The Case of Isaac Hackley.

The case of Isaac W. Hackley, colored, who is charged with cutting his wife, son and a colored man named Willis Thompson, came up for examination in the police court this morning. The offense was committed shortly before midnight on July 1. Hackley was arraigned the following morning, but owing to the serious condition of his wife and Thompson, the case was postponed until today. His wife was severely cut. Willis Thompson, colored, who went into the house as a peacemaker, was also badly cut, and Hackley succeeded in cutting his twelve-year-old son, George. His wife's injuries are serious, and she is still confined to her bed and was unable to appear in court this morning. Officers Griffin, Roberts, Arrington and Nicholson who made the arrest, testified that they had been called to Hackley's house on Princess street near midnight July 1 by cries of "murder," "police," etc. Arriving there they found a scene of turmoil and confusion and Thompson was discovered bleeding profusely from his wounds and the house was spattered with blood. Going up stairs Officer Griffin was met by Hackley who attempted to shoot him with a pistol, but fortunately the weapon was empty. The arrest of Hackley followed. Dr. T. Milton Hopkins, colored, testified as to the condition of the wounded wife and son. The injuries of the former only were serious. She was stabbed in the back between the vertebrae and shoulder blade, the knife penetrating the lung, making a very dangerous wound about two and a half inches long. At the present time, the doctor said, she was progressing towards recovery. The boy's wounds on his left arm were not dangerous. Thompson told the court of having been furiously assaulted by Hackley when he entered the latter's house after the first cutting. Hackley used his knife rapidly and with telling effect. Witness was hacked about the shoulder and arm. George, the injured son of the prisoner, and Daisy, his daughter, testified that their father had made an unprovoked assault on their mother. The daughter escaped injury by fleeing. Hackley offered no excuse but promised to do better in the future. After hearing other evidence the Mayor referred the case to the grand jury.

Juvenile Lawbreakers.

Charles Lloyd and Walter Robey, white youths, aged about fourteen years, were arrested by Lieutenant Smith and Policeman Travers last night on a charge of having committed several petty thefts that have occurred in this city during the past few days. The youths, after their arrest, it is said, confessed to having committed the thefts. Thursday night the boys got into the junk store of Julius Driefus & Co., on the river front. A number of nickel-plated chains and several pennies were missing. They also entered the blacksmith shop of Julian Fogg, Thursday, and rifled several boxes of checks. They also entered the stable of Mr. Crilly, on the wharf, Thursday, and took a box of cigars from a buggy belonging to R. B. Sprinkle, of Manassas. They hid the cigars and last night showed the lieutenant where they were. The Mayor heard the evidence against the boys and decided to hold them until he could hear from the authorities of the reform school near Richmond where it is proposed to send them.

Investigating the Accident.

The officials of the Southern Railway Company were yesterday engaged in investigating the head-on collision which occurred between two of their trains at the corner of Sixth street and Maryland Avenue, Washington, about 10 o'clock Thursday evening. Fortunately on one was injured, but some delay was occasioned by having to send following trains into and out of the station over the derailed engine was replaced until the tracks cleared. The collision occurred between northbound train 510 from Manassas, due at the station at 9:45 o'clock and train 533, the Florida special. The crew of the northbound train state that they had been given a red target requiring them to stop on the single track on Maryland Avenue between Sixth and Seventh streets southwest, and while waiting for further orders the special, which had been signaled that the track was clear, wheeled around the curve, and before it could be brought to a standstill the two engines came together.

R. freight conductor who was injured in a wreck at Acotink, near this city, on the morning of the 7th instant, continues in a critical condition at the Alexandria Hospital. Trainham will exchange pulpits with Dr. George L. Hunt, pastor of the First Baptist Church, Alexandria. Dr. Hunt will preach in the Baptist Church here both that morning and evening—(Manassas Journal). Mr. T. A. Fisher left here today for Colonial Beach where he will spend the summer. Mr. and Mrs. R. W. Fuller left here today for Atlantic City. Mr. Frank Gibson, formerly of this city, and now of Parkersburg, W. Va., is here on a visit to his old home. Mr. G. S. P. Mr. Robert J. Thomas left today for Oakley Springs, Va., to join Miss Fanny Dixon, where they will remain the balance of the summer.

The Market.

There was more than an average number of buyers and sellers in the market this morning and early in the day the scene was an animated one. Prices have fallen a little, but no decided drop has yet occurred. Meat remains high and is quoted as follows. Roast beef 12a20c, steak 15a25c, corn beef 6a12c, pork 12a15c, lamb 12a20c, veal 12a20c. Rock fish sold for 12c, and trout and taylor brought 10c per pound. Butter was sold at 25c. Vegetables were in hand in plenty, those grown in the surrounding country now being on the market and the quality is improved. Tomatoes were sold at 15c per bushel, peas at 8c, snap beans 5c. Corn sold at 10a12c, and cymilings 10c per dozen. Potatoes brought 30c per peck, beets 3c per bunch, onions 2c, turnips 3c per bunch, cabbage went for 2a5c per head. Fruit was not so plentiful, blackberries were quoted at 5c per peck, huckleberries at 8a10c and apples 15c per bushel. Not so many flowers were in evidence as usual.

Called to Christ Church.

