DEATH OF JULIUS DREIFUS.

Mr. Julius Dreifus, an old, well-known and respected resident, died at his home, 120 South Payne street, between twelve and one o'clock last night. The deceased had been a sufferer from heart trouble. He was in the 70th year of his age. He leaves a widow and ten children—Messrs. Albert, Louis, Frank and Ernest Dreifus, Mrs. R. H. Cox, Mrs. James Cox, Mrs. Edward Atwell, Mrs. Benjamin Einstein, Mrs. David Grillortzer and Hejeytta Dreifus. Julius Dreifus was born in Germany. His father, Simpson Dreifus, and mother, Caroline Dreifus, came to Alexandria half a century ago. The father will be remembered by some of the older residents of this city as a dealer in articles used by dress-makers which he furnished to his customers in Alexandria and the adjoining country. At the beginning of the civil war the subject of this notice and his brothers Joseph and Abraham the latter now living in Philadelphia, took up their residence in this city. Julius continued to reside here, having become a dealer in second-hand articles, junk, etc., and his warehouse on the Strand has for over two-score years been an Alexandria landmark. The deceased was quiet, unobtrusive and friendly in his deportment, and his death will be regretted by his many friends and acquaintances.

CONFEDERATE VETERANS.

R. E. Lee Camp, Confederate Veterans, held their regular monthly meeting at their hall last night, Commander Smoot presiding. The meeting was well attended.

The following committee was appointed to prepare resolutions on the death of their late comrade, Jno. S. Green, who died Sept. 5, 1905. P. Gorman and W. A. Smoot.

The group was the recipient of a number of replies from Mr. R. A. Chapman, of Glymont, Maryland, which will be placed in the museum. The commander and past commander of the following comrades—B. C. Hunt, W. H. Yeatman, Chas. S. Taylor and Mrs. Murray will attend the meeting of the Grand Camp which will be held at Norfolk, October 18th, 19th and 20th.

POLICE COURT.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning: James Nelson, charged with using abusive language toward Emma Cole, forfeited his collateral by failing to appear. George Pinkett, colored, charged with assaulting Nora Pinkett, was fined \$5. Addie Baxter and William Buford, charged with trespassing upon the property of the R. F. & P. R. R., were turned over to the authorities of Alexandria county.

ASSAULTED WITH A RAZOR.

The police are looking for "Dunk" Davis, a well-known negro of this city, who is charged with assaulting Frank Bowen, also colored, with a razor. The cutting took place late yesterday afternoon in the northwestern section of the city. Officer Roland met Bowen, who was bleeding profusely, and had him conveyed to the Alexandria Hospital, where he was attended by Dr. Powell. He has a gash on the left side of the face extending from above the temple to the jawbone. Bowen was extremely weak from the loss of blood when he reached the hospital, and his wound is regarded as serious.

SENT TO THE GRAND JURY.

John Henry Underwood, who was arrested last week charged with disposing of a horse and wagon belonging to Arthur Welsh, was brought before the Police Court this morning. The complainant alleged that he procured the horse and wagon and stocked it with fresh fish which Underwood was to sell and receive half the profit. According to information Welsh had received, the fish had been thrown into a ditch somewhere near this city, after which Underwood had, it was alleged, disposed of the team. Justice Caton sent the accused to the grand jury.

ASSAULTED HIS WIFE.

Officer Roland last night arrested George Pinkett, colored, on the complaint of his wife, who alleged that he had assaulted her with a flatiron. The woman aroused the residents of west Jefferson street by crying "murder" and running from her home into the street. Pinkett was brought before the Police Court this morning, when the complainant stated that her exchequer being completely exhausted she asked her huge lord for the necessary wherewithal on which to exist. She was ironing at the time and the husband becoming incensed at the request, picked up a flatiron and struck her on the head and when he was in the act of hurling the iron at her she ran into the street. Pinkett was fined \$5.

A. L. I.

As announced last night, the Alexandria Light Infantry will hold its regular weekly drill at the Armory tonight. It is expected that there will be a number of new men applying for membership. CARDINALS WIN FIRST GAME.

Cardinals Down A. A. C.—Letz Knocked Out of the Box—O'Brien Batted Hard—Snowden, Trenary, Astyrke and Cockrell the Stars.

