NORTH SEA DISPUTE.
The London Daily Telegraph's St. Petersburg correspondent who throughout has taken somewhat alarmist views regarding the outcome of the North Sea dispute, in a telegram printed this morning asserts that the admiralty has gained an ascendancy which compels the foreign office to repudiate its agreement with Great Britain, and that Count Benckendorff, Russian ambassador to Great Britain, will be made the scapegoat, and will probably be recalled. Meantime, he adds, the negotiations are at a standstill, and the matter will be referred to the Emperor.

A dispatch to Reuter's Telegram Company from St. Petersburg, however, confirms the Associated Press dispatches to the effect that Russia does not desire in any way to recede from the basis of the agreement, but proposes a modification of the language submitted in the British text, and the Daily Telegraph itself, in an editorial, is inclined to hope that reference of the matter to the Emperor gives promise of a satisfactory settlement of the matter. The paper concludes by saying that "it cannot be believed that the Czar will treat thus lightly the word of Russia pledged in his name."

A dispatch from St. Petersburg says that the resentment produced by the speeches of the British ministers on the North Sea incident, especially the assumption that Russia had agreed to punish the officers of the Russian squadron in advance of any findings of the commission, has been further inflamed by the speech of Lord Selborne, first lord of the admiralty, November 14, at Bristol, on the danger of a Russian invasion of India.

The Novoe Vremya, while philosophically disposed to hold the British jingoism responsible for this constant provocative attitude, calling attention particularly to Viceroy Curzon's and Lord Kitchener's deputations to Persia and Afghanistan, and disclaiming any desire on the part of Russia to engage in fight, says that, nevertheless, Russia always has a chance of evening up British superiority at sea by a move in the direction of India, and, therefore, naturally, it is a great comfort to Russia that she has direct rail communication with Tashkend.

The Novosti, on the contrary, makes light of the ghost of a Russian invasion of India, which British statesmen are constantly trotting out for the benefit of the British public, and suggests that it would be better for Great Britain to make sincere overtures to Russia regarding the Indian border instead of taking refuge behind Afghanistan.

Col. Breckinridge Stricken.
Col. W. C. P. Breckinridge, former Congressman from the Ashland, Ky., district and one of the best-known orators and lawyers in the South, was stricken with paralysis at his law office yesterday morning and is seriously ill. Some weeks ago while in Marquette, Mich., trying a law case, Colonel Breckinridge contracted a severe cold, and upon his return to Lexington suffered the second attack of illness in his life. He had never fully recovered from that illness and had attended to little business, though going to his office every morning for the last week. Yesterday while seated at his desk he was stricken with paralysis. His stenographer hurriedly summoned his son, Desha Breckinridge, and physicians. They worked over Colonel Breckinridge in his office several hours, after which he was removed in an ambulance to his home. An examination by physicians showed his right side paralyzed. Last night he was slightly improved, though he is not yet able to speak. Physicians pronounce his condition serious, but not immediately critical. Should he suffer another paralytic stroke it is feared the result would prove fatal.

Col. Breckinridge gained unenviable notoriety several years ago by reason of his relations with a young woman named Madeline Pollard.

Mothers Praise It.
Mothers everywhere praise One Minute Cough Cure for the sufferings it has relieved and the lives of their little ones it has saved. A certain cure for coughs, croup and whooping cough. A. L. Spafford, postmaster of Chester, Mich., says: "Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. One Minute Cough Cure quickly relieved and cured her and I cannot praise it too highly." One minute Cough Cure relieves coughs, makes breathing easy, cuts out phlegm, draws out inflammation, and removes every cause of a cough and strain on lungs. Sold by all druggists.

Chronic Diarrhoea Cured.
Mr. Walter Richardson, of Troutville, Va., had an attack of diarrhoea that came near ending his life. His physician had failed to relieve him and the disease had become chronic when he began using Chamberlain's Colic, Cholera and Diarrhoea Remedy. It soon cured him and he now recommends that preparation whenever an opportunity offers. For sale by Gibson & Timberman and W. F. Creighton & Co., druggists.

Tomorrow, Friday, Is REMNANT DAY.
The main object of our remnant sales is to keep the stocks fresh and clean. This is our thought always—winter or summer. The incidental bargains are important to those who buy them, but the thought of the great majority is constantly on the fine fresh stocks that we show every day in the year. But with thousands of individual sales daily there must be a constant watchfulness and clearing out of things that are not absolutely fresh, that are broken in sizes or scratched or marred, or otherwise unfit for regular stock. Every Friday we clear out these several classes of remnants by putting prices on them that will do it quickly and completely. Prices on an average will be lower than usual tomorrow, and there are many attractive lots of goods included which were secured especially for this weekly sale.

NOTE.—The removal of the Dress Goods, Silk and Velvet Departments to the second floor affords an unusually advantageous opportunity for the inspection of these several classes of goods. This week you will find an interesting collection of remnants of the new dress fabrics, lengths suitable for entire dresses, skirts, waists and children's suits. They will all be marked at remnant price.

The New Bakery Enterprise
WE HAVE PURCHASED THE ALEXANDRIA STEAM BAKERY AND WILL CONDUCT IT HEREAFTER AS THE CORBY BAKERY.
The reputation of this firm for producing the very finest bread that is made today guarantees the product of this new bakery. The process of bread making has been brought up to a standard by Corby Bros. that it never reached before.
The Breads are scientifically made—they're made of the highest grade materials—and the process of making and baking develops a clean, pure, nutritious bread of rare food value.

CORBY'S BREADS.
Our new plant in Alexandria will be conducted along the same lines as our other bakeries. The Grocers of Alexandria will be served with Corby's Breads and Rolls fresh from our ovens in Alexandria and we promise you a bread treat that'll be appreciated.
Compare our Bread with any other bread you know. The difference in appearance is marked—our Bread is white and inviting looking—it isn't crumbly and dry. It's as delicious as cake—and it's more nutritious than meat.
Analysis will prove many other breads to contain an excess of acidity, while in our Bread the finished product contains only the usual amount of acidity found in the raw materials used.

NEXT TIME YOU ORDER, ORDER CORBY'S BREAD OR ROLLS.

THE MARRIAGE QUESTION.

The professor who announced that "love and romance die out with the sound of the wedding bells," was the first to start the ball rolling. It would seem a brave woman who marries with this echo in her ears, yet we have not heard that there were fewer marriages during the year. There are unhappy married lives, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter.
During a long period of practice, Doctor Pierce found that a prescription made up entirely of roots and herbs, without the use of alcohol, cured ninety-eight per cent of such cases. After using this remedy for many years in his private practice he put it up in a form that can be had at any store where medicines are handled.
Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Protrusion, or Falling of the Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.
Dr. Pierce's Favorite Prescription cures headache, backache, nervousness, sleeplessness and other consequences of womanly disease. "Favorite Prescription" makes weak women strong and sick women well. Accept no substitute for the medicine which works wonders for weak women.

SOFTNESS OF SEALSKIN.
Is Itreated by Human Hair Where Dandruff is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 5c in stamps to The Herpicide Co., Detroit, Mich.
