

Alexandria Gazette

MONDAY EVENING APRIL 14 1902

He Was Only One.

A soldier who had just enlisted was placed on guard over a cannon. It was not long before he abandoned his post and went to a tavern not far off, where he indulged in the flowing bowl.

"Fellow, why did you abandon your post?" exclaimed the captain, who happened to be put in an appearance.

"Captain," was the reply of the inept son of Mars, "I've tried to lift that cannon, and I'm satisfied no one can carry it away, and if more than one of the enemy comes after it I can't keep them off."

A Ruined Book. The man who has an old book rebound can never be too minute in his instructions to his binder. Once upon a time, it is said, a tattered "Shakespeare" was sent to the binders for the sole purpose of preserving a number of marginal notes in manuscript.

Explained. "And haven't you got any more money?" asked the sweet young thing selling chances at the church fair.

White as a Color. Speaking scientifically, white is a combination of all colors—that is, the pure light of the sun when decomposed by the spectrum analysis shows that it is made up of all the colors.

Not Conclusive. He—I suppose you know I'm singing at your church now. She—No, I didn't.

Must Be. They were both her friends, of course. "Do you think," asked he, "that she is as old as she looks?"

Always an Obstacle. "There is always room at the top," said the good adviser. "Indeed yes," answered the unfortunate person, "but the elevator is not always running."

Two Expressions of Peel. Was there ever a more mordant and sardonic stroke of description than that O'Connell gave of Peel's bloodlessness? "His smile was like the silver plate on a coffin."

His Latin. "Why do you put so many Latin quotations into your speeches?" asked the friend. "I'm sure most of us don't understand them."

A Liberal Offer. The undersigned will give a free sample of Chamberlain's Stomach and Liver Tablets to any one wanting a reliable remedy for disorder of the stomach, biliousness or constipation.

Saved Many a Time! Don't neglect coughs and colds even if it is spring. Such cases often result seriously at this season just because people are careless.

Are there any boys or girls in your home? If so, do you want them to grow up familiar with the best literature and art, and with all their best impulses quickened? There is a way to do it, at an expense of less than one cent a week, by way of having in your home the greatest educational influence of our time.

"NATURE STUDY" is now a great feature of St. Nicholas. The young readers ask questions and they are answered in a department called "Nature and Science." Private schools take the magazine for this alone.