At a meeting of the vestry of Christ Church held on Wednesday night a unanimous call was extended to Rev. William J. Morton, rector of Emanuel Episcopal Church in Harrisonburg, to succeed Rev. Berryman Green. Although nothing definite has been heard, it is believed Mr. Morton will accept. A dispatch from Harrisonburg today says: "Rev. William J. Morton, rector of Emanuel Episcopal Church in Harrisonburg, yesterday tendered his resignation to the vestry, to take effect August 31. Mr. Morton received a call from Christ Church, Alexandria city, this week. Mr. Morton came to Harrisonburg from Tappahannock less than two years ago and is greatly beloved by his congregation. He is an earnest and able minister. The vestry has not yet acted, but will accept the resignation."

Charged With Stealing a Horse.

George Thomas, 39 years of age, who says his home is in Rosslyn, Alexandria county, was locked up at the Southwest Police Station in Baltimore, last night, for a hearing this morning on the charge of the larceny of a horse valued at \$100, the property of Mr. Frederick W. Loeber, of that city. When searched at the station house a check on the Farmers and Mechanics' National Bank of Georgetown, D. C., for \$57, payable to bearer, and signed "George Thomas," as well as several blank checks from the same bank, were found on the prisoner. A loaded .32 caliber revolver, with two additional rounds of ammunition, was also found on Thomas. An additional charge of carrying a concealed weapon was entered against him. Thomas told Lieutenant Morhiser that he had bought the horse from a man named Smith.

Police Court Items.

Several trivial cases were disposed of in the Police Court this morning. A young man, a stranger, who gave his name as William Hudson, was arrested for vagrancy. He was held until further information concerning him could be obtained. James Griffin, jr., charged with being drunk in the street and resisting officers, was fined \$5. Several persons were fined for keeping unlicensed dogs. A resident of north Royal street, who had a misunderstanding with his wife and had been arrested, was dismissed. A man charged with discharging a pistol in the street was fined \$5. He claimed he shot one of his chickens. The evidence was to the effect that he threatened to shoot one of his neighbors.

Epworth League.

The Epworth League of the Methodist Episcopal Church South held their monthly business meeting in the lecture room of that church last night and disposed of considerable routine business. The following officers recently elected to serve for the ensuing six months were installed by Rev. J. P. Stump: Frank J. Pollard, president; L. C. Smith, first vice president; Mrs. J. G. Cockey, second vice president; Mrs. Martha Raines, third vice president; Mrs. George Warfield, secretary; Miss Bessie Boyer, treasurer; Miss Anna Summers, librarian, and Miss Lula Cockey, pianist.

Snake at the Tunnel.

While Mr. Elzey Phillips was seated on the fence at the east end of the Wilkes street tunnel yesterday evening he heard something rustling in the weeds at the base of the fence and was startled to see a snake about three feet long in the act of ascending the post near where he was sitting. Mr. Phillips exhibited acrobatic celerity in jumping to the ground. The snake in the meantime escaped either in the weeds or into a crevice in the wall.

Funerals.

The funeral of Miss Julia Spinks, who died Thursday morning, took place at 10 o'clock this morning from her late residence, 1448 Duke street. The services were conducted by Rev. J. H. Stump and the pall bearers were Messrs. Thomas, Samuel B. and Charles Fisher, Samuel Cuviller, jr., R. E. Knight and R. H. Cox.

The funeral of the late Miss Rosie Hillerum took place this afternoon at 3 o'clock from Mr. B. Wheatley's undertaking establishment. The services were conducted by Rev. Mr. Jeffers.

Fell From a Train.

A lady passenger on one of the Southern Railway trains which arrived here late yesterday evening fell from the steps of the car upon which she was standing and was bruised and cut. The lady had reached the steps and was about to descend to the street and seemed to have fainted just as the cars had started ahead. She was picked up and carried to the house of a friend whom she had come to Alexandria to visit.

Dog Licenses.

The Auditor thus far has issued 705 dog licenses, which is above the average, but this number does not reach by far the actual number of dogs in the city. Several fines have already been imposed for keeping unlicensed canines, and the authorities intend to enforce the law strictly, and to reach all offenders, if possible. Fifty more tags were ordered today, as the supply on hand was running low.

Struck With a Stone.

On Thursday night during a row which occurred on Fairfax street, between Franklin and Jefferson, a lady living in the Second ward was struck on the head by a stone thrown by one of the belligerents and received a serious cut. The crowd had been attracted by a musical performance which was being conducted in connection with the sale of patent medicines.

Rural Free Delivery.

The rural free delivery of mail which has been established in the districts of Alexandria and Fairfax counties, near Alexandria, has proved very successful. There is one carrier for each district and one collector, and delivery is made each day. It is expected that the residents just outside of the territory now covered will soon ask that the route be extended to them.

A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of every family. This is not intended as a free puff for the company, but who do not advertise who may not be benefited little sufferers who may not be within easy access of a physician. No family should be without a bottle of this medicine in the house, especially in summer-time.—Lansing, Iowa, Journal. For sale by Richard Gibson, druggist.

DRY GOODS. Frames and Nets.

Manufactured by the Southern Canopy Company, Knoxville, Tenn.

SOLE BY Isaac Eichberg & Son.

The "Dixie" Canopy is no experiment, but has stood the test for years, improvement having been made each year, until we can say without any fear of contradiction that it is the most perfect mosquito canopy ever put before the American people. It is easily attached to any style of Wood, Brass, Iron or Folding Bed without defacing the same. We wish to call especial attention to the size of the COILED SPRING of the Dixie Canopy Frame. It is made large enough that constant use will not weaken it, and cause the frame and net to hang over the bed, instead of getting back against the headboard, entirely out of the way.

It Requires No Step Ladder to Put it Up and is Always in Working Order.
