LOCAL MATTERS

Fun rises tomorrow at 5:34 a. m. and sets 6:40 p. m. High water at 10:20 a. m. and 11:00 p. m.

WEATHER PROBABILITIES.—For this section increasing conditions and rain tonight and probably Saturday; cooler Saturday; light to fresh southerly winds, becoming westerly.

STATE PENSIONS.—Under the terms of the new State pension act the auditor of public accounts will begin on May 1 to pay pensioners under act of 1883 and special acts. The claims of pensioners under the act of 1900 are to be investigated by the board of commissioners, created by act just passed, and claims which shall be approved, and under the terms of the last named act, payable on September 1. Pensioners under the act of April 2, 1902, are also to be paid on September 1. The old pension board has gone out of existence since the new pension law was enacted. Under the recent law the method of appointing the board was changed, the present term of office having expired and, until the Court complies with the new law, nothing can be done. The appointments will be made shortly and the new bodies will then begin their work.

In reference to the change and in order to further explain when pensioners can get their money, the Winchester Star has secured from County Clerk Cutler the copy of a letter he received from State Auditor Mayre, in response to some questions relating to the various pension acts. The letter reads as follows: "T. K. CARROLL, C. C. C., Winchester, Va.

"Dear Sir: Yours of April 4 to hand. A new board will be appointed and it will act on pension under act of 1900. The Board will be composed of three members. Pensions under act of 1883 and special act will be paid May 1st. Those on the roll of 1900 and since will not be paid until September 1st; all of these will have to be supervised by the new Board. Send in certificates for those under 1883 and special acts so they can be paid May 1. Let them come right in."

THE FISHERY.—The season generally allowed for fishing is rapidly passing away, and so far results have been very meagre. But few fish are arriving and at present the outlook is gloomy. Fishing is still in a state of expectancy—or, more properly, the operators are hoping against hope—and apart from a few colored men and women who had gone to angling while waiting for jobs cutting herring, everything seemed at a standstill this morning. Reports from below are discouraging, and when it is realized that the middle of April has been reached a time when the season should be at its height, but little hope can be entertained for future results. It is true that many fish may be caught later on, but in the natural order of things hot weather will be prevailing at the same time, and those who have no facilities for striking the catches on the shores may have them spoil on their hands. A few shad, herring and rock have been received since yesterday, but not enough to influence prices toward a lower scale.

WEDDING.—Miss Carrie Willard, daughter of Mrs. Alice Willard, of B-rkeley Springs, and Mr. Carroll Hurdle, of Washington, were married in this city on Monday by Rev. E. V. Regeater. Miss Willard has been teaching school in the lower end of Morgan county, and informed her sister that she would drive to Hancock station, where she would meet Mr. Hurdle, and together they would spend the day in the country. She was met at Hancock by Mr. Hurdle, and they continued their journey to this city, where, as stated above, they were married. Mr. Hurdle is a son of the late Thomas Hurdle, of this city.

FISHERMAN CAPTURED.—Messrs. John Cowling, Harry Roberts, and two other Alexandrians named Haines and Penn were surprised by the District of Columbia authorities last night while operating a small seine in Oxon Creek, opposite this city. The party were placed under arrest and with their boat and outfit taken to Washington. The Alexandrians had succeeded in taking many black bass before they were captured. They left collateral for their appearance at the Police Court tomorrow.

PRESIDENT ROOSEVELT'S RETURN.—President Roosevelt and party passed through this city for Washington via the Southern Railway at 7:10 o'clock this morning. The train was the second section of No. 38. When the train reached this city the party was about to sit down to breakfast. There were but few people at the depot from the fact that it was not generally known at what time the President would pass through. As the train proceeded up Henry street the President could be seen regaling himself at the breakfast table.

A NEGRO IMPOSTER.—A colored man went to the residence of Mr. William Duncan, in this city, yesterday and told Mrs. Duncan that her husband had sent for a pair of new shoes which he had in the house. The wife thought it strange that Mr. Duncan, who had just left the house, had sent for the shoes, and made the observation to the darky. The latter was positive in his declaration, and the shoes, which had cost six dollars, were sent together with a new pair of socks. The negro was an imposter and the police are looking for him.

LECTURE.—The lecture of Rev. Mr. Skellinger, of Washington, in the Opera House last night on "Ben Hur" was a most interesting and instructive one. The lecture was accompanied by stereopticon views. During the evening Mrs. Thomas S. Coffin sang "Redemption." Mr. Carter, of Washington, sang "Calvary," and Miss Freda Allison played the "Ben Hur March." The lecture was given under the auspices of the Baptist Church Sunday School and was very successful.

THE NEWLY-APPOINTED PASTOR.—Rev. J. P. Stump, of Baltimore, who was recently appointed pastor of the Methodist Episcopal Church South, of this city, arrived here yesterday. Last night he was tendered a reception at the parsonage, 310 King street, by the members of his congregation. A tea was given in the parsonage last night, and the amount of \$275.00 was collected. Mr. R. F. Knox will sell at 12 o'clock tomorrow on the premises a frame house with a brick stable in the rear on the northwest corner of Prince and Allred streets.

DANCE.—A dance was given last night at the home of Mr. Albert Bonitz at "Fairview," near the Theological Seminary, where a large crowd of young people assembled. After refreshments were served, dancing was resumed until the shrill note of the rooster proved it adjourn. All present enjoyed it a most enjoyable occasion and extended their thanks to the kind host. Quite a number of persons from Alexandria and Washington were present.

COMMITTEE MEETING.—The committee on public property and finance held a joint meeting last night for the purpose of considering measures for repairing the city jail. Proper data not having been furnished, the committee adjourned to meet next Thursday night. The finance committee subsequently held a meeting to consider the contemplated bond issue and the election to be held in connection therewith.

ELKS.—There was a regular meeting of Alexandria Lodge of Elks last night at their hall on south Fairfax street, near King. There was a large attendance and considerable business of interest to the order was transacted. The names of several gentlemen which had been presented for membership were favorably reported on and a number of applications for membership were received.

THE RIVER.—The water in the river is still muddy and high tides are prevailing. The water was awash with many of the wharves this morning and in some places almost across the strand. Considerable drift wood, trash, etc., is still borne down by the tide. A few river craft arrive and depart, apart from which there is but little animation around the wharves.

CIGARS. Trust Methods

are familiar to our people and there is little need of a sermon to enlighten them. Patrons home industries and thereby strike a telling blow in the interest of the commercial life of your country and community.

We can do make as good a cigar for the money as can be made anywhere in the country, and we are not disgracing nature and outraging taste by combinations of colors to proclaim the fact. Take, for instance, our "Choice,"

a cigar that is not surpassed anywhere for a nickel. Our Tampanola, Perfect and Plantation

are as good as are produced of their grade. Then there are other brands equally as good at their price. Our Indio Americano, a lower grade, is better than the average five-cent cigar sold elsewhere.

Every brand union made. Every "Plantation" Cigar is stamped with the firm name of "Hamilton & Co.," 323 King Street.
