MERCHANTS NATIONAL BANK, 28 State Street, Boston, Oct. 7, 1868.

E. S. GOODWIN, Esq., Agent Welden Spring Water.

DEAR SIR: I write to acknowledge the benefit I have received from the Welden Spring Water. I have been troubled with Disease of the Kidneys for many years. I have consulted some of the best physicians in the country and received no relief. Some few months since I was recommended to try the Welden Spring Water. I had not taken it long before I was surprised to see how much good it had done me. Since then I always keep it in my room and seldom drink any other water, knowing eventually it will cure me. As I am anxious that others should be benefited by my experience, I cheerfully recommend it to all suffering with the same disease. Respectfully,

J. J. MAY.

From Francis B. Dixon, Esq., Counselor at Law and Average Adjuster, Boston.]

17 MERCHANTS EXCHANGE, Boston, October 3, 1868.

E. S. GOODWIN.

DEAR SIR: I cheerfully comply with your request to give my candid opinion of the merits of the Welden Spring Water. For some years I have suffered much from Dyspepsia, and having exhausted patent medicines, and the prescriptions of many physicians, I was advised to try the Welden Spring Water. I found by taking a glass of the water before meals it acts as a tonic and general regulator of the system, and enables me to eat any kind of food without inconvenience. The only evidence I can give of appreciation of its virtues is a recommendation to every one suffering from Dyspepsia to try it.

Yours truly, FRANK B. DIXON.

QUINCY, MASS., Oct. 3, 1868.

SIR: My wife has used your Welden Spring Water, and has received great benefit from it. Before she used it she had a bad cold which had led to the stomach and lungs, as we had entirely disappeared and she is years better, than she has been for ten years.