The first game of the championship series between the Cardinal Athletic Club and the Alexandria Athletic Club played on the north Alfred street grounds yesterday afternoon and was witnessed by an immense crowd, and was won by the Cardinals by the score of 13 to 5. The game throughout was one of the most interesting and exciting games ever seen in this city, and many pretty plays were made by the members of both teams. The pitching of "Bird" Trenary, for the Cardinals, was of the championship order, and he had both speed and puzzling curves during the entire game that kept the opposing batsmen guessing to solve them, and with the assistance of Patterson, the catcher for the Cardinals, who played major league ball both in catching and throwing to bases, the Cardinals had a battery that would be hard to surpass. Astyrke, the first baseman, played his position in true Hal Chase fashion and made some very neat catches. Whitton on second base played his position in excellent style and was right on the job at all times during the game. Hayden, the third baseman, is always sure to cause trouble to any pitcher who may have to oppose him and makes them put on their "think caps" to learn his many tricks, and then may knock a home run or a neat punt and upset their plans. Snowden, short stop, was at his best and made more fame for himself both by his wonderful fielding and batting. Kemp Cockrell, center fielder, made several timely stops that would have meant bases, and perhaps runs, had they escaped him, and was every ready to capture anything that entered his territory. Johnny Murphy, left fielder, accepted all chances that came his way and aided in many ways by his graceful catching and throwing to cinch the game for his team. William McBride, right fielder, one of the finest all-around players to be found anywhere, played his position to perfection.

For the Alexandria Athletic Club Letz pitched as pretty game of ball as was ever seen in this city, and up to the eighth innings, when the Cardinals solved his curves and completely knocked him out of the box he had them at his mercy. The A. A. C., although defeated in the first game of the series for the championship, proved by their general playing that they are dangerous rivals and may cause trouble in the games yet to be played.

THE GAME IN FIGURES.

Table with columns: CARDINALS, R, H, O, A, E. Rows include Hayden, McBride, Snowden, Astyrke, Trenary, Cockrell, Murphy, Whitton, Patterson, Total, A. A. C., Lynch, Serviere, Doherty, Hicks, Williams, Benzette, Barrett, Letz, O'Brien, Sullivan, Total.

ESCAPE OF PRISONERS.

The police of Washington and Alexandria and details of soldiers from forts Washington and Hunt conducted a man hunt today for two military prisoners who escaped from Fort Washington and under a fusillade of shot from the guards made their escape up the Potomac river. One of the men named Gooding is said to have figured in a jail delivery about a year ago. The two prisoners are believed to have eluded the guards in a corridor of the prison. The alarm was given by guard outside who saw the men skulking behind a bluff. A detachment of guards immediately took up the pursuit. The fugitives dropped down the river bank into a boat under the running fire of the guards and by hugging the high bank succeeded in escaping. It is believed that they headed for Alexandria further up the river.

PROPERTY SALE.

Capt. R. F. Knox, auctioneer, on Saturday afternoon sold for Messrs. Clarence A. Hutchison and A. W. Nyce, trustees, all that tract of land located in Alexandria county being lot numbered 4 in the partition of Thomas Dawson's land among his heirs and which was allotted to Annie J. Chummasero, afterwards conveyed by her to Theron Thompson and Hugh E. Hutchison. The property was purchased by Thomas Thompson for \$4,000.

HOSPITAL NOTES.

Fireman James L. Colvin, who fell and injured his back at the Potomac railroad yards a few days ago, is convalescing. John Harris, colored, had one of his toes mashed while at work at the Potomac railroad yards this morning. He was taken to the Alexandria Hospital where he received surgical attention. Frank Bowen, colored, who was cut by "Dunk" Davis, colored, yesterday, was said to be improving today.

THE WEATHER.

The temperature continues high, and at noon the mercury registered 91 degrees, but the humidity is far above normal. The weather last night was very oppressive and kept many persons out of their beds till a late hour. The heat wave now covers the eastern half of the country. The wave promises to be protracted, as there are no indications of a break in the eastern and central states.

Floored by a Woman.

New York, Sept. 6.—Because Calvert Brewer, first vice-president, and Carl G. Rasmus, second vice-president of the United States Mortgage & Trust Company, today refused to give Mrs. Ida Von Clausen \$25,000, she floored both of them with well directed blows. Employees of the trust company hustled Mrs. Von Clausen out of the building. She disappeared before the police arrived. Mrs. Von Clausen is the grand daughter of Michael Byrne, who left an estate of \$1,000,000. The United States Mortgage and Trust Company is trustee for the estate and Mrs. Von Clausen claims that \$25,000 has accumulated which the officials refuse to give her. This the company denies, saying she has had all the money that was coming to her.

The Alleged German Spy.

