HER HAT ABLAZE IN CHURCH.

While Rev. Francis Xavier Paulette, of the Church of the Annunciation, in Williamsburg, N. Y., was delivering the benediction at the close of Sunday's vesper service a young woman sitting in a front pew leaned too far forward and her hat caught fire from a candle. Somebody shouted fire. There were a thousand persons, most of them young women, in the church, and there was a wild scramble for the doors. The pastor kept on with his benediction while his assistant, Rev. Father Hahn, seized the burning hat from the girl's head and threw it on the floor before any harm was done. Two missionary priests waded down the aisles and soon restored order.

Kodol

Digests what you Eat

Dyspepsia Cure

A powerful engine can't be run with a weak boiler; and you can't expect to keep up the wear and strain of an active life with a weak stomach. Our boilers, or rather our stomachs, can't be replaced, and we cannot stop the human machinery while making repairs. But when the stomach is unable to digest enough food to keep the body strong, we can use such a preparation as Kodol Dyspepsia Cure. It digests what you eat, so that you can eat all the good food you want, without any distress attending.

"After forty years of suffering from indigestion, a few bottles of Kodol Dyspepsia Cure cured me."—Aunt Bell, Fredonia, Pa.

It can't help but do you good
