

The Pittsburg Iron Works—The Strike of the Puddlers.  
Pittsburg, Feb. 19.  
The Wayne Iron Works, the Lippincott Mills, and the Juniata Iron Works, resumed operations to-day with new hands, under the new arrangement. A number of Puddlers yet hold out, but there is reason to believe that there will be a settlement of the difficulties. The men who are standing out have evinced no disposition to commit any untoward act. There are several mills still closed, but it is supposed they will resume work in the course of a few days. The Puddlers in the strike are Welshmen.

CURE FOR BAD FITS.—Not by any patent medicine, but by a good suit—not such a suit as a man can get into at court, but such a neat, well-made and fashionable suit of clothing as every body should wear; just such as you can find at A. H. Ellis, if you will call and examine his stock of coats, pants, vests, and other articles of dress at the lower door of the new Exchange Block nearly opposite the Court-House, in Bloomsburg. His stock of ready-made clothing is not the "shop-wreck" made up for sixteen cents a day, but is cut with attention and made up to wear and not only to sell.

Mr. Ellis has also on hand an assortment of cloth, cassimeres, satines, and suitable trimmings; so that he is prepared to make up clothing to order at the shortest notice. He will pay particular attention to cutting out.

Dr. Keeler's Celebrated Family Medicines.  
Dr. Keeler is a regular graduate from one of the best medical schools of the country, and a practising physician of the city of Philadelphia. We take great pleasure in presenting these remedies to the afflicted.—They are all of undoubted medical powers and held out to the invalid a promise of relief, such as none others possess. They each have been thoroughly tried in a long successful private practice, and have established for themselves a reputation but few possess, and given better satisfaction to the afflicted than any of the boasted remedies of the day. I offering them to the public, the proprietor is influenced by no sinister motives of gain, but feels conscious that they are eminently deserving of public confidence. No medicines ever before published have produced such deep-seated reputation upon their merits alone, or appeal with such irresistible force to the invalid.  
DR. KEELER'S PANACEA, For the removal and permanent cure of all diseases arising from an impure state of the Blood and habit of the body, viz:  
Cholera, Cholera, Chest, Pleurisy, Bronchitis, Catarrh, etc., Scrofula in all its forms, Tetter, Scald Head, Cutaneous affections, enlargements of the Joints, White Swelling, Syphilitic Affections, Constitutional disorders, arising from debility, Mercurial and Hereditary predispositions, without the interposition of any violent medicine, and will sell Dry Goods, Groceries, Hardware, Queensware, Crockery, Cedar Ware, Hats and Caps, Boots and Shoes for country produce, a little cheaper than they can be bought elsewhere in the neighborhood. Call and see, all who wish a grand chance for bargains.  
PETER ENT,  
Light Street Jan. 3d 1850.

DR. CULLEN'S  
Indian Vegetable Panacea.  
Rowand & Walton invite attention to the following advertisement:  
DR. CULLEN EVER VICTORIOUS!  
As a proof of the continued success of DR. CULLEN'S INDIAN VEGETABLE PANACEA, we refer to a few of the many certificates in our possession, of cures performed by this great purifier.  
Captain T. L. Sanders, constable of South Mulberry Ward, cured of Barbers' itch.  
Mr. J. P. Reese's child, No. 83 North Seventh street, cured of hereditary Tetter, which covered his entire body.  
Mr. E. W. Maxwell, Grape court, Market street, above Eighth, cured of Scrofula, had four open ulcers upon his body at the time he commenced taking the Medicine.  
Miss Christiana Sands, West Spruce street, between Beach and Willow streets, near the Schuylkill, cured of Scrofula; had suffered eight years; her head was so much affected that tea and coffee would pass out at her ears.—This is a strong case.  
Capt. John K. Hartley, No. 400 Market street, cured of Scrofulous Sore Leg, of 36 years' standing. This case is well known to many of our best Physicians, who have frequently advised amputation.  
Mr. Isaac Brooks, Jr., No. 5 Jefferson, west of Schuylkill Sixth street, below Locust. This was, undoubtedly, one of the most severe cases of Scrofula ever cured, and is certified to by many of our best physicians and clergymen, and also by himself.  
Joseph Barbour, No. 1 Short court, east from Twelfth street above Race, cured of Scrofulous Sore Throat, of eight years' standing.  
Mr. J. H. Frick's child, No. 734 Dock st., Philadelphia.  
Mr. Michael Duffy, 44 South Front street, (at P. Brady & Co.'s), Philadelphia, cured of Tetter of twenty five years.  
Mr. William Flemming, No. 210 Washington street, between Fourth and Ninth, Philadelphia, cured of Erysipelas, four years, which destroyed the flesh to the bone.  
William Barker, cured of Scrofula. This case had been in the hospital many months, and discharged as incurable—he is now well and may be seen daily at our office.  
Mr. David Chapman, Market street, Hamilton county, Ohio, cured of Scrofula. This was a very severe case, and Kirgan says that could money prevent, he would not undergo the same affliction for ten thousand dollars, and yet he was cured for a few dollars, by Dr. Cullen's Indian Vegetable Panacea.  
Mr. John W. Hamilton, of Malvern Hill, New Jersey, cured of Tetter of ten years' standing, with a few bottles of the Panacea.  
Mr. John Brocken, of Germantown, at the age of 61 years, was cured of a violent Tetter that had troubled him for 18 years.  
Mrs. Eve Siscoe, No. 53 North 3rd st., between Third and Fourth streets, Schuylkill, cured of fever sores on her ankles, after suffering 12 years with them. Mrs. S. is 62 years of age.  
Mrs. Elizabeth U. Foster, Second street, four doors above Washington street, was cured of Tetter on her leg, which had troubled her 14 years.  
Mr. Charles Ois, late of Parrish street, now of Manayunk, cured of Tetter of 5 years in hands and feet.  
Mr. Mellon Grubb, Juniper street, near Spruce, cured of Scrofulous Ulcers on the shoulders, which had defied the doctors more than a year.  
Mr. Hiram Ridge, Aitkenboro', Bucks co., Pa., cured of Salt Rheum. This case had been pronounced incurable by some 12 or 14 physicians of the first standing—as a last resort had recourse to Cullen's Panacea, and was cured completely in a few months, after suffering 17 years of the disease had almost costed his entire person.  
Henry Reeves, of Bridgeton, cured of the worst case of Scrofula ever seen in New Jersey, by 73 bottles!  
Thomas Wainwright, of Manyunk, cured of Scald Head; the disease extended over the whole scalp until it was an entire mass of corruption, and yet one bottle of the Panacea cured him.  
We might add case after case, ad infinitum; but we think it unnecessary; presuming the afflicted will want more evidence than we can give in an advertisement; we again ask them to send to our office and get these certificates, from which you will learn the extraordinary sufferings of these persons, as well as the mode of cure.
