OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

PERSONAL.—We understand that Miss Dodge, better known by the thousands of readers of the Atlantic as "Gail Hamilton," is sleeping in town. Ex-Gov. John Gregory Smith returned last night from Caledonia Springs, where he had been for a few days, with his family, for rest, and the benefit of his health.

We understand that at the meeting of the Vermont Historical Society, at Rutland, on Wednesday next, a paper will be read by our townsman, L. L. Dutcher, Esq., relative to the smuggler Black Snake, well known by reputation in Embargo times.

THE POST OFFICE.—Judge Barber was confirmed Postmaster of St. Albans on Saturday last, by the Senate in executive session. How the story got a start by telegraph that H. L. Samson was the lucky man, it is hard to tell. We understand that it is the custom to reconfirm, where there is no other appointment made, on the expiration of four years service. Judge Barber's four years expired a few weeks since and he held over under the law until reconfirmed, no new appointment having been made or wished.

ENGLESBY LODGE.—As stated by us last night, the institution of this Lodge and the installation of its officers will take place to-night. We believe it would ordinarily fall to the lot of the District Grand Deputy to perform the services of the occasion; but Dr. S. R. Day, who worthily holds that position, is too feeble in health to perform the duties, and Park Davis, Esq., R. W. Grand Junior Warden of the Grand Lodge will officiate, by delegation of the M. W. Grand Master, Dr. Hall.

RESIGNATION OF MR. MARSH.—It will be seen by the following communication between Mr. Marsh, recently Superintendent of the High School in this place, and the Board of Trustees, that the former has resigned the position held by him through the last term, with the reasons for such resignation; Mr. H. H. Farnsworth, M. Buck, and S. S. Clark, Committee of St. Albans High School; GENTLEMEN:—Allow me hereby to tender to you the resignation of my position as Superintendent.

I do this, believing that changes ought to be made in the grading of the schools which would not be generally sustained;—that the duties of a superintendent cannot be efficiently discharged while employed the full number of school hours in teaching a particular department; also, that unless my health should be greatly improved previous to the time for commencing the Fall Term, I could not well perform the labor required. With an assurance of my best wishes for the prosperity of the school, of my

high esteem for teachers engaged in the several departments, and my regard for yourselves, I remain Yours very respectfully, CHAS. A. J. MARSH. St. Albans, July 7, 1868.

LENT'S NEW YORK CIRCUS.—Monday next is the day upon which this celebrated metropolitan troupe, which, during the greater portion of the year, formed one of the most prominent features of the amusement world of New York, is to exhibit in St. Albans, and as it is pretty generally understood that the establishment is one of real and acknowledged merit, its advent is anticipated with a good deal of interest. Some of the most celebrated riders, gymnasts, clowns and acrobats in the world are attached to the New York Circus, and a large proportion of the performers have recently arrived in this country from Europe. Mlle Caroline Roland, who is said to be the most daring bare-back equestrienne living, has never yet appeared in New York, having arrived in this country only three days previous to the commencement of the present travelling tour. The programme announced will be found to comprise many entirely new features of great attractive power. As this company travels exclusively by railroad the horses are always fresh and in good condition. Tickets are for sale by E. H. Huntington.

Resources of Northern Vermont.

A letter in the Portland Press gives some interesting statistics of the Northern part of the Green Mountain State, through which the Portland and Ogdensburg R. R. is to pass. The three countries through which it is to pass, with four towns in other counties, produced, according to the census of 1860, 5,500,000 lbs. of butter, fully one-third the production of the State, which was a little less than 16,000,000 lbs. of cheese, produced in the State. The State production of wheat is given at 337,000 bush., on which this belt of land produced 120,000. The quantity of oats is given at 3,600,000 bushels for the State of which this territory furnished 1,000, bushels; of Indian corn 210,000 bushels; of maple sugar, 3,000,000 of the 9,750,000 lbs. made in the State. The number of acres of improved land is 586,087; of unimproved, 383,620 acres. Milch cows, 50,000; horses, 16,200; swine, 12,000; sheep, 85,000, the production of wool being about one-ninth of the quantity in the State. Cash value of live stock, \$3,500,000, and of farms \$50,000,000. A comparison of some of these items with other portions of New England shows that this territory produced an amount of butter equal to one-half the production of Mass., nearly three-fourths as much as Mass., and about three-fourths as much as either of the States of N. H. or Ct. Maine produced 234,876 bushels of wheat; the territory tributary to this route 120,000. In the item of cheese the production of Me. is 2,484,454 lbs., while the county of Caledonia made 1,235,515 lbs. Lamoille 672,349 lbs. Franklin 937,483 lbs., and two towns each in Essex and Orleans, swell the amount to more than 3,200,000 lbs. Potatoes, 3,200,000 bushels, being one-fourth of the State production, and equal to one-sixth the amount raised in Maine; also 100,000 pounds of hops, while Mass. produced 111,000 lbs., N. H., 130,000 lbs., and Me. 103,000. The products of the dairy show it to be a land flowing with milk, and it is not destitute of honey, the production being 25,000 lbs.

