Attempt to Wreck Train.

An attempt was made to wreck the 9:30 p. m. o'clock express train on the Washington, Alexandria and Mt. Vernon Railway at the northern approach to the Highway bridge in Washington, and it was only because of the slow speed of the train that no one was hurt. The matter was brought to the attention of the police by Superintendent Colvin, who reported that the cross-over switch at the north end of the new Highway bridge was blocked by some unknown party by placing an iron bar in one switch and an iron bar in the other. A nonstop train hit the switch at 9:33 breaking the flange of the motor car. As it happened, the train was running at a slow speed. There is a heavy embankment at that point, and if a train had been going at a high speed, as usual, the two cars would have jumped the track and rolled down the embankment. No motive is known for the attempt, and several detectives have been assigned to investigate the matter. Both cars were crowded with passengers, as parties living in Alexandria and way stations who work to Washington use that train to return home at night.

Police Court.

Justices H. B. Oston presiding. The following cases were disposed of this morning: A white man, arrested by Lieutenant Bettis charged with disorderly conduct at Wilkes and Fairfax streets, forfeited his collateral by failing to appear. Two boys, arrested by Officers Beach and Garvey in connection with the same case, were dismissed. Warrants have been issued for two other youths charged with disorderly conduct in the same vicinity. Samuel Dudley, colored, arrested by Officer Bell charged with disorderly conduct, was fined \$5. Lena Stewart and Lorena Butler, both colored, arrested by the same officer on a similar charge, were dismissed. John D. Curtis, arrested by Officers Bell and Garvey charged with larceny, was dismissed upon promising to leave the city. The Late Miss Froebel. The death of Miss Annie Froebel, formerly of Fairfax county, an aged lady and well known to many in Alexandria, which recently occurred at the home of Mrs. Mary Marshall Racol in Scotia, Ala., has been mentioned in the Gazette. The deceased had attained the ripe age of 95 years. During a portion of her long life she resided in or near Alexandria, and when she removed to Alabama she carried with her the recollections of her residence among us, as well as of the many friends and acquaintances with whom she mingled for so many years. Up to her death she was a regular reader of the Gazette, and kept in touch with Alexandria and the history of the city in making.

Circuit Court for the County.

[Judge L. C. Barley, presiding.] John Wright convicted of committing a criminal assault upon Miss Mabel Riley last September, was sentenced to be hanged on Friday, May 31, 1907. Sentence was by the W. A. & F. O. R. B. jury and case in progress. The plaintiff was represented by Messrs. Machen & Moncay, and the defendants by Mr. E. W. M. ore. The judge signed a final decree in the case of the assignment of B. A. D. ugers, who conducted a refreshment stand at Luna Park. It provides for the sale of his property at auction, providing a satisfactory offer cannot be obtained at private sale. Wright Sentenced. John Wright, colored, who was convicted of criminal assault upon Miss Mabel Riley, now Mrs. Forrest Gooding, near Luna Park last September, was resented today by Judge Barley in the Circuit Court for the County to be hanged. The execution will take place on Friday, May 31, 1907, between sunrise and 12 o'clock noon. When Wright was asked if he had anything to say why the sentence should not be carried out, he arose and asserted his innocence of the crime charged to him. Wright was convicted on November 30 last and sentenced to death, but was granted a stay of execution by the Court of Appeals. The appellate tribunal denied petitions for a new trial.

Accused Dismissed.

Edward Harrison was arrested by Lieut. Smith yesterday on complaint of an elderly man named Matthew Kown. He was charged with obtaining \$400 on false pretenses. Mr. Kown told the police that about a year ago young Harrison borrowed the sum mentioned from him, agreeing to open a printing office and make him night watchman. Harrison, he claims, failed to carry out his part of the agreement, and he has never been able to collect the money. The case was heard in the Police Court this morning when Harrison was dismissed it being a matter to be settled in a magistrate's court.

River Notes.

The steamer Lackawanna, which arrived from New York yesterday, has taken the place of the steamer Woodbury on the Alexandria and Washington ferry route. The three-masted schooner W. O. Goodman is loading ties at this port for New York. The barge Kathryn McIlwaine is also loading ties at the wharf of the Bryant Fertilizer Company. The schooner Haskell Hart, loaded with lumber to H. K. Field and Co., has arrived.

Attempted Suicide.

A man who gave his name as John D. Curtis attempted to jump into the river at the foot of Prince street early this morning, but was seized by bystanders and prevented from carrying out his purpose. He was later taken in charge by Officers Bell and Garvey and arraigned before the Police Court on a charge of lunacy. He was sent to Washington, where he lives. Curtis was at one time a soldier.

Fatal Accident.

Joseph Clark, 22 years old, employed as a brakeman in the Potomac railroad yards, north of this city, was fatally injured last night while engaged in coupling cars. The unfortunate young man was taken to the Alexandria Hospital, where he died at 3 o'clock this morning. The deceased was a son of Edward and Susan B. Clark, and was a native of Fairfax county. He was unmarried and had recently lived in this city.

