PRETTY WEDDING AT BAILEY'S BAY.

Last evening at eight o'clock Holy Trinity Church, Bailey's Bay, was the scene of a very pretty wedding. The bride is Miss Roberts MacCarthy Stuart, daughter of the late Judge Charles Edward Stuart, of Alexandria, Va., and Ruth Yeaton Stuart, at present resident at "Highbury," Bailey's Bay. The bridegroom is Mr. Gilbert Alexander Outerbridge, youngest son of the late William Gilbert Outerbridge and Honors Richardson Outerbridge, of Bailey's Bay.

Four bridesmaids—Misses Marie Pearson, of Morgantown, N. C., Louisa Higginbotham, S. George's, Annie Mercer, Aldie, Smith's Parish; and Kate L. Outerbridge, Somerville, Smith's, attended the bride; and her sister, Mrs. M. Power O'Malley, of New York, was matron of honor. Miss Marguerite Rankin officiated as flower girl.

The bridegroom was attended by Mr. George R. Outerbridge, his brother. Elegantly gowned in liberty satin and chiffon caught up with orange blossoms, and wearing the family pearls and carrying a shower bouquet of roses and ferns, the bride, leaning on the arm of her brother, Mr. Charles Edward Stuart, entered the church by the western door; there she was met by the matron of honor and bridesmaids; and as the procession moved up the aisle the organ pealed forth the wedding march.

The matron of honor wore a dress of rich mauve silk trimmed with real lace and pauze velvet.

It was a rainbow wedding. The bridesmaids were attired in pale colored silks of rainbow shades with wreaths to match and carried bouquets of roses and ferns. The flower girl was in white silk and bore a large basket of roses.

Misses B. F. Outerbridge, R. B. Zwill, J. A. H. Outerbridge, T. P. Wilkinson and O. T. Outerbridge were ushers.

The Rev. L. Land Harvard, rector of Hamilton and Smith's, performed the marriage ceremony; the bride was given away by her brother, Mr. Charles Edward Stuart; and Miss Belle Despard presided at the organ.

After the register had been signed the wedding procession passed down the aisle to the western door. Entering their carriages amid showers of rice and good wishes the happy pair drove off to "Highbury," their future home, where a reception was given to their friends.—[Royal Gazette, Hamilton, Bermuda, Jan. 1.]

DEATHS.

Mrs. Gardner P. Lloyd died late yesterday evening at her home in East Orange, N. J., at an advanced age and after a long illness. She was the mother of Mrs. O. F. Carter, of this city, who left this morning to attend the funeral. Mr. John Howell died at his home on Massachusetts avenue, Washington, at 2 o'clock this morning. He was 72 years old. He leaves a widow and two daughters. The deceased was a son of the late John Howell and a brother of Mr. C. W. Howell, of this city.

Mrs. Harriet F. Ashby, widow of Vernon W. Ashby, formerly of this city, died at her home, 406 A street southeast, Washington, yesterday. Her funeral will take place tomorrow evening at 2 o'clock.

STABLES DESTROYED.

The stables of the Arlington Brewery Company at Rosslyn, Alexandria county, were totally destroyed by fire last night, causing a loss estimated at \$20,000. The main plant was saved but not without considerable difficulty. When the firemen reached the scene they dug holes through the walls of the brick structure, and lines of hose were run through. In this way the fire finally was conquered. A strong northerly wind, sweeping off the river, made the work of the firemen difficult. The fire is believed to have been of incendiary origin.

NATIONAL UNION.

Alexandria Council, National Union, at its annual meeting last night elected the following officers: Messrs. M. R. Norris, president; J. E. Sampson, vice president; J. H. Byrne, speaker; A. H. Smythe, secretary; Charles E. Davis, financial secretary; H. Friedlander, treasurer; J. H. Bartlett, chaplain; T. U. Fairfax, usher; F. L. Platt, sergeant, and E. F. Thompson, doorkeeper. Following the election the members repaired to Mr. Louis Bill's cafe, where a collation was served.

BASEBALL OFFICERS ELECTED.

The Cardinal Athletic Club held an interesting meeting last night. After the transaction of routine business the following officers were elected: G. O. Treacy, president and treasurer; J. E. Owens, secretary; James Patterson, Jr., manager; Edwin Hayden, captain, and O. Nugent, collector. Arrangements for the opening of the baseball season were made. The Cardinals expect to have a better team this year than ever before and will challenge all nines.

GAVE BAIL.

Mr. Garrison Beckwith, of King George county, who was indicted by the U. S. grand jury at the last term of the U. S. Court in this city came here yesterday accompanied by his counsel, Mr. O. D. Foster and his sureties and appeared before U. S. Commissioner R. P. W. Garrett and gave bail for his appearance at the next term of the court.

FUNERAL.

The funeral of the late Mrs. Mary Elizabeth Pusey took place from her home on upper King street this afternoon. Rev. W. F. Watson conducted the service, and the interment was made in Bethel Cemetery. The pallbearers were Messrs. Eddie and Ernest Finelli, William Owens, Charles Churchman, William Peake and Earl Zapp.

Could anything look neater on a new foot than the footwear to be found at the shoe store of John A. Marshall & Bro. Glimps at the window display.

SMITH'S STATEMENT.

It is now generally admitted that Doctor Cook has a formidable competitor for the position of monumental fabricator in the shops of Henry Smith, the negro who was convicted of murder in the first degree in the Corporation Court on Friday last for complicity in the murder of Walter F. Schultz.

The community seems to be divided in its judgment of Smith. Many still believe he, in the main, told the truth during the trials of Johnson, Pines and Dorsey, and that his recent assertions to the effect that he committed perjury on those occasions are for a purpose. Equally as many more, however, believe he is the sole murderer of Schultz, and that the negro told the truth when he said the true story of the crime will never be known until he shall have been placed in the electric chair.