BASE BALL.—A friendly game of Base Ball came off on Wednesday afternoon between the "Eagle" Base Ball Club of St. Albans, and the "Aurora" club of this place. Although the St. Albans boys took us by surprise, a nine was picked up of the "Aurora's" and a game arranged for 3 P. M. At the hour both clubs formed on the Park headed by the St. Albans Cornet Band and Mayo's Brass Band, marched to the Ball Grounds where no time was lost in calling the game. The game opened with "Eagle's" at the bat; both at the bat and field, displayed some fine playing. The "Aurora's" did remarkably well on so short a notice. The game was brought to a close at the end of the 5th innings, so as to reach the boat in time. The score standing, "Eagle's" 24; "Aurora's" 13. After cheering each other, the Umpire, the Ladies, the Bands and both Clubs, 80 in all formed a procession and marched to the Cumberland House, where the "A's" had supper ordered, and after all had partaken of a hearty meal the clubs again formed and marched to the music of one of Mayo's quick steps to the wharf, where the "Eagle's" boarded the steamer "River Queen" for home amid the music of both bands and the cheering of both parties. The "Eagle's" were neatly uniformed, and made a fine display, and a more gentlemanly and civil lot of young men we have never met. We hope to see them here again.—Plattsburgh Republican.

The Brattleboro Phoenix records the prospective birth of a Grant Club in Brattleboro. They ought to have one in that and every town. St. Albans has one. Its influence is very quieting.

THE NOMINATION AHEAD.—The English journals comment quite freely on the Democratic platform. The London Times says it lays down the principle of national repudiation; and should be considered as a forewarning of the defeat of the Democratic party, and its permanent exclusion from office, if not its complete disruption. It farther says: "Reputation may be a strong card for the Democrats in the West and South, since the radicals have announced that they will adhere to the principles of national honesty, but by the adoption of this platform the democratic party throws away all its chances of success in the East, and renders the election of Grant a certainty."

L. B. LENT, DIRECTOR. WILL EXHIBIT AT ST. ALBANS, MONDAY, JULY 27.

THIRD ANNUAL TOUR OF THIS GREAT METROPOLITAN INSTITUTION

Leading Circus of America. And which, the present season, with its NEW AND MAGNIFICENT FEATURES, never before presented in America, will be enabled to offer entertainments of marked originality and exciting interest, far surpassing anything hitherto witnessed on the side of the Atlantic. The public appreciation of the performances given by the New York Circus, not only in the city of New York, but also during its former summer excursions, has stimulated the management to renewed exertions, and it is confidently asserted as beyond the power of contradiction, not only that the performances of the Troupe during its present tour will be equal superior to any ever given in this Country, but that the company is in all respects THE BEST IN THE WORLD! There being in Equestrian establishment in all Europe comprising so many first-class artists, or so many entirely novel and strikingly effective specialties as this. First season in America of the CAROLINE ROLAND, the Phenomenal Equestrienne, who surpasses the most daring feat accomplished by other lady riders on a pad, upon a horse without saddle or bridle! This extraordinary feat was executed in England at enormous expense by an agent sent thither for the purpose of securing the best lady rider in Europe, and only arrived in this country in April. Her astounding performance upon a Bare-Back Steed, throw into the shade all previous displays of female Equestrianism seen in the United States and cannot be paralleled in any exhibition in Europe or America. Included in the brilliant array of World Renowned Artists Attached to the New York Circus will be found the names of Robert Siding, the Great American Bare-Back Rider, the Grand Champion of the World; William Dutton, the Imperial Bare-Back Rider, with his infant son, Arthur the Bare-Back Rider, who has no equal in any country in the Classic School of Olympian Equestrianism; the Bay Waler, who with his mare child, surpasses all other difficult feats upon the Tight Rope; Robert B. Williams, the greatest of English Clowns, engaged in London expressly for the present travelling season, together with the greatest force of Baring Bare-Back Riders, Acrobats, Acrobats, Circus Gymnasts, Comical Clowns, Slack Rope Walkers, Precure Masters, Equilibristas, Volturnos, Tumblers and Pantaloniens, Ever brought together in this country, involving a greater expenditure for salaries than is incurred by any four traveling companies, and comprising the first class Artists that can be found in any Circus in the World. First season in America of Comed's TROUPE OF PERFORMING DOGS! From London and Paris. The largest and best stud of beautiful and highly trained PERFORMING HORSES AND PONIES. And the most brilliant methods, trappings and appointments to be found in Europe or America. The Programmes of performances arranged for the present season will be distinguished by novelty, variety and scaling merit, including many entirely new acts, never before given in the country, which will be original with and peculiar to the New York Circus, and can be witnessed in no other establishments. All the vast resources of this magnificently appointed establishment will be called into requisition at every performance to furnish a display of Dashing Horsemanship and Classic Olympic Games! Which for Novelty, Variety Elegance and exciting interest will be found infinitely superior to anything of the kind hitherto witnessed in America. The Entire Mammoth Troupe From the New York Circus, in Fourteenth Street, New York, will appear at every performance. Prof. Charles Boswood's Opera Band, This company accompanies the Troupe. This company travels chiefly by railroad, on special trains chartered for the purpose, and consequently the performers and horses come into the arena fresh and active, instead of being jaded and worn down by wearisome night travel over rough roads. No Catchpenny Side Shows. Are allowed with this Establishment. Admission 50 Cents. Children under 10 years, 25 cents. No standing Room. Seats for all. Doors open at 7 and 7.
