Berryville, 2; Winchester, 1.

Undoubtedly the best game seen on the local diamond in its history was that of last Friday when the home team got their old rivals, the Winchester Juniors, down by a score of 2 to 1 in a tenth-inning rally.

The game was played in a drizzling rain from start to finish, and it was almost impossible to use curves or shoots. Rainsberger, who twirled for the visitors used only a drop with his straight ball and made no attempt at curves, but had good change of pace. Robey, as usual, supported himself in good style, and was especially effective with men on bases. The visitors secured 14 hits, some of them of the scratch order, while the locals could only connect for 8, but they bunched their bingles when hits meant runs.

In the first inning W. Hunter singles stole second, went to third on McCormick's sacrifice, and scored on a passed ball.

The visitors pushed a run across the bat in the fourth when Rainsberger got his second hit of the day, went to second on Wingfield's strike-out, to third on A. Vance's out, and scored when Gaver threw high to first in an attempt to catch Darlington. Then R. Grim fanned.

From that time to the tenth, it was a hard-fought battle, each side accepting the most difficult chances in approved style without an error. With two men down in the tenth, Gaver reach first on balls, went to second when S. Smallwood received little treatment, and scored when Brown tore off a screeching single between short and third.

The features of the game were the battery work of Robey and Hunter, the fielding of Gaver, and a marvelous pick-up of a hot grounder by A. Smallwood. For the visitors H. Grim and Swanson carried off the fielding honors.

At the bat, Brown had a busy day, securing three safeties (one of them a two-bagger) and a base on balls out of four times at bat.

Manager-Captain Swanson did not have his entire regular team with him, and used some substitutes, but it was by far the best game put up by the Juniors here this year, as they secured more safe hits, allowed less safeties, and played with less errors than ever before. So, it would seem that his substitutes can learn some of the regulars something about the game.

Berryville, 9; Charles Town, 10.

The local talent went over to Charles Town last Thursday, and were beaten on the grounds there by a score of 10 to 9 in a ninth-inning finish.

In the third inning the score stood 9 to 1 in favor of Berryville, but in the fourth-inning Charles Town tallied 6 runs on some clean hits and bad umpiring. In the ninth inning, they tallied 3 more on a combination of three singles, interference by the crowd closing in on the diamond, and the rottenest umpiring we have "been up against" this year. The Chicago World's Champions could not have gotten away with the game, handicapped by such umpiring. However, there's no use in crying about it now. Both teams hit the ball hard, a total of more than thirty safe hits being registered by the two teams. Batteries—Berryville, Gaver and Hunter; Charles Town, Colston and Walker.

Berryville, 9; Charles Town, 6.

The locals took the third deciding game from the Charles Town Athletic Club Team on Moore Field yesterday afternoon by a score of 9 to 6, after one of the scrappiest and harest-played games of the season. Neither Colston nor Robey were at their best, the former having only three strike-outs and the latter two.

The fielding behind Robey was brilliant at times and pulled him out of several bad holes. Albert Smallwood started a lightning double play when he grabbed a hot liner and doubled another man at first.

Considerable wrangling over decisions marred the game, but did not change the result.

It is hoped that a game can be secured on the local diamond for Friday with Manager Shugert's Charles Town team (not the Athletic Club).

For the School Children

The September number of the New Idea Woman's Magazine contains several articles which will be of great practical help to those who have to provide and care for the needs of school children. The regular dress article is devoted to a discussion of the necessities which the wardrobe of a girl going away to school or college should contain. Read a "College Girl's Outfit" before sending a young member of your family away for a year's absence. Those to whom the packing of the school luncheon basket is a daily bugbear will find much valuable information in an article on this subject by Elizabeth W. Morrison. "The Children's Study Room at Home" contains directions to provide a suitable place for the growing child to study. The carelessness prevalent in American homes in this respect shows that is not realized sufficiently that if children have only a corner which they can call their own, their pride in it often becomes a strong incentive to good work. Many suggestions for school clothes for both boys and girls are found among the September patterns.

Fowler Family Reunion.

A family reunion to celebrate the 83d birthday of Mr. William Fowler, one of the best known and esteemed citizens of the County, was held at his hospitable home on the Blue Ridge last Thursday.

His eleven children from different sections, with his numerous grandchildren and great-grandchildren, were present.

A sumptuous dinner and every pleasure incident to such a gathering was enjoyed by all.

Congratulations and best wishes for many more years of life to the aged parent were affectionately extended at the parting hour, in which the writer heartily unites, and would direct the attention and interest of President Roosevelt to him as worthy to have a Life Pension.

Incendiary Visits Claymont.

Last Sunday night a bold and we are glad to say, an unsuccessful attempt was made to burn "Claymont," the handsome country residence of Col. S. T. Murphy in Jefferson County W. Va. By a fortunate accident, Mr. Crosby, one of the guests at "Claymont," discovered a colored man in the basement. Without giving any indication of having seen the negro, Mr. Crosby proceeded to arm himself, and to return to the basement, having first stationed Mr. Temple Murphy in front of the building to cut off any escape in that direction. Immediately upon Mr. Crosby's entering the room where the negro was, the negro opened fire on him. Mr. Crosby, locating the negro by the flash of pistol, returned the fire. There followed several shots, and presently the negro disappeared.

