DEFIANCE SALE

AT

MURPHY'S

Commencing July 7, for 30 days.

What it means, simply we are going to make prices for this sale that we defy either in or out of town dealers to discount and we mean it.

DUMPING GROUND.

Austin has been called the dumping ground for out of date dry goods for the past ten years. It's been the town selected by at least 20 concerns during this period to bring the remnants and old goods from their former business place, start up here, run a few months and close out, receive more money than any other dealer or they themselves could get in a regular business.

WELL ILLUSTRATED in '92.

It's been well illustrated during this season and attempt has been made to close out two old stocks of goods this season. Some have jumped at the would be bargains and found to their sorrow that they were taken in when it was too late.

BARGAINS.

A spool of cotton at 4c, a paper of pins for 1c or a few off colored spools of silk for 4c or 8c are held out as bargains.

LOOSE MONEY.

If they want to dump old goods on this market they must do it at a good big loss or move them elsewhere.

Why? We are going to take our loss and defy them to meet our prices. A small list follows. THE ENTIRE STOCK GOES, not a few items.

Table listing prices for Silks, Dress Goods, Lace Curtains, Carpets, and Table Linens.

Corresponding prices on Wash Goods, Millinery, Suits, Jackets, Underwear, Hosiery and all goods in our stock for 30 days. Remember we DEFY any one to discount our prices during the next 30 days. Our line will be kept up. We will furnish the goods and stand the consequences during this period.

R. R. MURPHY.