The authorities repudiate Smith's last statement and are as firm as ever in their convictions that the verdicts of the four juries were just and that the real murderers have been apprehended and convicted. Many facts brought out at these trials which tended to corroborate Smith's statements before the court are cited.

So far as can be learned, Smith has made no supplementary "statements" today.

Governor Swanson today communicated with Judge Barley and informed the latter that he had repeated Johnson, Pines and Dorsey until March 15. The governor's term will expire on February 1st, so he will be relieved of any further action in the matter.

Governor Swanson's secretary told Mr. Machen over the telephone today that papers respecting Johnson, Pines and Dorsey for 60 days were sent to the penitentiary yesterday.

Judge Barley today, after a consultation with Commonwealth's Attorney Brent and Attorneys Bramback and Russell, counsel for Smith, announced that the latter would be brought into court tomorrow and sentenced. Smith still says he does not want a new trial.

[In the statement made by Henry Smith, published in yesterday's Gazette, the negro was made to say that Mr. S. G. Brent during the trials in the Corporation Court vied with policemen in indicating what questions he should answer. This was a mistake and resulted from the misreading of the statement and the placing of a period where one should not have been. The darkey stated that "Chief Goods sat behind Mr. Brent," etc., not that Mr. Brent communicated pantomimically with him. It is needless to say that Mr. Brent and the police officers laugh at Smith's assertions to the effect that his statement was extorted from him. Mayor Peff was in the station house at the time Smith asked to be allowed to make a confession. The mayor says the whole procedure was voluntary on the part of Smith, as do also Chief Goods and Officer Sampson.]

On the night Walter F. Schultz was murdered two men, paperhangers, who were keeping bachelor's hall in a house on Patrick street, near Wolfe, were awakened about twelve o'clock by a cry of "murder." One of the men arose and went to a window when he saw a colored man running north on Patrick street. A few seconds later there were two more cries of murder, and almost simultaneously two negroes were seen running toward the south. The men, both of whom were awake when the second cries of distress were heard, were positive they emanated from an unoccupied house on Wolfe street, but three doors away. The matter was subsequently reported to the police, but Smith having made his "statement" in the meantime, the midnight cries of murder failed to interest the authorities.

OPERA HOUSE.

In presenting the beautiful English drama, "Mable Heath" the Guy Johnson Stock Company have ventured even a step further into the realm of real dramatic art. This production, which opens tonight for a three night run, is without doubt one of the most successful of English plays and deals with a story of pathetic situations, mingled with genuine comedy. It is in fact, far ahead of anything yet offered by that splendid company.

AN ALEXANDRIAN KILLED.

Shortly before twelve o'clock last night the ambulance of the Alexandria Hospital was summoned to proceed to the union passenger station for the purpose of removing a wounded man to the hospital, and when the annex arrived from the Potomac yards Joseph A. Horseman, a well known Alexandrian, living at No. 521 south Alfred street, who was suffering from a pistol shot wound in the abdomen, was placed in the ambulance and hurried to the hospital, where Doctors Smith, Moore and Kilpstein performed an operation upon him.

Horseman's wound, however, proved to be fatal, he died at four o'clock this morning. The remains were subsequently removed to Mr. B. Wheatley's undertaking establishment. Horseman leaves a widow and seven children.

It was at first difficult to obtain the details in connection with the shooting. One report was that Horseman had forcibly entered a store in the vicinity of the Potomac railroad yards and was shot by the proprietor. Another was that he was in the act of jumping from a car in the railroad yards and had been shot by a special officer. The former story, however, proved to be correct.

The circumstances in the case are said to be substantially as follows: Horseman was shot by D. V. Howry, a Baldwin detective, of Richmond, who is employed at the yard. It is alleged that the dead man was endeavoring to force an entrance into the store of the Potomac Supply Company in the railroad yards when the detective saw him and approaching told Horseman to consider himself under arrest. It is said that Horseman at this juncture drew a pistol, when Howry shot him. Horseman was conscious after he had been placed in the hospital, but he said he did not know who shot him. After the shooting Howry gave himself up to Special Detective Lee, of the B., F. & P. R. E., who conducted him to Justice I. W. Burrill in Alexandria county.

The latter, after listening to the detective's story, delivered Howry into the custody of Lee and he will appear when wanted. Detective Lee subsequently went to Richmond to report the matter to the railroad officials.

At the direction of Dr. S. B. Moore, the coroner, City Sergeant Cox summoned Messrs. Harry Kirk, Samuel W. Pitts, W. C. Davis, M. T. Dwyer, J. H. Fisher and T. L. Carter to compose a jury to hold an inquest at 2 o'clock this afternoon.

The jury met this afternoon and after viewing the body adjourned until 8 o'clock tomorrow night.

STRUCK A DERELICT.

The schooner Emily Washington, lumber laden, which was sunk several weeks ago near the steel plant, a short distance north of this city, later drifted down to a point near Shepherd's. Yesterday the schooner was forced out into the channel by the moving ice and carried some distance farther south. When the tide turned she was carried up the river again, and was in the channel between King and Prince streets when the steamer St. Johns from Norfolk folk came along at early hour this morning. The steamer struck the derelict amidship, cutting it nearly in two, and trailed the wreckage and lumber almost to the wharf at the foot of Cameron street. About half of the schooner with one mast protruding from the water is now lying between Prince and Duke streets, a menace to navigation.

RIVER NOTES.

The river opposite this city is again clogged with ice through which the steamers were grinding their way again today.

The three-masted schooner Evelyn Hickley, loaded with several hundred thousand feet of southern pine lumber from Jacksonville, Fla., is, it is said, coming up the Potomac in tow of the tug M. Mitchell Davis.
