The goods we offer are strictly up to the standard in every respect. The high school basket ball team will go Friday to Spring Valley to play the Spring Valley team. The Austin team consists of Helen Banfield, Maud Edgerton, Kate Zender, Kate Todd, Ada Tolbert, Addie Phillips, Mabel Wheeler, with Jessie Stimson and Rosella Rosbach as substitutes.

The big debate will occur at Owatonna opera house Friday evening of this week.

### High School Debate.

The big debate between the Owatonna high school and the Austin high school, to decide the championship of the first district, will take place on Friday evening, January 24, in the Metropolitan opera house, Owatonna. The winners of this debate will meet the champion team of some other district, and the winners in that contest will meet other champions, and so on until the best two teams in the state are evolved. These will meet at the university to decide the state championship.

The three contestants from the Austin high school were selected in the competitive debate at high school hall Wednesday evening. Out of the list printed last week, the judges selected Cecil Freeman, Robert Carter and Gordon Christie to represent the Austin school.

The question which is to be debated in all the contests is "Resolved that Capital Punishment Should be Abolished." In the contest to take place Friday evening the Austin debaters will take the affirmative and the Owatonna team the negative.

The young people from the Owatonna high school who will represent that institution in the coming argument are Messrs. John Quinn and Frank Chambers and Miss Leona Ostrander.

Those who go on the 2:40 train Friday afternoon can return on the late evening train and take in the debate. Fare one and one third. Seats will be reserved in the opera house at ten cents each. It is hoped that a goodly number from Austin will go up.