A thorough search of the premises show that at least one of Mr. Crosby's shots had taken effect, for there was blood at a point where it was probable the negro put his right hand on the lintel of a door. There were also other fresh blood stains, indicating the wounding of the negro. It was also found that a large barrel of excelsior and several crates, all saturated with kerosene, had been placed together just under a wooden cold air chamber. So far had the intruder progressed with his work that a few minutes more would have been sufficient for him to have accomplished his purpose. Matches were found near the barrel.

Mr. Crosby was the only one that saw the negro, and says that he had on a black slouch hat, a dark shirt and a broad belt buckle; that his complexion appeared to be rather dark, and the negro himself was of a heavy build.

The negro is still at large, and a diligent search is being made for him, and all clues are being followed up. It is hoped by the authorities that any one will promptly give to the prosecuting attorney any information he may have that may lead to the detection of the criminal. Indications are that the negro undertook to make his escape in the direction of Winchester.

Men Past Sixty in Danger

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate glands. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of disease. Mr. Rodney Burnett, Rockport, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." Enjoyable Dance at Battletown Inn.

A brilliant german led by Mr. Harry Warden, dancing with Miss Helen McGill Page, was given by the young men of Berryville last Friday evening at the Battletown Inn. About 100 couples from neighboring towns and afar danced the german, which continued until the small hours of the morning. The chaperones were Mrs. Tracy Hunter, of Savannah, Ga.; Mrs. Charles E. Clapp, Mrs. Evelyn Byrd Page and Mrs. J. R. Elder, of Berryville. Some of the young ladies present were Misses Beverly Williams and Lewis, of Winchester; Misses Revel and Pressman, of Baltimore; Misses Hunter, Kelly, Pattison, McDonald, Baldwin, Thomas and Osborne; Messrs. Beverley, Conrad, Newman, Myers, Lewis, Mitchell, Allen, McCormick, Lippitt, Hunter, Clapp, Milton, Osborne, Byrd and others.

At this season we should eat sparingly and properly. We should also help the stomach as much as possible by the use of a little Kodol occasionally. Kodol For Indigestion and Dyspepsia will rest the stomach by actually digesting the food itself. Sold by Blencowe's Pharmacy.

Death of Mr. F. B. Whiting, Sr.

Mr. Francis B. Whiting, one of the most prominent and highly esteemed citizens of Clarke county, who was a typical old-school Virginia gentleman and member of the distinguished family of Whitings, died at his home, "Edge-wood," between Millwood and Old Chapel, about 7 o'clock last Sunday evening, aged about 82 years.

His death was due to the infirmities of the ripe old age to which he had attained, although up until recently he was able to attend to many duties on his country place and mingle among his friends and acquaintances, by whom he was held in high regard.

Mr. Whiting had been a life-long resident of Clarke county, and during the Civil War he enlisted with many others from his immediate neighborhood in Company C, Second Virginia Regiment, the company being commanded by Capt. William F. Randolph. A number of Winchester men were also in the same command. The deceased was a true and loyal soldier of the South, and he served faithfully throughout the war.

He is survived by his widow, Mrs. Maria Whiting. No children were ever born to them. Mr. Whiting was an uncle of Mr. Frank Whiting, the well known Berryville lawyer, and of Prof. William H. Whiting, professor of Latin at Hampden-Sidney College, near Farmville, Va.

The funeral was held yesterday morning at 11 o'clock, Rev. J. M. Robeson, of Christ Episcopal Church, officiating, and interment was made at the Old Chapel.

A large cortege of friends and relatives followed the remains to the grave.

Death of Mr. Dorsey Reid

Mr. Dorsey Reid, who died last Thursday at his home near Boyce, was born in Hampshire county, W. Va., March 1, 1832, and came to Clarke county about the year 1872 and engaged in the pursuit of farming.

He was a veteran of the Civil War and served the Confederacy faithfully under Col. C. T. O'Ferrall and Major Calmes, of Company A, Jamboden's command. He was three times captured and escaped twice, the third time being held a prisoner at Point Lookout for seven months.

Mr. Reid was a member of the Methodist Episcopal Church, South, for a number of years, and led a true christian life, doing good to all. He had been afflicted for some years, but bore it all without a murmur.

He leaves his widow and six children, M. L. P. Reid, R. E. Reid, Mrs. J. L. Carper, of Clarke county; Mrs. E. F. Barr, of Stephens City; Mrs. Alexander Jolliffe, of Hagerstown, and C. S. of Roanoke, and a host of family connections and friends.

The funeral services were conducted by Rev. Mr. Sticklely at the Boyce M. E. Church, assisted by Rev. Mr. Robeson, rector of Christ Protestant Episcopal Church of Millwood and his remains were interred in Green Hill Cemetery at Berryville.
