

Alexandria Gazette. TUESDAY EVENING, NOV. 21, 1906.

Local Matters.

Sun and Tide Table.

Sun rises tomorrow at 6:50 a. m. and sets at 4:43 p. m. High water at 2:55 a. m. and 3:25 p. m.

Weather Probabilities.

For this section fair tonight and Wednesday; somewhat warmer Wednesday; light to fresh northerly winds.

Board of Fire Wardens.

A called meeting of the Board of Fire Wardens was held last night. Some routine business was transacted and the new rules governing the paid members of the fire department were adopted, the most important of which are the following:

19. Employees of the department are positively prohibited from entering saloons or drinking while on duty. 20. Employees of the department must wear their uniforms between the hours of 8 a. m. and 10 p. m., except when engaged in cleaning houses or apparatus. This law will be rigidly enforced.

21. The drivers of hose wagons shall carry not more than 4 persons, including themselves, on their respective wagons, either going to or returning from a fire. The drivers will be held strictly accountable for the violation of this rule. 23. Willful violation of these rules will be considered sufficient cause for dismissal from the department.

Handsome Buildings.

Among the number of dwellings erected in this city during this year but few are more attractive as homes than the three now about ready for occupancy at the corner of King and Patrick streets, designed by Messrs. Mullet & Co., of Washington, and contracted by Mr. Joseph F. Rodgers, of this city, for Messrs. Fred and William Schuler. They are 3-story houses with bay windows; are built of light colored mottled brick, the brick work having been done by Messrs Gilmore and Howard. All modern appointments in sanitary plumbing, gas and electric lighting have been utilized; tiled baths, kitchen range and furnace heat have been incorporated into the structures, which contain parlor, dining room, kitchen and five bedrooms, all furnished with closets. This improvement has removed an unsightly vacancy and relieves to some extent a long-felt need in our city of medium size up-to-date dwelling houses.

Funerals.

The funeral services of the late Mrs. Susan E. Fuller took place at 10 o'clock this morning from the residence of her son-in-law, Mr. H. C. Ansley, No. 813 Prince street, and were attended by a large number of friends of the family of the deceased. The services were impressively conducted by Rev. Dr. Brooke and Fisher, after which the remains were sent to Atlanta for interment. The floral tributes were beautiful. The pallbearers were Dr. W. M. Smith, Dr. W. R. Purvis, and Messrs. W. A. Smoot, W. B. Smoot, Geo. S. French and C. W. Ashby. The funeral of the late Mrs. Mary J. Hanzon took place this afternoon. The services were conducted by Rev. Messrs. Jeffers and Ewell.

Refused to Prosecute.

Officer Mayhugh succeeded yesterday in identifying the two men who, it was alleged, held up Mr. George Emmert last Saturday night in the northern part of the city. Mr. Emmert was summoned to appear at the station house, and upon arriving there refused to prosecute the accused. According to his statement the two men who accosted him are acquaintances, and they demanded that he return to the saloon and sell them half a pint of liquor. This Mr. Emmert refused to do, as it was then after 12 o'clock. One of the men then took his (Emmert's) pistol from his pocket and pointed it at his face. They later went off, carrying the weapon with them.

Aid for Distressed Hebrews.

About \$400 has already been collected in Alexandria for the benefit of distressed Hebrews in Russia. The committee expect to increase this amount, as some who have signified their intention to contribute will doubtless do so. It is the intention of those who are making the collection to send their first remittance on Thursday next and all to whom this cause may appeal are requested to hand in their donations by that time.

Deputy Clerk.

Mr. Charles Bendheim, clerk of the courts, today tendered to Mr. N. S. Greenaway the position of deputy clerk, which position he held under the late John S. Beach. Mr. Greenaway qualified before Judge L. C. Barley. Mr. Greenaway will at once take up the work which he recently relinquished. The action of Mr. Bendheim and the acceptance by Mr. Greenaway gives general satisfaction.

Henry Street.

People living on Henry street and others owning property on that thoroughfare are loud in their complaints of the action of the Washington-Southern Railway Company in neglecting to remove the track now that the company has abandoned the street. No cars have been run over the track since trains began to pass around the city—over a month ago. It is said that the City Council will be asked to take action in the matter.

Injunction.

