ARRESTED ON SUSPICION.

Chief Goods and Officer Beach yesterday afternoon arrested a stranger, who gave his name as Lewis Rabe, about 35 years old, on suspicion of stealing five handsome gold medals he had in his possession. Upon reaching the station house Rabe said he found the medals in a leather bag near the union passenger railway station Sunday afternoon. He says his home is in Erie, Pa., and that he is a steel worker. His object in stopping off in this city, he said, was to obtain employment. Four of the medals were awarded to Miss Abbie McFarland for proficiency in various branches during the years of 1894-5, 6, and from the initial "M. B. S." and the further inscriptions, "S. Anson, Va.," on each it is supposed that Miss McFarland was a student at the Mary Baldwin Seminary in Staunton during those years. The other medal was awarded to Miss Nannie McFarland, and the initials on it indicate that she was a student at the Augusta Female Institute, at Staunton.

Rabe entered Saunders & Son's jewelry store yesterday afternoon and attempted to dispose of the medals, but Mr. Clyde Saunders, a member of the firm, became suspicious and told the stranger to return in about an hour. Mr. Saunders informed the police of his suspicions, and when Rabe returned Chief Goods and Officer Beach took him in custody.

Chief Goods has communicated with the Staunton authorities regarding the medals.

Chief Goods this morning received a dispatch from Chief of Police, Eric of Charlottesville stating that he would arrive there this afternoon and conduct Rabe to that place. It appears that the McFarland residence in Charlottesville was robbed recently.

The five medals are said to be valued at about \$50. Rabe offered to sell them to Saunders & Son for \$43.

The clothes worn by the prisoner bear the name of J. R. Elliott.

HANESOME TABLET.

The handsome bronze tablet to the memory of the pallbearers of General George Washington, of which mention has been made, arrived in this city yesterday and was at once placed in position on the west wall of Christ Church, where it is now veiled with a state flag. The tablet, which is 42 by 38 1/2 inches, was designed and cast by J. E. Caldwell & Co., of Philadelphia, and is a beautiful piece of workmanship. The skilled workman sent by Mr. Caldwell to place the tablet was assisted in doing so by Mr. Wm. Chaucey, of this city. The raising of this tablet is the work of the members of Mt. Vernon Chapter, D. A. R., who were generally assisted in their patriotic undertaking by Alexandria-Washington Lodge of Masons and the descendants of the men whose memory is thus honored.

The unveiling of the tablet will take place on Friday the 23rd at 4:30 p. m., and to the reception committee of Mr. Vernon Chapter, who will welcome the many distinguished guests of the occasion, have been added Mr. Robert E. Lee, of Ravensworth and Judge Norton and Mr. W. Albert Smoot, jr., of this city. Mr. Lee will escort to her seat on the stand Mrs. Donald McLean, President General of the National Society of the Daughters of the American Revolution, who will make an address after the unveiling. Among the prominent personages who will attend the ceremonies are Vice President and Mrs. Sherman.

"QUEEN OF THE CARNIVAL."

As the time approaches for the closing of the ballot boxes in the vote for "Queen of the Carnival," interest is being taken by the friends of candidates who would like the honor. It is hard to predict which of the many candidates will be successful, as the bulk of the voting will occur on the closing night, April 24. There is no doubt that the candidate receiving the highest vote will be going some when the votes are counted, for some of them have zealous friends. As the money goes to the Court of Honor; that is, what is needed for the purpose—and the balance to the general carnival fund—it is more than possible that this will inspire many to greater efforts—laying aside the fact that the lucky one will be presented with a \$225 diamond sash, on exhibit in the store window of R. C. Acton & Sons.

THE FISHING SEASON.

The supply of fish has fallen off. In fact, there were virtually none on the market this morning. As was stated recently, the packers at Fishtown find it impossible to secure men to handle the fish which are brought there. Yesterday they were compelled to send to Washington for cutters and packers.

COUNCIL MEETING.

A special meeting of the City Council will be held tonight to receive a report from the finance committee relative to the taking up of the remainder of the bonds of 1879 which have not been refunded and of holding the remainder of the new bonds which have not been exchanged.

AMUSEMENTS.

As was anticipated Johnson, Omas and Johnson, the character artists, versatile comedians and charming scrotes, kept the tremendous audience at the Opera House in a roar of laughter during their whole performance, while the Metropolitan Stock Company in that side-splitting farce entitled "Mr. and Mrs. Brown and Smith's Troubles" were the finest in vaudeville witnessed here for a long time. There is no denying the fact, that this is a great show for the price of one admission. If you want a hearty laugh come out tonight. The Surprise Theatre started this week with excellent vaudeville, including such stars as Chas. and Jennie Swart, comedy sketch artists; Fred Frey, the mew-zal-mok, and Grover McWilliams, the singing and whistling impersonator. The large crowd in attendance there fully appreciated the value of good talent by great applause of every act.

The Alexandria Amusement Company's pictures, as usual, were good and highly appreciated as they are on all occasions, having some of the best selections to be seen. Tonight there will be a change at this house and they will be of a high order. The Elite still holds the banner for exhibiting the largest pictures shown in this city and the proof that the people enjoy them is that the hall is crowded each night. Extra large ones tonight.

U. D. O.

The annual meeting of the Seventeenth Virginia Regiment Chapter, U. D. O., was held in Lee Camp Hall, Saturday afternoon at 3 o'clock, and was well attended. Annual reports were made, that of the president being very interesting, showing much work done and great interest displayed by the members, an increasing membership and a good financial condition. Reports from the Emerald Tea committee were presented, a very nice sum being realized for Confederate work, and the hearty thanks of the chapter were offered to those who assisted and by their delightful music made the affair a success.

Other business of importance was transacted and the following were elected officers for the ensuing year: President, Mrs. W. A. Smoot; 1st. vice president, Miss Louisa Smoot; 2nd vice president, Mrs. J. W. Harris; recording secretary, Mrs. Walter W. McClaffry; corresponding secretary, Mrs. Indiana Heedson; treasurer, Mr. Ray Cleveland; registrar, Miss Mary H. Lunt; historian, Mrs. George Warfield. The committee having in charge the official badge for Home-Coming Week announced them ready for sale by all members. The chapter then adjourned.

BAGGAGE LOCATED.

Chief Goods received word from Captain Boardman, of Washington, today that he had found the baggage belonging to the late Walter F. Schultz, whose dead body was found near Spring Park, where he was supposed to have been murdered, at 631 Second street, north-east. A family by the name of Beach lives at the above address. The Washington police will make an investigation and report it to the Alexandria police.

POLICE COURT.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning: Lewis Rabe, suspected of stealing medals in Charlottesville, was held for the authorities at that place.

Albert Farmer, charged with being drunk in the street, was sent to jail for ten days.

CONCERT.

The Musurgia Club will give a concert at the Young People's Building tonight when a delightful program will be rendered. Among the features are the following: Tenor solo, Mr. Joseph F. Mathies; baritone solo, Mr. Richmond F. Dingham; violin solo, Mr. Charles W. Cheney, and a dramatic recital and character stories by Mr. Edwin Callow.

ALARM OF FIRE.

The alarm of fire at 11:20 o'clock last night was caused by the discovery of a blaze in some of the woodwork to be used in the court of honor on the east side of Washington street, between King and Cameron. The fire was extinguished by a plug stream, and the engines were not put in service. The damage was slight.

The valuable bull dog belonging to Mr. A. D. Brockett was shot this morning by a person who believed that the canine was suffering from some incurable malady.