Fanchon Pleasure Club.

The Fanchon Pleasure Club is making preparations for their May dance at McBurney's Hall on Thursday, May 2, which will be the last dance of the season, and every effort will be made to make this a most enjoyable affair. Invitations will be issued next week. The committee is composed of Messrs. Harry Dechlagger, Jerome Kaufmann, Thos. G. bb, Martin Quinn, Edward Ticer and Henry Steiner.

One-legged Man Arrested.

Lieutenant Smith this afternoon arrested a one-legged man named John Rice, who recently appeared in this city soliciting alms. It is said that he spends all the money he receives in liquor, and storekeepers have objected to him stationing himself in front of their places of business. Rice will probably be sent out of the city.

Declared Insane.

A lunacy commission, consisting of Dr. Samuel B. Moore, Dr. Martin D. Delaney and Justice of the Peace Julius Pelton, yesterday made an examination of Charles Lloyd, a youth who was recently sent to jail on a charge of larceny. He was found to be of unsound mind and will be placed in a State asylum.

The Epworth League of the Methodist Episcopal Church South will tonight tender a reception to Rev. E. V. Regester, the new presiding elder in this district, and Rev. C. D. Bull, who was recently reassigned to the church in this city. His Dear Old Mother. "My dear old mother, who is now eighty-three years old, lives on Electric Bitters," writes W. B. Brunson, of Dublin, Ga. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puffy children are greatly strengthened by them. Guard against cheap imitations by them. Guaranteed by E. S. Leadbeater & Sons, druggists, 50c.

The many friends of Mr. George Schaefer will regret to learn that he continues seriously ill at the Alexandria Hospital.

The motor car of the electric trolley which left Washington at 1:30 o'clock this afternoon ran off the track at Spring Park, which interfered with traffic for some time. CHESAPEAKE PRESBYTERY.

The spring meeting of Chesapeake Presbytery, which has been in session during the past few days at the Second Presbyterian Church, Washington, came to an end last night. On Tuesday evening the opening service was preached by Rev. J. R. Cook, the retiring moderator. The roll was called, showing nine ministers and ten ruling elders present. Rev. Joseph B. Sevier, of the Second Presbyterian Church of this city, was unanimously elected moderator. Much of the business transacted was of a routine nature, receiving reports from the churches on the various departments of church work, reviewing the records of the churches, tabulating the reports and ordering them sent to the general assembly. The year's record of the presbytery was a good one, showing a total membership of 1,710, with a Sunday school membership of about 1,200; contributions to foreign missions \$2,558; to pastors \$7,763, and congregational expenses \$7,887. Besides these there were smaller amounts given to other causes.

Rev. H. W. Pratt, chairman of the committee on preparation of a new manual, reported, and the same was ordered to be printed. After considerable discussion the Presbytery voted against the Charlotte articles for closer relations with other Presbyterial churches of this country.

Dr. Thompson and Dr. D. W. Wells, of Washington and Rev. D. W. Wells, Jr., of Syracuse, N. Y., were introduced to the Presbytery and invited to sit as visiting brethren.

On Wednesday afternoon Rev. A. D. Gilmour was heard in the interest of the Union Seminary. On Wednesday night the communion sermon was preached by Rev. J. R. Sevier.

Rev. Jas. H. Taylor and Elder A. G. Ueber were appointed a committee to prepare an exhibit for the Presbytery at the Jamestown Exposition, Rev. Wm. Ohlson, with Rev. L. F. Harper were chosen as alternates; and Mr. A. G. Ueber, with Mr. Miller alternate, were chosen as the Commissioners to the General Assembly which meets at Birmingham, Ala., in May.

On Thursday night Rev. Jas. H. Taylor preached the sermon on foreign missions after which the report was read, a resolution of thanks for the hospitality of the Washington people, the minutes read and approved, the closing hymn sung, and the meeting adjourned to meet at the Aldie Church, in Loudoun county, September 10, at 8 p. m.

The presbytery was delightfully entertained at lunch Thursday at the Cordova by the Ladies' Aid Society.

A VALUABLE PRESCRIPTION.

The average person does not realize how much the body depends upon the proper action of the kidneys and bladder, nor how widespread disorders of these organs are. It is quite safe to say that they give constant trouble to the patients who are afflicted, and perhaps it would not be too much to say that, directly or indirectly, they are charged with as much sickness as all the other organs of the human body combined. As a result of a vast amount of careful study, many physicians are now using with great success in the treatment of disorders traceable to the kidneys and bladder a prescription composed of 1-4 oz. Fluid Extract of Buchu, 1-4 oz. Fluid Extract of Va. Psi, 1 oz. Auster Cordial, 1-4 oz. Fluid Extract of Liverwort and 15 cc. water. This is administered in doses of a tablespoonful three times a day and while the treatment is continued, which, in order that all impurities may be eliminated from the system, should be for a month, the patient is advised to drink large quantities of water. The materia called for by the prescription is carried in stock by every first-class pharmacy.
