## MEDICINAL.

**THE AX** of toughest steel becomes dulled by constant use and must have a new edge if it is to do good work. Constant work dulls a man as it does an ax, makes him sluggish of body and dull of mind. He needs a tonic, something that will restore the keenness of mind and activity of body.

Dr. Pierce's Golden Medical Discovery puts new life into weak, worn-out, run-down men and women. It strengthens the weak stomach, purifies the blood, and effectively stimulates the liver. The whole body is built up with sound, solid flesh by the use of "Golden Medical Discovery."

It was confined to my bed for four months from January 1st, 1899, and commenced to take your medicine, January 26th, 1899. I took eight bottles of Dr. Pierce's Golden Medical Discovery, four of "Favorite Prescription," two vials of "Pleasant Pellets," and one bottle of Doctor Pierce's Compound Extract of Squaw Weed, as a liniment. Indigestion, obstinate constipation, and burning of the liver was my trouble. I am at this time able to do almost any kind of house work. Your medicine saved me from my grave. Thanks to you for the benefit. My case was hopeless when I began taking your medicine.

Don't be fooled into trading a substance for a shadow. Any substitute offered as "just as good" as "Golden Medical Discovery" is a shadow of that medicine. There are cures behind every claim made for the "Discovery," which no "just as good" medicine can show. Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.

## Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

### A CHICAGO MYSTERY.

Early yesterday morning the dead bodies of Harriet Elizabeth Weber and Innocent Talamini, a marblecutter, were found in a street in Chicago. Both had been shot twice, and while there are indications that the man shot the woman and then killed himself, there are other features to the case that make it somewhat mysterious. Arthur M. Laurie, with whom the dead woman had made her home, will be held by the police until after the inquest. There is no evidence connecting him with the shooting, but he is detained as a witness. The shots that killed the man and the woman were heard by residents of the neighborhood at about 1 o'clock Tuesday night. No move was made to investigate the shooting, however, and nothing was known of the tragedy until yesterday morning, when the bodies were discovered by a newspaper carrier. The body of the woman was identified in a short time as that of "Mrs. Laurie," but when Laurie was brought to the police station he said that she was not his wife, and that he did not know the man whose body was found with hers. Last night in going through the effects of Miss Weber an envelope was found addressed, evidently in the handwriting of a man, to Innocent Talamini. In seeking Talamini to find what he might know of the woman or the shooting, the officers identified the dead man as Talamini himself. No cause is known why Talamini should have shot the woman, but she had told several of her friends the day before of a Jew who had been following her and of whom she was afraid. Talamini has a Hebrew countenance, and it is the general theory that he shot her because she refused to marry him. The woman when found had been shot twice, through the left arm and through the breast. Talamini was shot twice, once through the neck and once upward through the chin, the bullet coming out at the top of his head. In the man's hand was a revolver with four chambers discharged, accounting for the four shots fired. The people living in the neighborhood where the tragedy occurred declare that more than four shots were fired, and one bullet crashed through the window of a residence in the neighborhood. These facts have led the police to believe that there may have been a third party to the shooting, although there is so far no direct proof that such was the fact. The Weber woman was a native of Detroit, Mich., having gone to Chicago from that city several years ago.

### SUICIDE OF JILTED WOMAN.

On three occasions by men who had promised to marry her, and having after each of the first two times unsuccessfully tried to commit suicide, Mary Evakov, a Russian servant, 24 years old, made a third and final attempt to end her life in New York yesterday, and was found dead with a gas tube in her mouth at the house where she was employed. Two years ago the woman arrived in New York from Russia with the intention of marrying a man whom she had known in her native land. She found him married, with a family of two children, and attempted suicide. She then paid \$200 to a "schatcher," or Hebrew matrimonial broker, to arrange a marriage, and the intended bridegroom withdrew, but the woman took carbolic acid. Her life was saved, however, and when she had saved up another \$200 from her wages she again resorted to the schatcher, who secured a man who promised to marry her. The engagement was announced last week and the event celebrated with a party. Later the woman learned that the man she was going to marry had a wife and three children in Russia. She was found dead yesterday.

### MOTHER AND CHILD ASSAULTED.

Neighbors who went to the house of Mrs. Steven Trombler, at South Northfield, Va., early yesterday found the woman and her young child lying apparently dead on the blood-stained floor. Beside them was a club with which they had been beaten. The woman revived sufficiently to relate that a strange man whom she discovered in her room had inflicted her injuries in an attempt to outrage her, and then she lapsed into unconsciousness and is expected to die. It is thought that the child, aroused by the disturbance, was beaten to still its cries. It probably will recover.

### TICKLED HUSBAND'S FEET.

Because Mrs. Wm. Thomas of Middletown, O., tickled the feet of her husband she is dead and he is in jail charged with murder. Mrs. Thomas tickled her husband while he was lying on the lounge at the head of the stairs. He says that he made a kick at her and caused her to stumble and fall down the stairs. Her two children told the police that he struck her a terrible blow on the head and knocked her down the stairs.

### The National Camp, Patriotic Order of Sons of America, in session in Baltimore, yesterday received a report showing that the organization gained 10,000 new members last year, and now has 158,000 on the rolls, and also elected officers.

## MRS. IDA McDONALD, Supreme Deputy of the Maccabees of the World.

MRS. McDONALD, No. 477 Beaubien Street, Detroit, Mich., is a prominent woman who was greatly benefited by the great woman's medicine, Wine of Cardui. Mrs. McDonald is the supreme deputy of the Maccabees of the World, and one of the most widely known women in the United States. Thousands of women gather to hear her lecture everywhere she goes. The great work she has done for the Maccabees is appreciated by every member of the order. She was so absorbed in her work that she neglected to give her health proper care—failed to take warning that the symptoms of approaching kidney trouble gave her, the sallow complexion and torpid liver. But Wine of Cardui cured her the same as it has cured thousands of others and Mrs. McDonald has written this letter in order that other suffering women may secure from Wine of Cardui the same relief she got from it.

Mrs. Ida McDonald.

"For four years I suffered with torpid liver until my skin looked yellow and dull. I then found my kidneys were affected and had severe pains across my back, and I felt that I must do something to regain my health. A friend advocated your Wine of Cardui treatment so strongly that I decided to try it, although I had little faith in patent medicines. I am now very thankful that I did so, for within ten days blessed relief came to me, and in less than three months I was cured, and have enjoyed fine health ever since. I know there is nothing better for a sick woman who wishes to enjoy perfect health and an every pleased to give my hearty endorsement."

No suffering woman can afford to ignore such a letter as Mrs. McDonald writes. Her plans and advice have proved valuable in building up one of the greatest women's organizations in the United States and she takes time to give advice which she knows will help you.

Do not delay in securing this medicine. There is nothing to gain and everything to lose by delay. The choice is before you. Will or will you not secure relief now by taking Wine of Cardui? All druggists sell \$1.00 bottles of Wine of Cardui as well as 25c packages of Theodor's Black-Draught.

A million suffering women have found relief in Wine of Cardui.

### FOR OVER SIXTY YEARS

AN OLD AND WELL-TRIED REMEDY—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind, colic and is the best remedy for Diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

### The Proper Treatment for a Sprain and Ankle.

As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by Richard Ginson, druggist.

### No need to fear sudden attacks of cholera infantum, dysentery, diarrhoea, summer complaint of any sort if you have Dr. Fowler's Extract of Wild Strawberry in the medicine.

### A Purgative Pleasure.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure it is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not grip, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell, of Houston, Texas, says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc." Sold by all druggists.