Judge L. C. Barley today granted a temporary injunction restraining Alexander Lyles from removing or interfering with a drain pipe in the alley between his property and that of Frank P. Quinn, situated on the north side of Prince street between Fairfax and Royal, which pipe is used by the complainant to drain the sewerage of his property to the Prince street sewer.

Present for Lee Camp.

Congressman Rixey has written to Mr. J. M. Johnson, Commander, of Lee Camp, Confederate Veterans of this city, telling him that he has a set of the Official Records of the Rebellion at his disposal and which he will be pleased to have sent to the camp. Mr. Johnson has replied, telling Congressman Rixey that the camp will be pleased to receive the records.

An Interesting Meeting.

Perseverance Tent No. 1098, I. O. R. held another very interesting meeting last night when three candidates were initiated, and one was admitted by card from Golden Rule Tent of Washington. After the transaction of regular routine of business, Mrs. Lola V. Marks, P. C. R. of Onward Tent, was invited to preside over the "Good of Order," when the following programme was rendered. Remarks by H. C. R. W. W. Cordell; song by Mr. Chas. Bennett of Jno. B. Henderson Tent, of Washington; remarks by Mrs. Salkeld, Chief Ruler, Golden Rule Tent; recitation by Mr. C. E. Herbert, of this city; remarks by Mrs. Whitehead, Shepherd of Eastport Tent, of Annapolis, Md.

A recess was subsequently declared during which the younger members indulged in games. A special train on the electric railway will bring a large crowd to this city to participate in the grand rally at the Baptist church at 3.15 p. m. next Sunday.

Police Court.

[Justice H. B. Caten presiding.] The following cases were disposed of this morning: Isaac Napper, arrested by Officer Nicholson charged with disorderly conduct and fighting, forfeited \$5 collateral by failing to appear. A warrant was issued for his arrest on a charge of assaulting Louis Carrington, colored, with a knife. Carrington had been arrested by Officers Be tis and Henderson on a charge of disorderly conduct, but was dismissed.

James Ross, colored, arrested by Constable Cornell, was detained for action by the Alexandria county authorities. George Bowen, colored, arrested by Officers Roberts and Young charged with disorderly conduct, was dismissed. Ellen Kemper, colored, arrested by Officers Lyles and Garvey charged with disorderly conduct, was sent to jail for 30 days. A white man, who had been arrested at the instance of a woman on a charge of disorderly conduct, was dismissed, the charge not having been sustained.

Miss Brown's in Town.

If you want to enjoy a long hearty laugh of 180 minutes go to see "The Real Widow Brown," which comes to the Opera House tonight. It possesses the essential qualities and virtues of a genuine farce comedy—clean, pure, exhilarating, and with sufficient spice of captivating songs and clever dances to compose one of the best drawing attractions on the road. The author has constructed an ingenious plot on which the laughable incidents hinge, a seemingly strange anomaly, as the average farce comedy is as barren as the Klondyke is of a dress suit case. Its cardinal object is to make you laugh and enjoy yourself. You may have a thousand domestic troubles and business cares, but you'll forget them for the three hours you spend in the fascinating company of "The Real Widow Brown."

Investigation Continued.

Dr. Ashton, coroner of Alexandria county held an inquest yesterday afternoon at Mr. B. Wheatley's undertaking parlors over the remains of Frank De Lane, whose mutilated body was found beside the railway tracks near Brick Haven early Sunday morning. The jury was adjourned until Friday afternoon, when the investigation will be continued at the courthouse.

Death of Mrs. Dunn.

Mrs. Dunn, widow of Maj. W. M. S. Dunn and mother of City Engineer E. C. Duua, died at her home in Nelson county yesterday morning. Years ago Mrs. Dunn resided in this city with her husband, who was at time superintendent of the Virginia Midland Railway, and will be kindly remembered by the older residents of Alexandria.

Victim of Another Accident.

Mr. Amos Entwisle, who had one of his legs broken by a heavy piece of iron falling upon it while at work recently at the Southern Railway shops, was the victim of another accident at his home on south Fairfax street early this morning. While in the yard he made a mis-step and sprained the injured limb.

Arrival of Phosphate Rock.

The four-masted schooner Bertram, from Charlotte Harbor, has arrived with phosphate rock for the Alexandria Fertilizer and Chemical Company. The schooner is at the new wharf recently constructed by the company between Queen and Princess streets.

Woman's Auxiliary.

