

VETERANS' CLEAN-UP DRIVE

Comparatively few efforts were made to defraud the Government in the recent "Clean-up" drive conducted by the United States Veterans' Bureau in Maryland, Virginia, West Virginia and the District of Columbia. Practically all of the new

claims arising out of the drive, now nearly finished after a run of ten weeks, have reached the central office of the Veterans' Bureau in the Arlington Building in Washington. These cases have been checked against a master index and it is roughly estimated that possibly in the five per cent of the cases new claims have been found to be duplicates.

There is very little chance of a former service man putting through a second claim for disability compensation when he marks it as an original claim. As soon as it reaches the central office of the Bureau it is checked first against his name and army serial number and then against his service record. He is also compelled to identify himself with his service record. When a duplicate claim comes in marked as an original, besides having it disallowed, lays himself open to a fraud charge. In a number of cases claims have been improperly marked as a result of mistakes, but no case is known in which payment has ever been made in duplicate. Even in such cases mistakes would show up almost immediately in the auditing and compensation sections, and a refund would be exacted of the man receiving the double compensation. Thousands of new claims have been executed in the field since the beginning of the "Clean-up" drive in addition to the work done by the squads that swing through the states in this district the interest of the former service men in their compensation, training, insurance and other rights from the government has been stimulated and a great many new cases are coming in through the eight sub-district offices recently established in this district.

CASCARETS 10¢

For Constipated Bowels—Bilious Liver

The nicest cathartic-laxative to physic your bowels when you have Headache, Bilioussness, Golds, Indigestion, Dizziness, Sour Stomach or Oil and they cost only ten cents is candy-like Cascarets. One or two tonight will empty your bowels completely by morning and you will feel splendid. "They work while you sleep." Cascarets never stir you up or gripe like Salts, Pills, Calomel, or Oil and they cost only ten cents a box. Children love Cascarets too.

TAKES CARE OF 5 CHILDREN

Mrs. Taylor's Sickness Ended by Lydia E. Pinkham's Vegetable Compound

Roxbury, Mass.—"I suffered continually with backache and was often despondent, had dizzy spells and at my monthly periods it was almost impossible to keep around at my work. Since my last baby came two years ago my back has been worse and no position I could get in would relieve it, and doctor's medicine did not help me. A friend recommended Lydia E. Pinkham's Vegetable Compound and I have found great relief since using it. My back is much better and I can sleep well. I keep house and have the care of five children so my work is very trying and I am very thankful I have found the Compound such a help. I recommend it to my friends and if you wish to use this letter I am very glad to help any woman suffering as I was until I used Lydia E. Pinkham's Vegetable Compound."

Mrs. MAUDE E. TAYLOR, 5 St. James Place, Roxbury, Mass.
Backache is one of the most common symptoms of a displacement or derangement of the female system. No woman should make the mistake of trying to overcome it by heroic endurance, but profit by Mrs. Taylor's experience and try Lydia E. Pinkham's Vegetable Compound

The Gasoline That Delivers the Goods

Delivery service, with its innumerable stops and starts, puts motor fuel to a severe test, especially in cold weather. Unless the gasoline is quick firing, valuable time is frittered away every time the motor has to be started. The alternative of allowing it to idle every time a call is made means wasting a lot of gasoline.

But there are other qualities that are desirable in gasoline besides the "pep" that proper volatility assures. There must be sturdy pulling power for heavy grades, combined with big mileage per gallon. The motor fuel must burn up so completely that there is practically no half-burned residue to foul the moving parts of the motor and dilute the lubricating oil.

These properties of a well balanced motor fuel are all possessed by "Standard" Motor Gasoline. It is an improved article which leads other gasolines in every important quality that makes for efficient and economical operation.

Work with your engine, not against it. Give it "Standard" Motor Gasoline for power and Polarine Oil for lubrication.
