Waived an Examination.

George W. Dix, ex-keeper of wampum of Osceola Tribe of Red Men, who was arrested yesterday charged with embezzling funds belonging to the order, was brought before the Mayor this morning.

The accused waived examination and he was held in default of bail of \$1,000 for his appearance before the Corporation Court. Dix was represented by Mr. L. H. Machen and the prosecution was conducted by Mr. S. G. Brent, Commonwealth's Attorney.

Mr. Jas. R. Caton appeared as the representative of Osceola Tribe. Mayor Simpson gave the prisoner until 12 o'clock to furnish bail, with the understanding that if it was not forthcoming he would be committed to jail.

A number of members of Osceola Tribe were present, but the crowd without the bar was very small considering the interest incited by the proceedings against Dix. As was stated in the Gazette a day or two ago, Osceola Tribe has for a long time been an honored Alexandria institution.

It was organized in 1845, and during its history has had on its roster numbers of our most useful and representative citizens. Mr. John H. Standish has been a member of this tribe for nearly 49 years, and has kept up his membership longer than any in Virginia or the District of Columbia.

Several other old and respected citizens are members. The discomfiture of the organization is now experiencing excites the sympathy of the entire community, and it is hoped its members will suffer no despondency, but that all will vie to place the organization on the financial footing of the tribe are enjoyed. Many members of the tribe are of the rank and file of life who live by honest toil, and the fact that their savings of years have been wiped out on one fell swoop is, of course, exasperating.

Dix being unable to secure bail was sent to jail this evening.

Personal.

Mrs. Thos. W. Robinson entertained Mount Vernon Chapter, Daughters of the American Revolution, at her home on north Washington street yesterday afternoon. It was a delightful affair.

The chapter has a membership of over sixty.

Miss Rebecca Lee, of Charlottesville, is visiting Miss Dorsey Ashton, of north Royal street.

The marriage of Miss Edith Holmes Nourse, second daughter of Rev. and Mrs. James M. Nourse, and Dr. Jesse Sidwell Myers, of western Maryland, is announced for Tuesday at noon, at the home of the bride on Braddock Heights.

It will be a quiet, home wedding, the invitations being restricted to relatives of the contracting parties. After a tour through Pennsylvania and New York the bride and groom will go direct to Westminster, Md., where Dr. Myers has for some time been practicing his profession.

Mrs. J. H. Parker, of Nominia, who has been visiting her son, Mr. J. D. Parker, in this city, returned to her home today.

Mr. J. N. Lawler, who for some time past has been the assistant of City Collector Gorman, has accepted a position with the Portner Brewing Company.

Mr. R. Walton Moore, of Fairfax, was in the city today.

Mr. Augustus Dean continues seriously ill at his home, northwest corner of Lee and Gibson streets.

Justice Geo. M. Carpenter, of Pishah, Md., was in town today.

Rare Lecture.

The address to be delivered next Tuesday night at the Opera House under the auspices of the Seventeenth Virginia Chapter, United Daughters of the Confederacy, promises not only to be a highly interesting one, under the title of "A Legacy of Honor," but the speaker himself is a man of unusual attainments, both by accomplishment and heredity.

To start with, he is a scion of one of the oldest Highland Scotch families, and the hereditary chief of the clan of Macneil Barra, and the son of Gen. Sir John Macneil, Bart., C. B. K. G. M. G. & V. C. The clan of Macneil were ardent supporters of the House of Stuart, and stood loyally by their cause in the field, and their star went down on the Charles, in loden, with Bonnie Prince Charlie, in 1746. Since that time his family has distinguished itself in war, in law, and in diplomacy, and even at this late day

are still sentimentally loyal to the principles of their cause. Prof. Ambrose Macneil succeeded to his father's hereditary titles and rank, his chieftaincy descending from earliest times and his baronetage held patent of the ancient Scottish peerage. He is a man of unassuming bearing and enthusiasm in the pursuit he has chosen for his life work.

Tug Boat Licensed.

The handsome little tugboat Dallis, built by Augustus Dean & Son at this place for Judge J. D. Yeomans, has been completed and has gone into commission. The United States steamboat inspectors have licensed her to run upon the Potomac for a year. The Dallis is to be used as a freight boat between Washington and Judge Yeomans' stock and dairy farm at High Point, opposite the naval proving grounds at Indian Head. She is under the command of Com. Sunday Jones, with Mr. Jack White in charge of her engine room.

The boat is about 60 feet long, and is equipped with a single cylinder engine, and will be driven by a propeller. She is built on graceful lines, and while no effort has been made to drive her, she will, it is expected, make high speed. It is stated that Judge Yeomans is preparing to build another and larger boat next spring.

