CLOSE OF THE SESSION.—The seventh annual session of the Virginia division, United Daughters of the Confederacy, which had been in session in this city since last Wednesday, was closed last night.

The subject of the flow to be adopted by the division was taken up and the white rose was selected as the emblem of the Virginia division.

It was decided that if any other State had selected this flower then the red rose would be substituted.

A letter was received from the President of the Keneaw Chapter of Marietta, Ga., in regard to the marking of the graves of Virginians buried in the cemetery there. It was decided by the chapter to have these graves appropriately marked.

The subject of the crosses of honor was discussed and a committee was appointed to attend the Mt. Vernon Convention U. D. C. and ascertain what steps must be taken to enable Alexandria veterans to secure these crosses.

The invitation of Mrs. Thom Henderson, of Norfolk, for the Virginia Division to hold its next meeting in that city was accepted.

The committee appointed with reference to a union of the Virginia and the Grand Division of Virginia asked for its resolutions, which were given.

The subject of erecting in Richmond a monument to the three branches of the service was discussed and lost.

Memorial services were held, and seven well-written memorials were read.

A vote of thanks was extended Lee Camp for the courtesy shown the division and for the beautiful souvenir presented to the ladies by that organization.

A vote of thanks was also extended to the ladies and gentlemen who so kindly placed their carriages at the disposal of the members, and also to Vice President Agnew and other officers of the electric railway for courtesies shown the members.

The sum of ten dollars was appropriated to purchase flowers for the decoration of Confederate graves at Arlington.

A gavel made from the tree under which Gen. Robert E. Lee delivered his farewell address to the Army of Northern Virginia was presented to the local chapter by Mrs. T. E. Atwood, of Appomattox. The presentation was received with much applause.

It was accepted by Mrs. W. A. Smoot, president of the chapter. Mrs. Atwood, it is said, purposes to present every chapter in the State with a similar gavel.

TO IMPROVE SOUTHERN ROADS.—The Southern Railway has devised a plan for the improvement of the wagon roads of the South in pursuance of the policy of President Spencer to encourage the growth and development of all territory tributary to the Southern system. A good roads special train of ten cars will leave Washington shortly for the South under charge of President V. H. Moore of the National Good Roads Association, and will make frequent stops at points along the Southern Railway for the purpose of building sample roads and arousing interest among the people in the subject. The aim is to educate the southern people in practical road building and to impress on them the economy and benefit to be derived from fine roads. The train will carry all necessary machinery for the building of roads and a corps of road experts.

FINE PICTURE.—Mr. R. M. Dawson, former of this city but now of Washington, has executed a picture of Jones' Point and the lighthouse which has been pronounced by a number of connoisseurs as his chef d'oeuvre. Mr. Dawson has taken special pains with the work, having spent several days in a boat in front of the lighthouse and he has produced the building and point in all their details. While the picture was being executed the lighthouse bore the emblem of mourning in respect to the memory of the late President McKinley, and the sable decorations are especially noticeable. The picture has been purchased by the Messrs. Rammel and all who have inspected it have been profuse in their compliments to the artist. Mr. Dawson spent many years of his life in Alexandria, where he is well known and his genius appreciated.

PETITIONS FOR DIVORCE.—James Lynch yesterday filed a petition in Washington for divorce from Harriet Lynch J. A. de Lynch, on the ground of desertion. The plaintiff states that he married the defendant in Lynchburg, September 21, 1890, and that on or about July 8, 1899, the defendant abandoned him and has since refused to live with him.

Edna Marsh yesterday filed suit in the same city for divorce against her husband, George H. Marsh, on the ground of desertion. The parties were married in this city in 1895, and lived together until May, 1898. Mr. Charles Bendheim is named as counsel for the complainant.

THE PETTIT CASE.—The October term of the Corporation Court will begin on Monday, when the case of the Commonwealth against Willis Pettit, now in jail at Fairfax, charged with assault upon Mrs. Roberta Payne on August 22 last, will be called. The affair, it will be recalled, created considerable excitement in this city at the time, and Pettit was removed to Fairfax for safe-keeping. Since then, however, the matter has been almost forgotten. Mrs. Payne, it is said, has left the city and it is not certain that she will appear in court. Indeed, her whereabouts are not known to the court officers.

TO ELECT ELDERS AND DEACONS.—A meeting of the congregation of the Second Presbyterian Church has been called for Wednesday night next, at 7:30 o'clock for the election of additional officers. The session recommends that two additional elders be elected, making the number eight, and that a sufficient number of deacons be elected to make the number of deacons seven. The session at present is composed of elders W. A. Moore, Geo. Wise, George W. Jaimeson, K. Kemper and Harry C. Anstey. The deacons are Messrs. W. E. Latham, G. B. Kennedy, F. Paff, Wm. Campbell and L. H. Thompson.

DIED AT THE INFIRMARY.—Mr. Henry W. Fisher, a native of Norfolk, died at the infirmary last night where he had recently been undergoing treatment. The deceased was for several years a resident of Petersburg, but of late had lived in Richmond. He was a gallant member of the Twelfth Virginia Infantry during the war and was wounded four times in the battle of Malvern Hill. Mr. Fisher was a brother-in-law of Col. J. A. de Lagnel. He was 68 years old. His remains will be sent to Norfolk for interment.

AN ADVERSE REPORT.—The Washington, Alexandria, and Mount Vernon Railway Company recently addressed the Commissioners of the District of Columbia requesting that steps be taken to widen Fourteenth street northwest, from B street to N street southward. The letter of the company was referred to the surface department, and the consulting engineer, and they have reported that the circumstances of the case are not such as to justify a recommendation for such an appropriation.

JUMPED OVERBOARD.—An old citizen who spends much of his time angling repaired to Hunting Creek bridge yesterday with a supply of smelts and began fishing for black bass. He succeeded in landing fourteen fine specimens and was in the act of placing the last one on the string when by some mischance the entire catch slipped from his hand into the water. As quick as thought he sprang overboard and succeeded in recapturing the bunch.

FINE ROCKFISH.—The schooner Daniel Smeets, Captain J. E. Gibson, arrived here yesterday with sixteen barrels of the finest rockfish which have been seen hereabouts for some time. This is an unusual catch for this time of year. The fish were shipped to New York where they will bring from 12 to 20 cents a pound, according to size. Rock have become comparatively scarce in the Potomac of late years, and prices have been steadily advancing.

At this meeting officers will be elected and the name of the club be decided upon.