Portsmouth, England, Sept. 6.—The supposed German spy, arrested here yesterday while making a sketch of the fortification, was identified today as Lieutenant Elmer, of the German army. Elmer is under a military guard in Fort Weller, into which he was led blindfolded, following his arrest. The arrest of Elmer, it is believed, will be used to effect the release of the two Englishmen arrested in Borkum, Germany, on the charge of being spies.

MISSING MEN.

West Rockingham Va., is intensely stirred over the mysterious disappearance of Rawley Reedy, 35 years old, who kissed his wife and four little children good-bye early Friday morning, started out to walk to his work on the Walter Liskey farm three miles distant, and has not been seen or heard of since.

Industrious, sober and happy in his home life, Reedy had every reason to be contented with his lot. It is feared that he met with foul play. R. L. Evans a carpenter, who lived on Wards road, about 15 miles south of Lynchburg, has been missing from his home for four weeks, and his wife and 3-year-old baby are reported to be in need of help.

The wife fears foul play, for she cannot conceive why her husband should have left her.

MISS ELKINS.

Miss Katharine Elkins, daughter of United States Senator Elkins, is expected to return to America from Europe about October 1. A dispatch from Paris says: The date for the wedding of Miss Elkins and the Duke of the Abruzzi has been fixed for the latter part of February of next year, according to reports in circulation there.

The financial arrangements which go with the marriage have been attended to and it is announced that the matter has been satisfactorily settled so far as both parties are concerned. The marriage portion will be \$5,000, which is not considered extraordinary in amount there in view of the rank of the prospective bridegroom and the wealth of Senator Elkins.

WILL CONTEST SETTLED.

Morris, one of the plaintiffs, a sister to Gains, was given \$1,000 in the will. After deducting \$9,000, the balance of the property, estimated at \$65,000, will be disposed of as provided in the will. There were nine lawyers in the case, five for the defendants and four for the plaintiffs.

Many pages are devoted to Governor Mann. One chapter is headed "Governor Mann's B-trial of Justice."

VISITS JOHN D. IN TIGHTS.

Airily, though tastefully, clad in a suit of red tights, Miss Gertrude Thomas appeared in the doorway of John Rockefeller's home at Cleveland, O., Sunday in company with the parachute in which she had descended from the clouds. Miss Thomas had made an exhibition flight in a hot-air balloon from a local amusement resort and released her parachute directly above the Rockefeller grounds, mistaking them, she said, for a public park.

IMMEDIATELY UPON HER ARRIVAL AT THE ROCKEFELLER PLACE SHE WAS WAITED ON BY A COMMITTEE, HEADED BY THE SUPERINTENDENT OF THE ESTATE, WHO INFORMED HER THAT SHE WAS TRESPASSING. MISS THOMAS WAS ASKED TO ARRANGE HERSELF IN A GARB MORE IN KEEPING WITH THE DAY AND THEN DEPART. SHE HAD A CLOAK WITH HER WHICH SHE DONNED, AND DRAGGING AFTER HER THE PARACHUTE, MADE HER EXIT FROM THE PLACE.

It was reported that the Rockefeller family did not witness Miss Thomas's visit.

FIVE NEGROES KILLED.

Caught in an attempt to commit arson, murder, and crimes against women, five negroes were lynched early yesterday morning in an isolated part of Clarke county Ga., by infuriated neighbors of the family against whom the blacks had plotted. The plot was uncovered Sunday night, shortly after midnight, when a daughter of J. W. Huff, a prominent planter of the county, discovered a negro in her room. Her father made a prisoner of the negro. He confessed that four other negroes had planned with him to enter the home of the Huffs, assault Mrs. Huff and her daughters, then kill Mr. Huff and all the members of the family, rob the house and set it on fire. The prisoner was hanged. A posse was immediately formed which overtook the other negroes. They refused to surrender and a running fight followed, in the course of which the negroes were shot down and killed.

This Glass Contains one-half pint of PORTNER'S HOFBRAU BEER, a remarkable combination of beverage and food. A glass of HOFBRAU beer possesses an interesting history. One that takes you back to fields of barley and hops, ripened in the sun. Then to the brewery. If you think that a brewery is a dark, gloomy, untidy establishment, you should visit ours. Darkness is necessary only where we produce the yeast, which is responsible for the carbonic acid gas that gives "head" to the beer. But we are overstepping ourselves in trying to tell you here the whole history of HOFBRAU beer. It's a splendid beverage, both for health and enjoyment.