Sent to the Grand Jury.

The case of Sanford Lyons, colored, charged with shooting Charles Jones, also colored, was called in the Police Court again this morning. Jones, was unable to be present. The recognized the witnesses and recognized them for their appearance before the Corporation Court, after which he sent Lyons on to the grand jury. Jones is convalescing slowly and is supposed to be out of danger. The shooting, it will be remembered, took place on Sunday, October 26, on the premises of a colored woman named Jennie Gordon, in the northeastern part of the city.

The New Paving.

The sweeping of piles of dirt on King street over the area covered by the vitrified brick paving and leaving them for the winds to scatter or to become unsightly objects is to be regretted. A number of such mounds have been left near curbstones and will probably remain over Sunday to afford object lessons to visitors who were in former times wont to make remarks about the cobblestone roadway. The same class of persons are now placed in a position to say that the city shows no disposition to keep their modern roadway clean.

A Compliment.

Dr. M. W. O'Brien has received a telegram from Dr. Tabor Johnson, of Washington, who is now in Cincinnati, informing him of his unanimous election as a Fellow of the Southern Surgical Society. The society has a membership of 300, among whom are the leading surgeons of the South, and the compliment paid Dr. O'Brien came to him as a surprise, as he was not aware that his name was to be proposed for election.

A Distressing Accident.

Benjamin, the ten-year-old son of Mr. Henry Allen, Driver of the Hydraulion engine, had one of his hands nearly blown off this afternoon and one of his feet badly injured by the explosion of a railroad torpedo, which he was handling. The accident occurred in the alley in rear of the Schuler Beef Company's building on King street.

Relic of Colonial Days.

In excavating for the Cameron street sewer, yesterday, workmen found at Pitt street the remains of an ancient brick built across Oronoco creek when Alexandria was a small village. General Washington's town house occupied the hill just above the bridge, and it was probably erected for his accommodation.

LOCAL BREVITIES.

The ideal weather this afternoon caused an unusual number of visitors to Mount Vernon to stop off and visit places of interest here.

District Lodge No. 13, Independent Order of Good Templars, consisting of the lodges of that order in this city and county, Fairfax and Loudoun met today at Lorton, Fairfax county.

The Episcopal High School football team and the eleven from Mount St. Joseph's College, Maryland played a game of football on the High School grounds, near this city, this afternoon.

"The harvest is past the summer is ended, and we are not saved" (Jeremiah viii., 20), will be the subject of the discourse at the Gospel meeting at 116 south St. Asaph street tomorrow night.

Marriage licenses were issued in Washington yesterday to William Chambers and Rebecca Blair; Maurice Penbody, Vienna, and Grace Head, Ashgrove, and to Clayton L. Everhart and Grace M. Preston, both of Round Hill.

Don't miss seeing the new, beautiful and attractive line of ladies' dress skirts at Schwarz's, 518 King street. Prices start as low as \$1 and go up to \$10. All alterations made absolutely free of any cost. Satisfaction guaranteed or no sale.

Addison Chapman, a colored farmer of Manassas, was arrested in Washington yesterday on a warrant sworn out by J. W. Reid, of Brentsville, charging the embezzlement of \$200 in connection with a horse trade. Chapman is apparently sanguine that he will be able to explain matters.

A horse attached to a vehicle belonging to Mr. Coltriland H. Smith got one of its feet caught in the planking between the railroad track at Prince and Henry streets early last night and fell, throwing the driver to the ground also. Some people gathered at the spot and got the horse on its feet and later the vehicle moved away. Neither horse nor driver was much hurt.

Messrs. Isaac Eichberg & Son have a full and complete line of May Manton bazar patterns, which they are selling at ten cents each. They also have the catalogues at ten cents. These patterns are the most popular and the cheapest in the market. The Messrs. Eichberg are distributing the December Fashion Sheets free of charge.

The regular meeting of the Epworth League of the M. E. Church South, last night was a decided success in every respect. The church was packed with an appreciative audience. The committee which arranged the affair left nothing undone which could in any manner have added additional interest to the occasion.

Justice Triplett, of Fairfax, had before him today the case of J. B. Truax charged by Hugh Payne with assaulting him on a public road. The affair was the outcome of an old quarrel. After hearing the evidence Mr. Truax was fined \$2.50 and required to pay costs.

An accident to the machinery of the steamer Harry Randall shortly after she left Washington this morning necessitated her return until repairs could be made. Later she
