Died. WEST.

At the home of his son in Minneapolis, Thursday evening, Jan. 3, 1900, of kidney trouble, William West, aged 76 years. He was one of the first settlers of Lyle township. He was born in town of Stockton, Chataqua county, N. Y. December 9, 1824. His father, John West, was a native of Massachusetts and was one of the early pioneers of Chataqua county, where he bought land of the Holland company. The son William grew to manhood on the Stockton farm, receiving a common school education. He was married in 1845 to Miss Charlotte L. Gordon. In 1855 they came west to seek a home. They came on the cars to Galena and then on a boat to McGregor when he struck out on foot to Mitchell county, and engaged in a sawmill at Otranto. In the fall his family came from McGregor. The following year they made a claim of the northwest quar-

er of section 34 in Lyle township and built a log house. This remained the family homestead. Mrs. West died there March 1, 1895, and about three years ago Mr. West went to Minneapolis to live with his son. Four children were born to them, two of them being dead. The two surviving are: Mrs. J. K. Clark of Lyle and William J. West of Minneapolis. The remains were brought to Woodbury and on Sunday were laid beside the wife and two children. Funeral services, conducted by Rev. Brown of Lyle, were held Sunday afternoon at Minnereka schoolhouse, a very large concourse of old settlers and friends being present. Deceased was an uncle of Charles L. West and of Mrs. C. D. Belden of this city.

Wreck Near Sargeant.

Chicago Great Western passenger train No. 1, from Chicago, due in St. Paul early last Thursday morning, was wrecked near Sargeant, about 5 o'clock a. m. No one was seriously injured.

The train consisted of eight cars, and was drawn by two engines. A few miles out of Sargeant the train gained a speed of about thirty-five miles an hour, and the second engine struck a defective rail, which immediately broke. The forward engine had passed safely over.

In the crash which followed, the baggage car left the track and was demolished, the wreckage catching fire and destroying car and contents. The other seven cars also left the track, but did not turn over, and no one was injured except Buffet Car Attendant Hudson, Baggage Agent Green and Conductor Healey, all of whom were bruised and somewhat cut. As the accident happened before daylight, great confusion reigned for some time.

The passengers were transferred to another train as soon as possible, and taken to St. Paul. The track was cleared by noon. None of the rolling stock except the baggage car was badly injured.
