**"LEST WE FORGET" with RITA JOLIVET**

A picture you will long remember

This great eight-act production shows the sinking of the Lusitania, and a mighty panorama of events now historical, connected with the opening days of the war. A beautiful love story shines like a star through the darkness, the roar of battle sometimes seeming like a mighty accompaniment to the human drama being played. A picture you will long remember.

**GERMANS BOYCOTT PLEDGED.**

200,000 Persons Promised Never To Buy Their Goods.

New York, July 24.—More than 200,000 signatures to a pledge never to buy goods made in Germany have been obtained by the American Defense Society in the first lap of its campaign in North and South America to thwart forever any attempt of Germany to build up an after-war trade throughout the world. The goal is 20,000,000 signatures.

Signatures from all parts of the United States are pouring into the Defense Society's headquarters, 44 East Twenty-third street, at the rate of about a thousand a day, it was announced by Secretary H. D. Craig.

Many letters accompany the signed pledges, and state that the movement is meeting with enthusiastic approval everywhere.

Incorporated, will be held on Wednesday, July 31, 1918, at 2 p. m., at its principal office, 111 South Fairfax street, Alexandria, Va., for the election of officers and directors and such other business as may properly come before it.

John O. Harmon, Jr.,  
 Secretary.

**DEVOE** *The Guaranteed* **Velour Finish**

We know that it is more economical than wall-paper. Also is sanitary. Soap and water will easily remove all traces of grease and dirt from walls, ceilings and woodwork painted with Velour Finish. It is easy to apply and it is economical and artistic.

We recommend it above all others as a durable finish for new and old walls. The free booklet—"Harmony in the Home"—shows many attractive color schemes.

**Fresh Beef Travels on a Rapid Schedule**

Fresh beef for domestic markets goes from stockyards to retail stores within a period of about two weeks. Although chilled, this meat is not frozen; hence it cannot be stored for a rise in price.

A steer is dressed usually within twenty-four hours after purchase by the packer. The beef is held in a cooler at the packing house, at a temperature a little above freezing, for about three days.

It is then loaded into a refrigerator car, where a similar temperature is maintained, and is in transit to market on an average of about six days.

Upon arrival at the branch distributing house, it is unloaded into a "cooler", and placed on sale.

Swift & Company requires all beef to be sold during the week of arrival, and the average of sales is within five days.

Any delay along the above journey means deterioration in the meat and loss to the packer.
