WEATHER PROBABILITIES.—For this section cool and partly cloudy tonight and Tuesday; light to fresh easterly winds.

DIED FROM HIS INJURIES.—Mr. William S. Clark, son of Alderman Thomas W. Clark, of this city, died in the City Hospital at Baltimore, Saturday afternoon from injuries sustained by being struck by a train in South Baltimore last Wednesday, the particulars of which were published in the Gazette. His spinal cord was severed and the lower portion of his body was paralyzed. Mr. Clark left this city last Tuesday in search of employment, and after hunting for work all day he became fatigued and lay down beside a railroad track and went to sleep. Afterward he was struck by the train and carried to the hospital. Mr. Clark was 25 years of age and is survived by a widow and one child. For some time past he was employed in the quartermaster's department at St. Annapolis. An inquest will be held in Baltimore today, after which the remains will be brought here for interment.

STAMPEDE OF CRAPSHOOTERS.—Several negroes from this city were in the county yesterday engaged in craps shooting when a colored constable appeared on the scene and a stampede followed. One of the crowd, Jack B. son, a well-known colored individual, jumped on a wheel and pedaled away. The constable drew a revolver and called on him to halt, but B. son charged faster, when the officer discharged five shots at the fugitive, one of which struck B. son's right cheek. The latter finally reached a ditch where he fell off the wheel. He was jumped on by his friends and ran to the city. The constable captured the individual named Howard Bradshaw and ordered a warrant against Const. B. son, who figured in the above scene, charging him with assault. It is alleged that Grady charged Bradshaw with giving an alarm when he approached the craps shooters.

THE CHURCHES YESTERDAY.—Prayers were offered up yesterday in every church in the city for the speedy recovery of President McKinley. The services at all the churches were largely attended. The programme outlined for the special services at Grace Church was carried out. The interior of this church is now one of the prettiest in the city. Rev. R. K. M. W. of the Theological Seminary, occupied the pulpit at St. Paul's Episcopal Church and the Rev. R. C. Gilmore conducted the services at the Second Presbyterian Church. The pastor of this church, Rev. Dr. Brooke, will occupy the pulpit next Sunday. Rev. Mr. Harlan, of D. J. Bay conducted the services at the Baptist Church. The resident pastors occupied the pulpits in the other churches.

DEATH OF AN OLD CITIZEN.—Mr. Wm. Richards, an old and well-known citizen, died at his home, 109 South Fayette street, Saturday afternoon after a long illness. Death was due to Bright's disease. Mr. Richards was eighty-six years of age and is survived by a widow and several grown sons and daughters. He had been confined to his bed since last January. Mr. Richards was a native of this city and at one time conducted a fruit store on lower King street. In bygone years he deeded, with his brother, Caleb Richards, owned a number of carts and drays which were employed around the wharves in the transportation of merchandise.

CHANGE IN THE WEATHER.—The uncomfortably warm weather which prevailed at the close of last week passed away early yesterday morning, a brisk and cool northeasterly wind having chased away every vestige of the hot wave. The heavens were hazy and the temperature kept falling, and by dark it was lower than it had been since the advent of summer. During the night the atmosphere became chilly and this morning everything favored of fall. A fog hung over the Maryland shores, but it disappeared as the sun rose higher in the heavens.

BOY RECOVERED.—The body of James Banks, a young colored man of Washington, was recovered yesterday morning at Gunston, a few miles below Marshall Hall. Banks mysteriously disappeared from a river steamer about a few nights ago. The remains were exhumed and the body identified as that of Banks. It was taken to Washington. The police believe that Banks fell asleep while sitting near the rail of the boat and dropped overboard while on the way up the river.

SIDE'S TWO-RING SHOW.—The great Sipe's two-ring animal and lilliputian shows, traveling on its own train of special cars, will exhibit at the baseball grounds, head of King street, September 14. Performances will be given afternoon and evening, rain or shine. The Sipe show is a dog and pony circus and includes all the features of the large circuses in miniature. It has all the good features of the large circuses and a number of new acts that have never been introduced.

JEWISH NEW YEAR.—The Jewish holiday season will begin on Friday next, when introductory New Year services will take place in every Jewish house of worship. The Jewish year begins on the first day of the month of Tishri. Services appropriate to the occasion will be held in the synagogue in this city.

THE LIBRARY.—The hours of opening the Alexandria Library will be from 2 to 6 p. m. Mondays, Wednesdays and Fridays until further notice. This change is made necessary because the room is needed for one of the public schools.

May Wallace, the young woman from Washington who was on Saturday sent to the workhouse for twenty days, was released from that institution in the afternoon, at the request of her father, whom she agreed to accompany home.

CASE DISMISSED.—Constable Beatley of this city was before the Mayor this morning charged with being one of the party of would-be lynchers who went to the almshouse one night recently under the supposition that Willis Petty, charged with criminal assault, was confined in the institution. Officer Griffin testified that Beatley was in the crowd and held up his hands and asked if all were ready when the mob was about to move toward the almshouse. A young man named Westley stated that he saw the accused in the rear of the crowd when it was moving, but did not see him at the almshouse. The Mayor said that inasmuch as Mr. Smith, Superintendent, failed to recognize Beatley among those on the premises, he would dismiss the case.

Several other cases were on the docket of the Police Court, among them the following:

George Fagan, colored, was fined \$5 for assaulting Josephine Lee, also colored.

Mary Rich, colored, who cried murder Saturday night in the northwestern part of the city, and who stated she was assaulted by Edward Bryant, colored, failed to appear this morning when the accused was placed in the dock, and the Mayor issued a warrant for her arrest. Bryant, who had escaped from the chain gang, was put back.

Michael Haley, white, charged with vagrancy, was sent to the chain gang for twenty days.

Philip Warren, colored, was proven to have been drunk and disorderly and was fined \$5.

Sampson Thompson, charged with assaulting Rufus Robinson, forfeited \$5 collateral by failing to appear.

Edward Napper, colored, charged with craps shooting, was fined \$5. Two other negroes who were charged with the same offense were dismissed.

Jack Lee, colored, was charged by a colored preacher with keeping a disorderly house and with selling liquor on Sunday and without a license. The accused was dismissed, but a warrant was issued for the arrest of his daughter, who was charged with disorderly conduct.

Ella Fountain, colored, had been arrested on the complaint of another colored woman charged with alienating her husband's affections and with assault. The accused was fined \$5.

Miss Bena Stratton is visiting her father, Mr. Robert Stratton, in Lynchburg.

It is thought that Lieutenant Lee will soon be ordered to report to his regiment, the Seventh United States Cavalry, now stationed near Havana, [Charleston Progress].

CAPIZING OF A BOAT.—Some excitement was caused on the river front yesterday afternoon by the capizing of a sailboat nearly opposite the B. & O. transfer slip. The boat belonged to Washington and contained three men from that city who had been enjoying a sail down the river. The boat went down some distance with a fair wind, but in endeavoring to beat back it was struck by a heavy flaw and overturned. The occupants were soon rescued by persons who went from this city to their rescue and the sunken boat was brought ashore. Later the heedless excursionists returned to their homes. The boat was righted, hauled out and was subsequently taken to Washington.

FIRE.—The alarm of fire shortly after nine o'clock this morning was caused by the explosion of an oil stove at the Potomac Academy, conducted by Mr. John S. Blackburn, on north Washington street. The damage was comparatively slight.
