WELDEN SPRING WATER

Water from Welden Spring, St. Albans, Vermont, which has proved highly efficacious in Scrofula, Cancer, and all diseases of the skin, and also for Dyspepsia, Kidney and Liver Complaints, General Debility, &c., &c. is now for sale, at wholesale and retail, at 218 Washington Street, where books may be obtained containing an analysis of the Water, with certificates from physicians and others, testifying to its beneficial effects in numerous cases where it has been tried.

DEAR SIR: I write to acknowledge the benefit I have received from the Welden Spring Water. I have been troubled with Disease of the Kidneys for many years. I have consulted some of the best physicians in the country and received no relief. Some few months since I was recommended to try the Welden Spring Water. I had not taken it long before I was surprised to see how much good it had done me. Since then I always keep it in my room and seldom drink any other water, knowing eventually it will cure me. As I am anxious that others should be benefited by my experience, I cheerfully recommend it to all suffering with the same disease. Respectfully,
J. J. MAY.

DEAR SIR: I cheerfully comply with your request to give my candid opinion of the merits of the Welden Spring Water. For some years I have suffered much from Dyspepsia, and having exhausted patent medicines, and the prescriptions of many physicians, I was advised to try the Welden Spring Water. I found by taking a glass of the water before meals it acts as a tonic and general regulator of the system, and enables me to eat any kind of food without inconvenience. The only evidence I can give of my appreciation of its virtues is a recommendation to every one suffering from Dyspepsia to try it.
Yours truly,
FRANK B. DIXON.

QUINCY, MASS., Oct. 3, 1868.
E. S. GOODWIN, Esq.,
DEAR SIR: My wife has used your Welden Spring Water, and has received great benefit from it. Before she used it she had a bad cough, and had been on the stomach or lungs. The cough has entirely disappeared and she is a well, or better, than she has been for ten years.
Very respectfully your old servant,
JOHN T. WILLEY.

FEW TESTIMONIALS.

THOR, N. Y., June 12, 1868.
Dr. Gridley—This is to certify that I called on you at Plattsburgh, in September, 1867, to be treated for difficulties that have made me about helpless for the past ten years,—namely, an abscess on each side of my limbs, with white swelling and around my village—which had defied the skill of our best physicians, both in my town and in New York City. For the benefit of the public, I will state that I am perfectly cured, and have been attending to my business since March 1st, 1868. Hoping this may prove of benefit to you, I remain,
Yours most truly,
PATRICK HOOGAN.

SAUGUTUS, ULSTER CO., Oct. 20, 1866.
This is to certify that Dr. Obed Gridley has cured my daughter of Neuralgia and Erysipelas, after having been treated by several of the best physicians in our village—without any success. I would cheerfully recommend the doctor to the afflicted as a judicious and conscientious practitioner.
Yours most respectfully,
JOHN RICKARD.

PORT HENRY, ESSEX CO., N. Y.
Dr. Obed Gridley, Dear Sir: I take much pleasure in informing you of the following facts, which I desire to be made known to the public for the benefit of those who seek relief. My wife, for the past seven years, has been suffering with Dropsy, Female Weakness, and Dyspepsia, during which time I have consulted some of our most eminent physicians, and received no particular benefit. I was urged to obtain an interview with you in regard to her case, and I am happy to say that you have cured her. I remain, yours respectfully,
CHARLES LAPELL.

ISLE LA MOTTE, VT., Jan. 5, 1868.
Dr. Gridley, Dear Sir: My wife, for the past twelve years, has suffered beyond all account with Neuralgia, and also with general prostration of the nervous system. We have, during that time, consulted some of our most skillful physicians, and met with no particular success. I was very anxious to try all that lay in my power for her benefit, so I brought her to Plattsburgh to see you in the month of September, 1867. It shows me how happy to inform you that she has been improving ever since, and at the present time she is so much better that we both join in sending our thanks for the great benefit she has received by your treatment.
Yours respectfully,
PETER FLEURY.

MALONE, Jan. 13, 1868.
Dr. Gridley, Dear Sir: I feel it a duty to return you my sincere gratitude for the restoration of my wife's health. In July last, she called to see you in relation to her situation, she having been sick for a long time, with lung and liver difficulties in connection with Catarrh and Female Debility. She was treated by you, and I am happy to state that she is improved beyond all expectations, and we consider her entirely cured. Wishing you much success and prosperity,
I remain yours truly,
IRA HUMPHREY.

POTSDAM, Jan. 16, 1868.
Dr. Gridley, Dear Sir: For a number of years I have been suffering with the Heart Disease, Lung difficulty, and General Debility. Since your treatment of July, 1867, I have been gaining. Your invigorating medicine have given new vigor and tone to my whole system. I am stronger, heartier, and with larger capacity for labor, both mental and physical than at any time during the past two years. I can truly recommend your way of treatment to all who are suffering.
Respectfully yours,
ADDIE PATTEN.
