

Alexandria Gazette.

TUESDAY EVENING, NOV. 12, 1907.

Local Matters.

Sun and Tide Table.

Sun rises tomorrow at 6:40 a. m. and sets at 4:48 p. m. High water at 1:35 a. m. and 2:09 p. m.

Weather Probabilities.

For this section unsettled weather tonight and Wednesday, probably occasional rain or snow; light to fresh northerly winds.

NEW TELEPHONE LINE.

A new telephone line, with sixty instruments on it, will shortly be in service through Westmoreland and King George counties, extending from Colonial Beach and Oak Grove to Fredericksburg. This service, it is stated, is in addition to that already established and will take in points along both the Potomac and Rappahannock rivers. The telephone companies have never built a connecting line between Alexandria and Fredericksburg, although it is stated the ends of telephone communication extending from the two cities are within twenty miles of each other and go through a rather thickly settled country. To get a message to Colonial Beach or other points along the lower Potomac from this city, it is necessary to telegraph to Fredericksburg and from there the message is sent by phone to its destination often causing a delay in the transmission of a message of several hours.

THE CHILDREN'S HOME.

The ladies of the W. O. T. U. are having a rummage sale on the corner of Wilkes and Royal streets for the benefit of the Children's Home. Any donations, especially ladies' skirts and men's clothing, will be thankfully received any time during the week either at the Home or the place mentioned above.

This regular business meeting of the Alliance W. O. T. U. will be held as usual Thursday afternoon at 8 o'clock at the Children's Home on Duke street. The regular weekly prayer meeting will be held at 7:45 o'clock Thursday evening at the Children's Home on Duke street.

NEW LOCOMOTIVES.

It is reported that new locomotive engines have been provided by the Southern Railway Company for its Bluemont branch, and will be put on the road before the 17th instant, when trains will be run into the new Union station.

It is learned that no provision can be made for stopping trains on Maryland avenue at 8th street for the accommodation of commuters employed in the uptown offices, and that until the completion of the substitution at 14th and Water streets, the foundation for which is now being constructed, and which is to be completed in about two years, all trains will go through to the new depot.

AN INCORRECT RUMOR.

A report was circulated in this city yesterday to the effect that a couple had come here from Washington and been joined in wedlock by Mr. R. D. Rogers. The rumor originated in Washington, and the parents of the young man and young woman came to this city to ascertain if Mr. Rogers had tied the knot. They found that gentleman at Smoot & Co.'s lumber yard, where he is employed. Mr. Rogers told the anxious parties that while he occasionally preached, he was not authorized to celebrate the rites of matrimony.

FUNERALS.

The funeral of the late Miss Blanche Hamilton, took place from her late home, 728 J. Ferson street, this afternoon. Rev. Dr. W. W. Van Arsdale conducted the services, and the interment was in Bethel Cemetery.

The funeral of the late Benjamin F. Waters, who died Sunday, took place this afternoon from his late residence on south Patrick street. The interment was in Union Cemetery. The services were conducted by Rev. Edgar Carpenter.

CRIMES OF MURDER.

Early Sunday night cries of murder were heard on the Maryland flats, and several persons who were on the river front at the time entered a boat and proceeded in the direction from which the cries emanated. They found several persons in a pleasure boat, but upon drawing near saw no reason for the cries of distress. The party seemed to be in a hilarious mood, and the Alexandrians left them. The excursionists are supposed to have been Washingtonians.

SENT TO JAIL.

Officers Knight and Ferguson last night arrested a youth named Paul Clements as a suspicious character. He was found loitering about the Opera House after the close of the exhibition at that place. Clements was brought before the Police Court this morning when Officer Knight stated that the youth about two years ago was sent to the reform school in Washington for stealing a horse, and had been paroled. Justice Caton sent him to jail for 30 days.

CASE SUBMITTED.

In the U. S. Circuit Court of Appeals in Richmond yesterday the following was among the cases argued.

Alexandria National Bank, plaintiff in error, vs. Willis C. Bass, Company, defendant in error. In error to the circuit court at Alexandria. Argued by Howard W. Smith and C. C. Carlin, of Alexandria, for the plaintiff in error, and by Clayton E. Enig, of Washington, D. C., for the defendant in error, and submitted.