It is urged upon all members of the Woman's Auxiliary to R. E. Lee Camp to be present at the meeting which will be held tonight at 7:30 o'clock in Lee Camp Hall. Business of importance is to be transacted.

Personal.

Mr. James Hartley, of Richmond, is visiting relatives in this city. Judge Charles E. Nicol, of Manassas, judge of this, the sixteenth, judicial circuit, composed of the counties of Fauquier, Loudoun, Prince William, Fairfax, Alexandria county and City, is prominently spoken of as a candidate for the Court of Appeals of Virginia should any change be made in that body. The Park Place Presbyterian Church of Norfolk has called Rev. Dr. F. J. Brooke, of this city, to the pastorate, and it is likely that he will accept.

Saved by Dynamite.

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long, you feel as if nothing but dynamite would cure it. T. Z. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her, so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At E. S. Leadbeater & Sons' drug store, price 50c and \$1.00; guaranteed. Trial bottles free.

The Exact Thing Required for Constipation.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," say R. S. Webster & Co., Udon, Ontario, Canada. For sale by Gibson & Timberman and W. F. Creighton & Co.

Alleged Plot.

Evidence obtained by the commission which is investigating the discovery by the secret police Saturday last of a considerable quantity of arms, ammunition and accoutrements in a house, in the Cerra suburb, of Havana, is tending to implicate a few men of some prominence. The government has no doubt that the material came from the United States, and it is seeking to learn who were the purchasers.

Government officials now admit that they have received various secret advices regarding contemplated uprisings before election day in various parts of the island, particularly in the provinces of Santiago, Santa Clara and Pinar del Rio, with a probable attack on the palace in Havana. The object of the latter, according to the officials, appears to be the removal, possibly assassination, of President Palma.

The plotters, it is pointed out, are well aware since there is no vice president that the election of President Palma's successor would, according to the constitution, be in the hands of Congress, and that the liberals, with the help of a few independents, could control both houses. The government has not revealed its information as to the extent of these plots but special measures have been taken for guarding the palace. The facts that the President and his family are remaining at home, and that troops are being sent to the points where, according to reports the plotting originated, are considered significant.

So far as known, however, these plots are not generally backed by the whole party, and, whether they are widespread or otherwise, the active watchfulness against any form of uprising is believed to have squelched any ambitions of the plotters.

Many Persons in Peril.

Many lives were endangered and property to the value of \$50,000 was destroyed yesterday by a fire which almost consumed the Commercial Building, at 9212-9218 Commercial avenue, Chicago. The first two stories of the structure were used as stores and the three floors above were divided into apartments.

On the first floor was also situated the postoffice of the suburb of South Chicago, and this, too, was badly damaged. Mrs. Mary Broadhurst was severely hurt by falling through a skylight. She was picked up while unconscious and carried to the street by a fireman. Eight other people were also carried from the building by firemen, none of them, however, being badly hurt. About 200 people were in the building when the fire broke out, but with the exception of those aided by the firemen and several others, who were compelled to descend ladders, all of them reached the street without difficulty.

V. M. I. Visitors.

General Shipp, superintendent of the Virginia Military Institute, yesterday, at the request of Alexander Hamilton, of Petersburg, president of the board of visitors, notified the members that a meeting of the board would be held in the office of the superintendent of public instruction, Richmond, at 8 o'clock Wednesday evening.

At this meeting the situation at the institute with reference to the third class will be considered, and it is expected that action will be taken on the paper submitted by Governor Montagu on his visit to Lexington last Thursday and signed by the third class. The 10 days within which time the recalcitrant third classmen were given to express their regrets for presenting the paper of November 2 threatening to withdraw from the school unless food conditions improved, will expire on the 23d.

The Christmas number of Everybody's Magazine has been received from its publishers in New York. It is exceptionally strong in all departments, especially so in fiction. The first installment of Rex E. Breach's romance promises a stirring story. Booth Tarkington contributes one of his best love stories. A characteristic story by O. Henry is enjoyable, as are the other clever stories by well-known writers. A narrative of peculiar interest tells of the annual Moslem pilgrimage to Mecca. Two articles of interest to women are "The Autobiography of an Old Maid" and the history of the career of "Ell Rawls Reader." In "Frenzied Fi-nance" Mr. Lawson makes public a ghastly plot, and in "Soldiers of the Common Good" Mr. Russell tells of the brave and thoughtful men who are striving to promote the greater welfare of the millions.
