

\$1000 REWARD

Is offered as a guarantee that neither Dr. Pierce's Favorite Prescription nor Dr. Pierce's Golden Medical Discovery

contains alcohol, opium, or any harmful drug. Any publishing false statements concerning their ingredients will be prosecuted. Doctor Pierce's Family Remedies are compounds of medicinal principles, scientifically extracted from native roots that cure the diseases for which they are recommended. They are medicines which have enjoyed the public confidence for over a third of a century. They are medicines not beverages, made to satisfy a craving for "booze."

"Golden Medical Discovery" regulates and invigorates stomach, liver and bowels, and cures dyspepsia, purifies the blood and tones up the system generally. "Favorite Prescription" cures female weakness, irregularities, exhausting drains, painful periods and kindred ailments peculiar to those medicines, each of which has a record of marvelous cures. Substitution means selfishness on the part of the dealer who is looking for the greater profit on an inferior article.

"Our daughter who was attending college became very nervous and we were advised to try Dr. Pierce's Favorite Prescription," writes Mrs. M. C. Fox, of 57 E. Leonard St., Rapid, Mich. "We did so and then you advised us to get the 'Golden Medical Discovery' also. She took four bottles of the 'Favorite Prescription' and three of the 'Golden Medical Discovery,' and you never saw such a change in a person. She said she did not feel like the same person. She was about seventeen years old at the time. I will gladly recommend Dr. Pierce's medicines to every one. I advise parents who have young daughters who suffer from nervous troubles to try Dr. Pierce's Favorite Prescription at once. I am sure it will help them."

First Appearance of Dandruff a Forerunner of Future Baldness.

That such is the case has been conclusively proven by scientific research. Prof. Unna, the noted European skin specialist, declares that dandruff is the burrowed-up cuticle of the scalp, caused by parasites destroying the vitality in the hair bulb. The hair becomes lifeless, and, in time, falls out. This can be prevented.

Newborn's Herpidea kills its dandruff germ, and restores the hair to its natural growth and abundance. Herpidea is now used by thousands of people—all satisfied that it is the most wonderful hair preparation on the market to-day.

Sold by leading druggists. Send 10¢ in stamps for sample to The Herpidea Co., Detroit, Mich.

Lightning Freaks.

Miss Letta Cummell, of Philadelphia, who is visiting the home of William Bowers, in Nippenose Valley, Pa., was struck by lightning during the storm Friday afternoon and quite seriously injured. The bolt struck the chimney of the house, ran down the flue and into the stove. Miss Cummell was seated directly by the side of the stove when the lightning struck her. Her clothing was literally torn into shreds, her shoes were ripped off and the lightning made a long deep cut in the sole of her left foot which laid the flesh open to the bone. She was not rendered unconscious, but was so shocked that she could neither speak nor cry out for some time.

Cure for Leprosy?

American surgeons connected with the Board of Health of Manila declare that they have discovered a positive cure for leprosy. Of 25 cases treated, all have improved, six cases being absolutely cured. Several patients, portions of whose bodies were gone, have recovered.

All of the case have been under observation for at least six months, and it is absolutely impossible to discover a trace of the germs of the disease in the blood of the patients. The method used is a system of x-rays. The surgeons do not desire their names to be mentioned at present. They will not ask for the rewards which have been offered by various governments for a cure for leprosy.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in case of cholera infantum. For sale by Gibson & Timberman and W. F. Creighton & Co.

Grave Trouble Foreseen.

It needs but little foresight, to tell, that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease. Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by E. S. Ball to Miss Roosevelt. A grand ball was given Saturday night in the marble hall of the Government House, in Manila, in honor of Miss Alice Roosevelt by the citizens of Manila. It was the most brilliant and elaborate function of the history of the city.

Miss Roosevelt wore a viceregal native gown, which was presented to her by several Filipino ladies, who were occupied for three months in making it. Thousands of people attended the ball, many of the foreign and American ladies wearing native costumes. Rear Admiral Enquist, of the Russian navy, and his staff were among those present. The Taft party sailed on the United States army transport Logan at 3 o'clock Saturday for a southern trip.
