as simultaneously in half a dozen places, some of them six blocks from the main fire, roofs were seen to burst out in flames. The wind rising higher and higher mowed down whole rows of these buildings and attracted at first a crowd of curious sightseers, who seemed to be fascinated by the sight until they learned that their residences, too, were in danger of destruction. It took just four hours for the relentless flames to consume every building in their path for a space six to eight blocks wide, from Davis street, near where it started, to the Hogan's creek viaduct, a distance of over 1 1/2 miles. Then, not satisfied with eating out the heart of the residential portion of the city, the fire doubled on itself and came roaring up the principal thoroughfare of trade, destroying everything in its way. It was the original incorporation of Jacksonville.

The government building, which caught fire at one time but was saved, is the only pretentious building left standing. From the humble homes of the poor to the elegant residences of the well-to-do was but a short journey for the flames. Rights into the heart of the city the flames swept. The Windsor Hotel and the St. James, both of which were among the finest winter hotels in the South, were consumed in an incredibly short time. The Opera House followed, and then row upon row of elegant residences were offered up to the insatiable blaze.

At the viaduct leading over the marshes of Hogan's creek to East Jacksonville was reached it seemed plain that the limit of progress of the flames westward had been found. The hope of the people grew strong that the worst was over. But as far as the damage from the fire was concerned the worst was yet to come. Just as the material for the conflagration was apparently consumed a shift in the wind sent the flames southward toward the river. Then it was beginning to dawn on the minds of the unfortunate who had fled to the riverbank that they were in danger of being cut off and suffocated. A rush was made to the South Jacksonville ferry and hundreds sought refuge on the other shore.

Then came the most thrilling scene of the entire day. The fire caught the freight warehouses of the Atlantic, Valdosta and Western railroad and began a backward march. Slowly but surely it ate its way against the wind, taking both sides of Bay street until it reached Jones' boat yard. The wholesale grocery stores of the F. & H. Dowling Company and Muller & Co., and dozens of smaller concerns were wiped out.

While the flames failed to cross the open space known as Jones' boat yard, a new danger threatened. They swept down in the rear of the United States Hotel, and that, with the Law Exchange, was doomed. Meantime the county courthouse caught fire and another splendid edifice was soon a wreck. From the United States Hotel the flames again jumped across the street and the line of march was taken up again, only to be checked when the last building between McCoy and Hogan's creek had been destroyed.

Dozens of drug, retail grocery, millinery and other stores were also destroyed before the fire was finally reported under control. Six lives are reported lost. The loss is placed at \$6,000,000.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price, including the spraying tube, 75c. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the mucous membrane, but changes them to a natural and healthy character. Ely Brothers, 66 Warren street, New York.
