MEDICINAL.

The powder puff may help to hide the ravages of time but it avails little to hide the ravages of disease. When the face is disfigured by eruptions, the treatment must go below the surface to the blood, which is corrupt and impure.

Dr. Pierce's Golden Medical Discovery cures disfiguring eruptions which are caused by impure blood. It cures scrofulous sores, erysipelas, boils, pimples, eczema, salt-rheum and other eruptive diseases which impure blood breeds and feeds.

"I was troubled with eczema from the crown of my head to the soles of my feet," writes Mrs. E. H. Quick, of Cass City, Mo. "I could not walk at times nor wear my shoes. Thought there was no help for me—at least the doctor said there was none. I went to see friends at Christmas time and there heard of the good that Dr. Pierce's Golden Medical Discovery had done for them, and was advised to try it at once. For fear that I might neglect it my friend sent to the village and got a bottle and made me promise that I would take it. I had been getting worse all the time. I took thirteen bottles of the 'Golden Medical Discovery' and used 'All-Healing Salve,' which made a complete cure. It was slow, but sure. I used the medicine about eight months.

"I would say to all who read this; try Dr. Pierce's Golden Medical Discovery before wasting time and money."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose. Therefore accept no substitute for "Golden Medical Discovery."

Dr. Pierce's Pellets cleanse the clogged system from accumulated impurities.

TROUBLE IN WILMINGTON.

While quelling an outbreak of turbulent negroes in Wilmington, Del., last night, fomented by the lynching of the negro White, two policemen and a negro were shot, but not seriously. Sergeant Eugene McDermott and Patrolman Francis Green were the policemen. They received flesh wounds about the face, and James A. Mercer, colored, a scalp wound from a revolver bullet.

In another quarrel between a few white and colored men at midnight, William Kramer, colored, was shot in the stomach and probably fatally wounded by one unknown white man, who escaped.

Two hundred negroes, carrying clubs, marched along Ninth street and knocked down a white man and a boy in front of the postoffice. Later the disorderly crowd returned to Ninth and Walnut, and a squad of 20 policemen was sent to disperse them. Many white men congregated in the vicinity out of curiosity, and one of them at King street was stabbed by a negro. Then the negroes began to shoot revolvers, crying "Let's clean the corner!" Some of the white men retaliated until Sergeant McDermott and a few policemen arrived. McDermott saw Leander Moore, colored, with a revolver and started for him. Moore fired at McDermott, but the bullet struck Patrolman Greene on the cheek. McDermott grappled with Moore, who was clubbed into submission. A stray bullet struck McDermott on the forehead.

Patrolman Greene, although wounded, served Joseph S. Shockley, another negro, with a revolver. Moore and Shockley were taken to the police station and are charged with inciting to riot. After the arrests the policemen blocked off the street and also dispersed the main body of negroes, two blocks away. Five cows on the Ferris School Farm, over which Dr. E. A. Bishop, father of the murdered girl, has supervision, were found poisoned yesterday, and there are fears that the barns and other buildings may be burned by sympathizers of the negro. White, Dr. Bishop yesterday returned from Wrightstown, N. J., where he took his wife, who is suffering with nervous prostration. Referring to the fact that White, the negro, previously had a criminal record of four and a half years in a Pennsylvania penitentiary, Dr. Bishop made this caustic statement: "I notice that a Philadelphia newspaper holds up its hands in horror and says that such a deed as this would not have happened in Pennsylvania. They should remember that if White had received the same treatment in Pennsylvania for his first offense of this kind, as he would have received under the Delaware law, he would never have lived to commit the second offense."

FIGHT IN NORTH CAROLINA MOUNTAINS.—A fight occurred yesterday on top of Quaker Gap Mountain, Stokes county, N. C., and Cap King was killed, it is alleged, by John Rhodes, and one or two other persons were seriously wounded. Deputy Sheriff Smith was knocked down with a hoe by Russell Jones. Rhodes was arrested and committed to jail. The trouble was the result of an old feud between neighbors, and yesterday's fight was participated in by several persons on each side. Many shots were fired.

While the shooting was in progress a party of young people returning from Vade Mecum Springs heard the shots and stopped. One old man who was participating in the fight saw the crowd and he called to his associates: "Boys, stop shooting until those young ladies and gentlemen pass." The battle then ceased.

FOR NEGRO EMIGRATION.—At yesterday's session of the National Colored Emigration and Commercial Association in Montgomery, Ala., the committee on resolutions adopted a resolution recommending the chartering of vessels during the year 1904 for carrying colonists to the Republic of Liberia, Africa. A petition to President Roosevelt and the national Congress, citing the wrongs from which the colored race is said to suffer, was adopted. An appropriation of \$100,000,000 dollars was asked from Congress, to be used for securing the transportation of members of the race who desire to settle in Liberia. The petition, it is explained, does not recommend a wholesale deportation.

AN IMPOSING CEREMONY.—Cardinal Gibbons has accepted an invitation to invest Archbishop Farley, of New York, with the pallium, at St. Patrick's Cathedral, in that city, on Wednesday morning, July 22. The sermon on the occasion will be preached by Bishop McGuire. The ceremony will be of the most elaborate character. After the investiture Archbishop Farley will entertain the visiting prelates and other distinguished persons at a dinner to be given at his episcopal residence. Among the guests will be eleven archbishops, almost the entire personnel of the American hierarchy.
