CHARGED WITH THEFT.—Benjamin Waters was arrested yesterday, charged with the larceny of the sum of \$1.25 from a woman who gave her name as Mrs. Penn and who claims to live in Washington. The theft is alleged to have occurred early yesterday afternoon near the Ivy Hill Cemetery.

According to the story told by Mrs. Penn she came to this city early in the afternoon for the purpose of trying to get a place suitable for a poultry yard. She met T. A. Groves, who directed her to the vicinity of the Ivy Hill Cemetery. She at once started in that direction and after going some distance she noted a man following her. He was walking rapidly and in a short while overtook her. He at once spoke to her. They then entered the Ivy Hill Cemetery and after arriving at a certain grave Waters pointed to it and stated that his wife was buried there. At this point she revealed her mission to him. Waters then told her that he had some ground which was admirably suited for her purpose. He offered to rent it to her at a reasonable figure. After minutely describing his alleged ground, he asked her if she had change for \$10. She opened her purse, and after examination, found that she had not. Waters then asked if she had change for \$5. She then counted out \$4.25 in change, but did not have the remainder. While searching for the remainder Waters asked that she lend him the sum of 25 cents. He told Mrs. Penn that he wanted it to buy whiskey and treat his friends.

He further stated that he did not like the idea of producing bills of a large denomination while among a crowd. After having secured the quarter, Waters, she alleged, pulled his hat down over his eyes, grabbed a \$1 bill and ran. Mrs. Penn screamed for help, but there was no one near. She then hurriedly came to this city and told Policeman Sherwood of the robbery. Waters told the police that Mrs. Penn loaned him the money. Waters was brought before the Mayor this morning when the plaintiff recited in substance the above story, with one variation—saying the accused did not forcibly take her money, she having given it to him upon his promising to return with it. She acknowledged that she had recovered the amount taken by Waters. The Mayor accordingly dismissed the case. There was another charge, however, against Waters. He was charged by James McCuen with stealing bottles. This charge was subsequently withdrawn. Waters then made affidavit to abstain from the use of intoxicating liquors for a period of twelve months.

PERSONAL.—Mr. Angus King, of this city, has been appointed ticket and check clerk in the office of W. A. & Mt. V. R. Co. in Washington, much to the gratification of his many friends.

Mr. Max Pretzfelder on Monday night last in Greensboro, N. C., while on his way home, made a mistake in crossing a small bridge over a draw-way, fell off and broke his leg in two places.

Mrs. George E. Markell is quite sick at her home on Wolfe street.

Mrs. Edie Lee, with her children, is on a visit to her father, Mr. W. B. Doble, on south Fairfax street.

RIVER NOTES.—Affairs around the Straud are quiet. The river boats report nothing of interest below.

The schooner William L. Franklin, from Sevens river with sand for the Old Dominion Glass Works, is at W. A. Smoot & Co's wharf.

The three-masted schooner James Boyce, with railroad ties for Boston, cleared today.

WEDDING.—Wednesday, October 3, at the residence of Mrs. Edith Janney, of Occoquan, occurred one of the prettiest events of the season, the occasion being the marriage of Miss Edith Hunter Janney to Rev. Simpson V. Hill brand. The ceremony was performed in the parlor of the Janney residence, which was handsomely decorated with goldenrod and ferns, and was witnessed by about fifty guests. Just at the hour of noon the strains of Mendelssohn's Wedding March announced the entrance of the bridal party. The bride was attired in a most becoming costume of pearl grey combined with silk and was accompanied by her mother. The officiating clergyman was Rev. Mr. Regester, of this city, assisted by the pastor of Occoquan Methodist Church. At the conclusion of the ceremony, after the bridal party had received the congratulations and best wishes of their friends, the company repaired to the dining room, where a most delicious breakfast was served. Mr. and Mrs. Hildebrand left on the 3 o'clock train, amid a shower of rice and slippers, for an extended trip through southern Virginia before going to their future home at H-riersonburg.

U. D. C.—A joint meeting of the Mary Custis Lee and the Seventeenth Virginia Regiment Chapter, was held in the Business Men's League rooms yesterday morning and was well attended. Reports were received from the committees in charge of the coming convention and approved. Some details of the excursions arranged for the delegates were passed upon. The members of the invitation committee will hold a meeting Monday morning at ten o'clock at the residence of Miss Emily Meahaffey to transact some business. The chairman of the other committees called their committees for further work. The meeting then adjourned.

OPERA HOUSE.—The Cobdry, Mack and Edwards' combination of actors, actresses, and specialties artists, which are billed to appear at the Opera House for six nights and Saturday matinee, are claimed by press and public to be one of the best balanced companies traveling. Each and every production is staged in excellent manner. On Monday evening (the opening performance) A D. quarter of Cuba will be presented, on which occasion any lady by purchasing a bargain ticket before 7 p. m. will be admitted to the best seats for 15 cents.

THE MARKET.—This morning was attended by a few more country people than on our Saturday's. There was an abundance of produce, but prices in the main showed but slight variations. Good butter and eggs were still scarce and prices firm. Meats and fish were unchanged in prices. Some of the country people had fresh pork on their benches. Hind quarters brought 14 cents per pound and fore quarters 12 cents.

The strength of an argument is truth. It should also be the power of an advertisement. Exaggerated statements may draw the people, but they attract only to disappoint, if qualities do not bear assertions. Alexandria shoppers have learned to know that D. Bendheim & Sons' assertions are to be depended upon. Their business is having a wonderful growth. See their advertisement for the second week's fall opening sale.

The special matting sale at Schwarz's 518 King street, will be continued for another week. During the past week, considering the season of the year, the amount sold was far beyond expectations, but at the prices they are sold it is not surprising. Next week's sale will about close them out. Don't miss your chance and get them while you can; it will pay you to lay them aside until next season.

TO CURE A COLD IN ONE DAY. Take LAXATIVE BROMO QUININE TABLETS. All druggists refund the money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

C. M. Phelps, Forestdale, Vt., says his child was completely cured of a bad case of eczema by the use of Dr. Witt's Witch Hazel Salve. Beware of all counterfeits. It instantly relieves piles. For sale by E. S. Leadbeater & Sons.

The weather is still cool and fires feel comfortable. There was more frost last night.
