

AN UP-TO-DATE STOVE

Do you realize there is no longer any reason why you should use a coal range? Oil is cheaper than coal; it is lighter and easier to handle, and gives an intense heat. Provided you have the right stove, oil is more economical, cleaner and less trouble. Have you seen the

New Perfection Oil Cook-stove

The accompanying illustration gives you only a rough idea of its appearance. You really can't appreciate it until you either use it yourself, or talk to someone who has used it. It does everything that a coal range will do—except heat the room. The New Perfection Oil Cook-stove will do anything, from heating a kettle of water to cooking a course and dinner, but it won't heat a room. It doesn't "smell," it doesn't smoke. It can't get out of order. Light it and it is ready. Turn it down and it is out. Only a woman who knows the trouble of carrying coal and cooking in a hot kitchen can appreciate what it means to have a clean, perfect stove that will cook anything, boil, bake or roast, and yet won't heat the kitchen. How is it done? The flame is controlled in turquoise-blue enamel chimneys, and directed against the bottom of pot, pan, kettle or oven, and only there. The flame operates exactly where it is needed—and nowhere else. With this stove your kitchen is cool.

The nickel finish with the bright blue of the chimneys makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

Cautionary Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

Alexandria Gazette. FRIDAY EVENING, MAY 20, 1910. NEGRO BARRED. Cloning the serenity of the hosts of visitors, the race question has been injected into the world's Sunday school convention, which opened in Washington yesterday.

It now appears that the aspirations of negro ministers and churchgoers to play a prominent part in the convention have been vetoed by members of the local committee on arrangements.

The negro churches of Washington had elected eleven delegates, the same number the white churches elected, but the negro delegates have been denied seats in the convention.
