**Calomel Horror Told By  
Dodson.**

You Don't Need To Sicken, Grip,  
Or Salivate Yourself To Start  
Liver.

You're bilious, sluggish, constipat-  
ed. You feel headachy, your stomach  
may be sour, your breath bad, your  
skin sallow and you believe you need  
vile dangerous calomel to start liver  
and bowels.

Here's my guarantee! Ask your  
druggist for a bottle of Dodson's  
Liver Tone and take a spoonful to-  
night. If it doesn't start your liver  
and straighten you right up up bet-  
ter than calomel and without grip-  
ing or making you sick I want you  
to go back to the store and get you  
money.

Take calomel today and tomorrow  
you will feel weak and sick and  
nauseated. Don't lose a day. Take  
a spoonful of harmless, vegetable  
Dodson's Liver Tone tonight and  
wake up feeling splendid. It is per-  
fectly harmless, so give it to your  
children any time. It can't salivate.

**Test this Gasoline  
for Yourself, on the Road**

**H**OWEVER sincere one  
motorist's statement may  
be, his experiences with his  
car cannot be applied exactly  
to your operation of your car.  
Most drivers know that indi-  
vidual cars have peculiarities.

We do not ask you to use the  
improved "Standard" Motor  
Gasoline simply because you  
have heard that it is the best  
on the market. We want you  
to try it for yourself, accord-  
ing to your own require-  
ments. On a basis of results,  
alone, we would gladly have  
you decide whether or not  
you should use it regularly.

"Standard" Motor Gasoline  
is a light, volatile fuel which  
enables your car to start

easier and run more smoothly.  
It has extra pulling power.  
The recent improvements in  
the product, made possible by  
the work of our Develop-  
ment Department, have made  
"Standard" Motor Gasoline  
the best obtainable.

But remember that the final  
test of gasoline quality is how  
it performs in your motor.  
Try "Standard" Motor Gas-  
oline for yourself under vary-  
ing road and weather con-  
ditions. It will pay you to  
begin at once.

A great combination is "Stand-  
ard" Motor Gasoline for  
power and Polarine for lubri-  
cation.

**FOUR DOCTORS  
GAVE HER UP**

Through a Neighbor's Advice This  
Woman Was Restored to Health  
by Lydia E. Pinkham's  
Vegetable Compound

Kenosha, Wis.—"I suffered with a  
female trouble and at last was in bed  
for six weeks with  
what the doctors  
called inflammation  
of the bowels. Four  
of them said I could  
not live. A neighbor  
told me to use Lydia  
E. Pinkham's Vege-  
table Compound and  
it helped me from  
the start. When the  
doctor came I told  
him what I had  
taken and he said,  
"Throw my medicine away and keep on  
with the Pinkham medicine." I did and  
it cured me. If more women would  
take your medicine they would not  
suffer so. I have recommended the  
Vegetable Compound to lots of people  
and they have been satisfied."—Mrs.  
MARY HAPSTOCK, 270 1/2 Wisconsin St.,  
Kenosha, Wisconsin.  
When a woman is beset with such  
symptoms as irregularities, inflamma-  
tion, ulceration, a displacement, back-  
ache, headaches, bearing-down pains,  
nervousness or the "blues" she should  
treat the cause of such conditions by  
taking Lydia E. Pinkham's Vegetable  
Compound, the standard remedy for  
woman's ills.
