WEATHER PROBABILITIES.—For this section rain late tonight and on Wednesday; winds becoming easterly and fresh to brisk.

Reception. Mrs. Kate Waller Barrett, of 408 Duke street, introduced her second daughter, Miss Rebecca, to society last evening. The house was brightly illuminated and beautifully decorated for the occasion and was filled with a brilliant throng, a large number of the guests being from Washington and elsewhere.

Charter. Judge Norton today granted a charter to the Old Dominion Candy Company, the objects of which are to sell and manufacture candy. The capital stock is to be not more than \$5,000, and Mr. C. Bendheim is named as the attorney.

Confederate Veterans. The regular monthly meeting of R. E. Lee Camp Confederate Veterans was held at their hall last night. Commander E. C. Graham in the chair.

Upset Oil Stove. About six o'clock yesterday evening an oil stove was upset in the dining room of Mr. Lewis Hart's residence, on the north side of Wilkes street, between Fairfax and Royal, and the fire which followed caused considerable apprehension for a few minutes.

Trains Delayed. The engine attached to passenger train No. 38 of the Southern Railway blew out one of its cylinder heads while on the way to this city at an early hour this morning.

Death of a Sporting Man. George Milton Jones, for a long period of years one of the best known sporting men of this section, cashier of the pool room at St. Asaph, and a member of the firm of Dobbins & Co., jewelers, of Washington, died at the Emergency Hospital, in that city shortly before 8 o'clock last night, after an illness of a few hours.

The King Cannery. Messrs. Charles King & Sons are doubling the size of their cannery on Queen street, near Lee. New machinery is being put in, including a boiler, to supply a 100-horsepower engine. The King cannery was a success from the beginning, several years ago, and has been expanding ever since.

Circuit Court for the City. [Judge C. E. Nicol presiding.] Baltimore and Ohio Railroad Company vs. Burke & Herbert, bankers, a suit to recover \$12,000 alleged to have been paid by the bankers, without authority, to D. P. Hurley, when he was the agent for the railroad company in this city; jury and case in progress.

LOCAL BREVITIES. A few nights ago thieves entered Mr. W. H. Peck's store, in the northwestern part of the city, and stole between one and two dollars from the till.

Marched to Lower Fairfax. The United States steamer Kearney, Capt. S. B. Davis, landed a battalion of the engineer corps of the Washington arsenal at the foot of Prince street this morning. The battalion marched to a point near Franconia, in Fairfax county, when they counter-marched to this city, and re-embarked for the navy yard. The trip was for drilling purpose.

Opera House. The Sinclair Dramatic Company will make their initial appearance at the Opera House Thursday night. The cast includes some leading talent, and those who attend will doubtless be pleased with the performances.

Essential to Business. Business men have spoken of newspaper advertising as "the life-blood of trade" and "the nervous system of commerce." Among the majority of business men it is considered as much a part of the production and distribution of articles as are the materials and machinery in which money is invested.

Personal. Messrs. A. Oehlert and Frank Hamilton, who went on a visit to Lieutenant Fisher and Police Commissioner Fisher, at Beaufort, S. C., have returned. While on the visit they engaged in hunting and brought some game back with them.

Mr. William A. Moore, jr., and his bride have returned from their wedding trip in the North. The first ball of the Bachelors' Cotillon Club, in Baltimore, took place at Lehmann's Hall last evening. Among the debutantes were Miss Constance Cazenove Lee, who wore white accordion-plaited chiffon and lace, bouquets of pink roses and mignonette. Her chaperon was her mother, Mrs. Frank Lee, of Virginia, in silver tissue over satin the same shade.
