HOT SUNDAY.

The weather yesterday was seasonable. During the morning a refreshing northeasterly breeze prevailed, but this died out early in the afternoon, when the temperature became oppressive. These conditions continued throughout the night. There was a shower of rain shortly before six o'clock this morning which afforded a temporary relief.

The rain was very heavy a short distance south of this city, and was accompanied by vivid lightning and heavy thunder.

Summer will make its warmth felt over the greater part of the United States during the present week, according to the prediction of the weather forecaster. The temperature will be above the average for the season over the plains states and the Mississippi valley during the first half of the week, followed by lower temperature after Wednesday.

The exercises of Hallows School were held at Hallows building at 11 o'clock where the following programme was rendered:

FLOOD IN THE POTOMAC.

A flood such as has not been seen in Washington in 21 years has been sweeping down the Potomac river for the last 48 hours, and has wrought heavy damage to property along the district side of the river as well as to hundreds of launches and small craft lying at anchor. At one time the water reached a point six feet above high-water mark at the Aqueduct bridge, and in the tidal basin, nearer the heart of Washington, it crept over the sea wall and encroached eight feet on government property. The flood is now subsiding.

There was considerable current in the river at this port yesterday, but it had subsided materially at the close of the day.

REPUBLICAN CONVENTION.

The Eighth district congressional convention of the republican party, called to meet in Sarepta Hall at noon today to discuss the advisability of nominating a caucus candidate to oppose Representative C. C. Carlin, did not get under way until 1:30 o'clock, when District Chairman H. H. Dodge, of Manassas, called for order.

After reading the call the secretary, J. W. Gregg, of Loudoun county, called the roll of accredited delegates, a large majority answering to their names.

W. J. Rogers, of King George county; Capt. A. L. de Zerega, of Loudoun, and Dr. F. M. Brookes, of Fairfax, were nominated for temporary chairman.

Dr. Brookes declined in favor of Mr. Rogers, and as Capt. de Zerega's nomination was not seconded Mr. Rogers was chosen.

Mr. Gregg was elected temporary secretary.

Upon motion of Joseph L. Crupper the temporary organization was made permanent. Mr. Crupper also moved to dispense with a committee on credentials, as there were no contests, and this was adopted.

Each delegation then named one member of the committee on resolutions—which at the expiration of fifteen minutes, during which the convention recessed, reported as follows:

The republican party of the Eighth congressional district of Virginia in convention assembled in Alexandria, June 20, 1910, reaffirm its allegiance to the principles stated in the Chicago platform of 1908 and it most heartily endorses the administration of President Taft in its effort to put those principles into effective operation and points to the already great accomplishments of his administration as evidence that in due time all of the promises of the republican party in the national platform will be performed with fidelity.

With entire confidence and in the wisdom of recommendations and policies and with an abiding faith that his administration will be one of the most fruitful in beneficent results, we pledge to President Taft our loyal and earnest support.

We rejoice in the return of our ex-President Theodore Roosevelt to our beloved country and welcome his renewed participation in its affairs.

We extend our greeting to the Hon. C. B. Slemm, our state chairman, and express our confidence in and desire for his re-election to Congress.

We most heartily commend the Hon. M. K. Lowry and the Hon. J. L. Crupper for their loyalty and devotion to our party interests.

E. L. S. Bonton was chairman of the committee. The resolutions as a whole were applauded when adopted, but the mention of the names of party leaders caused no enthusiasm.

Mr. Carter, of Orange county moved that the question of nominating a candidate for Congress be left to a committee composed of the congressional committee of the Eighth district and its chairman, the state committee and the executive committeemen of the Eighth district.

Mr. Lowry said his understanding was that the convention was not ready to nominate at this time. Others took issue and insisted that the convention was called for the purpose of making a nomination. Mr. Lowry said if the delegates had in mind any one who would act as the nomination he would be glad to proceed. The name of Dr. Brookes, of Fairfax, was mentioned and met with applause. He declined to consider the offer.

The roll of delegates was called and the chairman of each replied either "Not prepared" or "No candidate" and Mr. Carter's resolution was then put again and carried unanimously.

For State committeemen: Edward Walton, of Fairfax; William Broom, of Loudoun; C. D. Green, of Stafford; J. B. Grayson, of Fauquier; J. A. Eggborn, of Alexandria; Samuel Diener, of Culpeper; and C. C. Flannigan, of Louisa, were nominated and the following were selected: Messrs. Brown, Green Grayson, Eggborn and Diener.

Messrs. Dodge and Gregg were then unanimously elected district chairman and secretary respectively, and the convention adjourned.

INSPIRING SERVICE.

Last night at the Second Presbyterian Church the annual Children's Day exercises for foreign missions were held. The church was crowded with the children and their friends, all of whom enjoyed greatly the well-prepared and well-rehearsed programme. Mrs. Ruth Field was in charge of the musical part of the exercises, and with the assistance of her Sunday School choir rendered many pieces in a pleasing and attractive way. The exercises were in the interest of a school for girls at Negaya, Japan. Superintendent Melchior spoke of the grandeur of the country represented by the Stars and Stripes, of its freedom, of its open bible and of the many blessings which a Protestant Christianity bring to a land. As he was speaking a United States flag unrolled from behind a screen on which were the letters, "The World for Christ." Later, as he spoke of the banner that would bring freedom and joy wherever it went, the conquest banner unrolled beside the Stars and Stripes, and the banner of the cross floated out. Then in between them, needing the help of both, next unrolled the flag of Japan. During this part of the exercise the choir sang appropriate selections. After some remarks by the superintendent and the pastor, the offering was taken, the closing hymn was sung, and everyone went home declaring it one of the most inspiring services they have attended for many a day.

TWO BOYS DROWNED.

Jersey Shore, Pa., June 20.—While boys were playing with an old flatboat on the Susquehanna river, near here, yesterday afternoon, the boat swung out in the current and capsized. Howard and Guy Ledman, aged 8 and 6 years, respectively, were thrown out and drowned. The body of Guy was recovered. Four boys were in the party. The two boys in the boat "took a stream" and pushed out into the current, where the boat was caught by the current. It got beyond their control and upset.

Four names have been added today to the list of dead in the four-day heat wave under which Chicago has been sweltering, making fifteen deaths due directly to the torrid weather.

NEW YORK STOCK MARKET.

New York, June 20.—For the first time since the sharp rallies on the morning of June 7, the majority of issues in the early trading today ranged substantially above the highest figures reached at that time.