DEATH OF MR. LANGHORNE.

Mr. Harry Langhorne, son of Mr. Chiswell Dabney Langhorne, of "Mirador," Albemarle county, died at his home in this city yesterday. He was 33 years old and leaves a widow, who was Miss Genevieve Peyton, of Charlottesville, a niece of Mrs. M. C. Peyton, of this city. The latter left here today to attend the funeral which will take place in Richmond tomorrow. Mr. Langhorne had a large number of friends in this city.

MEETINGS.

A meeting of the Harmon S. Palmer Hollow Concrete Building Block Company was held yesterday evening at the office of Messrs. Norton & Bothe at which Messrs. Norton and Bothe were elected with Mr. H. S. Palmer as president. The Liquid Paper Package Company also met yesterday evening at the office of Messrs. Norton & Bothe and elected directors.

The City Council meets tonight.

THE MERRY COBBLER.

Maria Holmes (Miss Stanton), while in Berlin, Germany, marries Gratchen, the owner of a rich German baron, against his wishes. They live together for a few years but tiring of her he comes to America and locates in New Orleans, bringing with him their little daughter, Lelia, and places her in the family of a well-known citizen. His brother-in-law, Franz, on account of his old uncle's cruelty, emigrates to America—also locates in New Orleans. This Holmes falls in love with a Stella Derron and is engaged to her when his brother-in-law, suspecting that something was wrong, keeps an eye on him and learns that he intends to return to Germany, and wants him to go with him and claim a large fortune. His wife in the meantime escapes from an insane asylum in which she confines her, comes face to face with him and under certain promises does not disturb him. The climax winds up by Holmes being caught in his dirty work. Franz marries Stella with the consent of her father and Holmes is sent to prison.

REV. MR. HOBBS.

The protracted meetings at Boulah and Woodlawn churches in Fairfax county, which have been conducted by Rev. C. K. Hobbs, of Del Ray, have closed. The results of these meetings were 54 conversions and 49 received into the church and others will follow. Mr. Hobbs will preach at Boulah church next Sunday at which time the hand of Christian fellowship will be extended to those who have just joined the church. The people of Del Ray are anxious that Mr. Hobbs should begin a protracted meeting with them at once, but as it is generally understood that he will go to Albemarle county next week to be married to a charming young lady of that county, of course he will not be able to hold such meetings immediately. Mr. Hobbs will preach for Rev. Dr. W. F. Fisher at the Baptist Church in this city tomorrow night.

POLICE COURT.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning: Philip Webb, colored, charged with improper conduct on the street, forfeited his collateral by failure to appear. Newton Faust and Thomas Thornton, charged with keeping vicious dogs, were dismissed. Paul Clements, arrested as a suspicious character, was sent to jail for 30 days.

A white man, charged with drunken and disorderly conduct, forfeited his collateral by failing to appear. Lawrence and Leary Bright and Bernard Pettey, charged with stealing beer from Joseph Weideman, were fined \$5 each. Edward Soper, who had failed to appear as a witness in the case yesterday morning, was fined \$2.50.

DEATH OF MR. DAVIS.

William H. Davis, a well-known resident of this city, died at his home, 516 Queen street, yesterday evening. He is survived by a wife and three daughters, Alice Davis, Margaret Davis, and Mrs. Jefferson Beach. The deceased was a native of Occoquan. He was 64 years old, and was a carpenter by occupation. The funeral will take place tomorrow afternoon from the residence. The services will be conducted by Rev. C. D. Bull, and the pallbearers will be Messrs. Park Timberman, T. R. Ballenger, G. E. Price, J. F. Cook, James Talbot and Oliver Underwood.

COLDER WEATHER.

The weather during the past forty-eight hours has undergone a marked change. On Sunday afternoon the temperature was too high for comfort; last night it was too low, enough to bring out overcoats. The temperature continued to fall during the night, and this morning the wind was from the northwest, with the weather raw and cloudy and indications of snow or rain. There were occasional "epits" of snow during the day and at noon the mercury registered 45°.
